Guinness World Records 2014 Officially Amazing

ROI (Return on Investment) is today's key business tool for measuring how effectively money was spent--yet few marketing managers receive any ROI training at all. Marketing ROI changes all that, showing marketing pros at every level how to use ROI and other financial metrics to support their strategic decision making. This comprehensive book details how an accurate working knowledge of ROI is essential for using the latest marketing measurements, and provides insights for gaining the greatest competitive advantage from the skilled use and understanding of ROI concepts. Sex World Records is similar to Guinness World Records except it is only about sex. This book includes info about the world's largest orgy, the world's longest penis, the world's biggest breasts, the world's most unusual sex positions, the world's longest clitoris, and much more. This is the book that was recently featured on the reality TV show X-Ray-Ted. Guinness World Records 2013 is crammed with new and updated records, and never-before-seen photography. Meet the new shortest living man and a slam-dunking parrot, and witness the fiercest predators in the ocean - you can see them in 3D with our new augmented reality app!

Love him or loathe him, Simon Cowell is arguably the most influential player in the British entertainment industry and one of Britain's most successful exports. After a humble start in the post room at EMI, his meteoric rise began when he became a top A&R executive, signing huge acts from Westlife and Five to Robson & Jerome. Fame and a television career followed when he became a judge in the TV talent shows Pop Idol and American Idol and subsequently created the hit shows The X Factor and Britain's Got Talent, watched by millions every year. His trademark blunt honesty coupled with his extraordinary business savvy has made him a household name - but what do we really know about this charismatic and sharp-tongued man? In Simon Cowell Chas Newkey-Burden finds out, interviewing friends and old colleagues, and lifting the lid on the professional and private life of one of Britain's most eligible bachelors.

The world's most popular record book is back with thousands of new categories and newly broken records, covering everything from outer space to sporting greats via Instagram, fidget spinners and all manner of human marvels. Inside you'll find hundreds of never-before-seen photographs and countless facts, figures, stats and trivia waiting for you on every action-packed page. Guinness World Records 2019 is the ultimate snapshot of our world today. Plus, this year we celebrate the incredible "Maker" movement with a special feature devoted to the inventors, dreamers, crafters and

creators who devote their lives to amazing record-breaking projects such as the largest water pistol, a jet-powered go-kart and an elephant-sized hamburger (think you could eat a whole one!?). We take a sneak peek into their workshops to explore these epically big builds, and ask them what inspires them to go really, really large! And if you like creating, and you like LEGO®, then you'll love our "Making History" pages that use the world's most famous interlocking plastic bricks to illustrate and explain an important record-breaking object – such as the Statue of Liberty or the Apollo mission's Saturn V rocket. We examine their designs, structure and technical specifications in fully illustrated and colorful, poster-style pages. Finally, you can jump into both the making and record-breaking action with a "Do Try This At Home" section. Challenge yourself and your family with five fun record-breaking maker-inspired records you can attempt involving origami, balloon sculptures, ring pulls and rubber bands. Who knows, your creation might just make it into the record books!

Bring reading comprehension alive with engaging record-breaking stories. Rising Stars have teamed up with Guinness World Records to produce Record-Breaking Comprehension, an exciting series that uses fascinating world records to engage all pupils and develop reading comprehension skills.
