

Handbook Of Biblical Chronology Principles Of Time Reckoning In The Ancient World And Problems Of Chronology In The Bible

Gazing Into Glory reveals the Lord's intent for spiritual manifestations to become your normal Christian experience. This book rests on solid biblical support and is built on modern-day, real-life supernatural experiences. You too will discover the true essence of the glory of God. There has been a growing hunger and passion in the hearts of God's people-- birthed by the Holy Spirit-- to more fully walk in the spirit and access in a more specific way all that the Word indicates is yours. You are encouraged to use Gazing Into Glory as a roadmap as you journey into the lifestyle and mindset that God destined for you to enjoy. By expounding upon the power and benefits of the Glory of God, the scriptural manifestations of God's glory become more than parables-- they embrace you. Walking in the supernatural is not promised only to a select mystical few. The experience belongs to all believers who choose to pursue the promises of God for themselves--it belongs to you. A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to. In Health and Faith, Jay Now is the Time to Reshape America! In Reshaping America, Curt Flewelling challenges you to look at the society, politics, and culture of 21st century America from a biblical perspective. With a prescription that is just what "The Great Physician" ordered, Flewelling reveals the causes of our nation's abandonment of biblical principles and how we can all get back to the fundamental truths of the founding Fathers. Together, a groundswell of believers ready to roll up their sleeves and get to work can restore this nation to greatness. Reshaping America is a call to action for anyone concerned about the direction their beloved country has taken, and a helpful guidebook on how to bring about change for God. Curt Flewelling's mission is to ignite a spark in every American to follow God's call to greatness. Now is the time. Join him in Reshaping America!

(New revised edition) Considered the classic and comprehensive work in reckoning the accession of kings, calendars, and coregencies based upon the Old Testament text and other extra-biblical sources.

WILLMINGTON'S GUIDE TO THE BIBLE is a treasury of Bible knowledge written in layman's language. Dr. Willmington's goal has been to publish a concise, all-inclusive summary of basic Bible information in one volume, to make available in abbreviated form "a complete Bible education in a single book.

Fully annotated and completely updated—the most comprehensive guide to reference books in the field of history. * This guide includes 900+ complete entries for reference works and provides complete bibliographic information for over 400 other works * Descriptive annotations provide guidance to quality reference materials and offer a useful and time-saving alternative to research using the Internet * Topical chapters and detailed index help readers locate the materials they need for research and allow for effective searches of more obscure topics * The guide includes materials of interest for undergraduates, graduate students, academic researchers, and educated general readers

Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides Exciting biblical background, An interesting survey of each book in the Bible, Each book's master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

Was there a meaningful stellar sign over Bethlehem? What did it look like to someone looking up at the night sky? Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus? The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia. Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing. But in addition, The Lion Led the Way also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols, as well as Jewish dates, all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights, nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe. Book website: www.star-of-bethlehem.info

A recipient of the Outstanding Reference Award from the Association of Jewish Librarians in its earlier edition, this updated edition of Judaica Reference Sources maintains its editorial excellence while revising and expanding coverage for the new century. Virtually every aspect of Jewish life, knowledge, history, culture, religion, and contemporary issues is covered in this annotated, bibliographic guide. A critical collection development tool for college, university, public school, and synagogue libraries, Judaica Reference Sources provides entries for over 1,000 reference works, as well as a selective list of related Web sites, in English, French, German, Yiddish, and Hebrew. Works published since 1970 are emphasized. Unique in providing expert guidance to Judaica material for the librarian, the layperson, the student, and the researcher, this reference guide is a versatile tool that will fulfill your every need for Judaica material.

The Africa Bible Commentary is a unique publishing event—the first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students, and lay leaders. Interpreting and applying the Bible in the light of African culture and realities, it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance. Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind. Key features: · Produced by African biblical scholars, in Africa, for Africa—and for the world · Section-by-section interpretive commentary and application · More than 70 special articles dealing with topics of key importance in to ministry in Africa today, but that

have global implications · 70 African contributors from both English- and French-speaking countries · Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide

For generations, scholars have attempted to solve the chronological problems associated with "the mysterious numbers of the Hebrew kings." In this volume, the authors provide a coherent, sensible, and believable chronology for the Israelite and Judean kings. In their reconstruction, Hayes and Hooker take into consideration not only all of the biblical data but also all relevant ancient Near Eastern sources. Utilizing all available and reliable evidence, they establish not only regnal years for all the rulers but also specific dates for numerous events in Israelite and Judean history. In their opening chapters, the authors explain the scheme of chronological reckoning found in the books of 1-2 Kings. Their calculations are then computed without recourse to shifting understandings of the methods of reckoning or to a theory of co-regencies. The value of this work is not limited to purely chronological matters. Its implications extend to the dating of biblical sources such as the Book of the Covenant, D, P, and the Deuteronomistic History. The volume also provides insights into the socio-cultic life of biblical times.

A NEW LOOK AT THE LAST BOOK- A Chronological Study Of The Revelation Of Jesus Christ If you are seeking an up to date, Biblical Commentary on the Book of Revelation which GETS TO THE POINT, this book is for you. Have you ever studied the Book of Revelation from a Chronological perspective before? Have you ever wondered who the Two Witnesses of Revelation 11, or the False Prophet of Revelation 13 will be, or what the Mark of the Beast could possibly look like? What about the Whore of Babylon, the Great Tribulation, the Second Coming of Christ, the Millennial Kingdom Age or the Great White Throne Judgment? Have you ever tried to fit end-time Bible Prophecies together, but you just couldn't connect the dots or make sense of them? If you answered YES to ANY of these questions, THIS BOOK IS FOR YOU! "A NEW LOOK AT THE LAST BOOK" will enable you to think "OUTSIDE THE BOX" as we study Biblical Prophecies which will unfold before our eyes IN THE VERY NEAR FUTURE. Whether you are new to the Book of Revelation, or a seasoned disciple of the Lord Jesus Christ, you will gain many valuable insights into what the future holds for this planet and its inhabitants, according to the Bible- God's holy word. This "VERSE BY VERSE STUDY" contains every verse in the Book of Revelation, arranged and explained in chronological order. It is written from a literal, futuristic, and realistic perspective. You will be challenged, edified and blessed, as you see what the God who holds the future is holding for you. Read it all about it, before it becomes illegal to do so!

A detailed examination of the meaning of scriptures having to do with Israel and the Church, the Law and Grace, dispensations, the first and second coming, and more. He teaches the believer how to hold to the principles of morality, and the proper understanding of the fundamental truths of the Bible. Chapter 1: The Jew, the Gentile, and the Church of God Chapter 2: The Seven Dispensations Chapter 3: The Two Advents Chapter 4: The Two Resurrections Chapter 5: The Five Judgments Chapter 6: Law and Grace Chapter 7: The Believer's Two Natures Chapter 8: The Believer's Standing and State Chapter 9: Salvation and Rewards Chapter 10: Believers and Professors Scofield is also the author of the Scofield Reference Bible.

Why do Christians desire to talk about their beliefs? Jesus said, "And this gospel of the kingdom will be proclaimed in the whole inhabited earth for a testimony to all the nations, and then the end will come." (Matt 24:14) This is the assignment that all Christians are obligated to play a role in. Jesus also said, "You shall love your neighbor as yourself." (Matt. 22:39) Jesus commanded that we "go therefore and make disciples of all nations, baptizing them" and "teaching them to observe all that I have commanded you." (Matt. 28:19-20) If one failed to be obedient to the great commission of Matthew 28:19-20, it could hardly be a genuine faith. All true Christians have a determination to imitate God, which moves us to persist in reflecting his glory through our sharing of the good news with others. Within the heart of each true Christian, is the desire is that we "love the Lord your God with all your heart and with all your soul and with all your mind." (Matt 22:37) If this is the case, we too will be patient, not wishing that any should perish but that all should reach repentance.' (2 Pet 3:9) For the genuine Christian, "for out of the abundance of the heart his mouth speaks." Luke 6:45

One objective of this book is to set forth an interest in the Book of Ephesians and the Book of Philippians. Ten studies are developed from Ephesians in order to explain predestination, election, and the richness of God's grace. Chapters 11 and 12 advance God's salvation with an emphasis in Chapter 11 concerning the role of women in sharing the message of redemption. Chapter 13 examines one's life before rebirth and life after rebirth. Chapter 14 looks carefully at arguments adopted to condemn instrumental music in the Christian assembly. The next seven chapters (15-21) investigate several statements from the Book of Philippians with accent upon God working in us to accomplish His outreach to the lost. Three chapters (22-24) look at the purpose of the church, church and ministry, and the identification of the church. Chapter 25 sets forth the biblical date for the Exodus as well as biblical chronology versus liberal chronology. The next chapter (26) looks at the prophetic ministry. Chapters 27 and 28 review the prophet Jonah with an emphasis upon his psychological setback in his first refusal to carry out God's command to go to Nineveh. Chapter 29 discusses God's admonition to Joshua. Chapters 30-32 scrutinize 1 Timothy 2:11-15, which in-depth study is an overview of the Pastoral Epistles. This study seeks an answer to Paul's negative declaration about the participation of women in the church at Ephesus. These particular women were involved in the telling of stories about their gods and goddesses as well as the practice of magic. They did not understand the true nature of Jesus. The next three chapters (33-35) analyze the identity of Jesus. And, finally, Chapter 36 is written from an apologetic viewpoint, which reading concentrates upon the "cell" to demonstrate that there is an Intelligent Designer.

An authoritative guide to accurately interpreting and applying God's Word In this second edition of Invitation to Biblical Interpretation, Andreas Kostenberger leads the reader step-by-step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and

Get Free Handbook Of Biblical Chronology Principles Of Time Reckoning In The Ancient World And Problems Of Chronology In The Bible

derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources, as well as the sources cited throughout, and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

This Guide to Biblical Chronology aims to explain why different chronological proposals exist for the reigns of kings of Israel and Judah and how the conflicting chronological data preserved in the Books of Kings have come into being. The first step is to reconstruct older chronological data so that synchronisms are in harmony with each other. Only then can the chronological data be related to extrabiblical documents; such a comparison reveals a good degree of correspondence. This means that the chronological records of the kings of Judah and Israel during the period between 930 and 586 BCE must have based on reliable annalistic records from royal archives. After the destruction of Samaria, synchronic chronological presentations of the history of Judah and Israel were composed and the Deuteronomistic editors used them. They drew their own conclusions from the source material and created a chronology of their own, which sometimes led to the contradictions we can detect in the present form of the Hebrew Bible. Another important result is that the 480-year period mentioned in 1 Kings 6 and the 300-year period in Judges 11 are also based on the pre-Deuteronomistic chronological tradition even though they are not based on archival material and are therefore unreliable figures. The Guide to Biblical Chronology also deals with postbiblical Jewish chronology, showing that there were in existence two different and competing chronological systems. One was based on Daniel 9.24-27 and followed by Josephus, and the other was first advanced by Demetrius the Chronographer in the late third century BCE and was then followed in the Damascus Document from Qumran and in Second Baruch.

The new edition retains the features of the first edition: a minimum of technical terms, solid introductory guidelines in exegetical method, and a valuable presentation of exegetical theory and practice. The new edition is even more ideal for general introductory courses in Old and New Testament, exegesis courses on specific books, homiletics and preaching courses, and courses focusing on historical topics.

This third edition of the Introductory Bibliography for the Study of Scripture builds on the two preceding editions. Older, obsolete titles have been eliminated, and newer relevant entries substituted, the twenty-four chapters of the book remain the same, but the contents of them have often changed. The book has been internationalized wherever possible and British publishers have been added to entries, when they could be ascertained. The aim of this revision remains what it has always been: to present a list of titles of reasonable length with which the student who is beginning the study of theology or of Scripture in a serious way might do well to familiarize himself or herself.

One of the chief difficulties in studying the history of Christianity is the lack of prior exposure to the subject that students often bring with them. Struggling to keep up with the large numbers of names, dates, and places presented to them, it is easy for students to lose sight of the "big picture," the broad sweep of movement and change that instructors most wish to communicate. Justo Gonzalez has written this book to help students gain just such a quick and basic grasp of the main periods and issues in the history of Christianity. Drawing upon his own extensive experience and that of others, he contends that having been introduced to the essentials of church history in a brief and accessible form, students are far better able to understand and appreciate what they encounter in more detailed lectures and reading. Gonzalez provides a comprehensive opening chapter that summarizes major issues and concerns of each of the principal eras of church history. Subsequent chapters focus on the ancient church, the Christian empire, the Middle Ages, the Reformation, the seventeenth through nineteenth centuries, and the twentieth century and the end of modernity.

Have you been skipping over references to time in the Bible because they seem too confusing? Professor Jack Finegan's updated and revised Handbook of Biblical Chronology clarifies ancient systems of time reckoning for serious Bible students.

From Abraham to Paul provides a readable presentation of factual information and responsible conclusions about this basic feature of biblical research.

The Chronology of the Old Testament has one goal to accomplish: to demonstrate "that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein." Author Floyd Nolen Jones carefully and thoroughly investigates that chronological and mathematical facts of the Old Testament, proving them to be accurate and reliable. This biblically sound, scholarly, and easy-to-understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries. Features: Scriptural solutions to many biblical mathematical controversies Sir Robert Anderson's calculation error corrected The 483-year prophecy of Daniel 9:25 explained A scriptural formula which biblically synchronizes the kingdoms of Judah and Israel 48 charts, graphs, and diagrams included in text Fully indexed with complete bibliography Supports and updates James Ussher's Annals of the World With reliable explanatory text, detailed charts, and diagrams, this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ. No Bible scholar should be without this indispensable reference tool.

Are You STUCK in a Broken Relationship? We've all been stuck: stuck in traffic, stuck in the mud, stuck in the middle... But getting stuck in a broken relationship is one of the worst places to be stuck. It leaves you hurt and confused: not knowing what to do next. If that's where you find yourself today, then STUCK may be the book to help you get unstuck. A Practical Guide to Broken Relationships. Remy Diederich goes beyond anger management and provides his readers with practical, spiritual insight into how to overcome anger. He offers helpful analysis of the question, What is anger? and then carefully suggests approaches, often step-by-step, to help you navigate the process of letting go of your anger and getting your life back on track. A Bible-based Approach on How to Forgive. Remy Diederich's writing is rich in biblical thought and counsel but not simplistic in its application or blind to the realities of human weakness. Issues of anger management, grief, boundaries, and how to forgive are carefully looked at from a spiritual perspective. He also includes a special section on how to forgive yourself. A Compassion, Realistic Approach to Reconciliation While encouraging reconciliation, the author is also aware that reconciliation is not always possible and offers alternatives. Because of STUCK's helpful "how-to" nature, you will want to highlight key thoughts and return to them again and again. What will you learn from STUCK? The answer to the question: what is anger? Seven reasons why those closest to you often tick you off How to take control of your anger and let it work for you Seven reasons you stay stuck in broken relationships Why grieving is so important after you lose a relationship A practical guide on how to forgive others How to help others forgive you and achieve reconciliation How to forgive yourself How to move on from your past and reclaim your life If you are "stuck" in a broken relationship, do yourself a favor and read this book. It could be just the thing you need to help you get unstuck and move on with your life. Still not sure? Go back to the top of this page and check out the "Look Inside The Book" feature to take a glance at how this book can help you "Mend and Move on From Broken Relationships"

One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-

Get Free Handbook Of Biblical Chronology Principles Of Time Reckoning In The Ancient World And Problems Of Chronology In The Bible

depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the "ins" and "outs" of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to this kind of study: (1) Christianity versus Skepticism, (2) Credibility and Candor of the New Testament Writers, and (3) Paul's Conversion: Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And, finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals, as well as many essays and sermons which are available on his website (www.freedominchrist.net). He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree (1999) from Erskine Theological Seminary.

Students of the New Testament are confronted with a vast amount of information, both biblical and extrabiblical. Chronological and Background Charts of the New Testament helps the student organize and synthesize this material by providing a helpful visual overview of the data, chronology, historical background, and criticism of the New Testament. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. The 90 charts in this updated, expanded edition are divided into four broad categories: general material, backgrounds to the New Testament, the Gospels, and the apostolic age. They cover a wide range of topics, from basic matters such as a chronological list of the books of the New Testament to less familiar subjects such as "The Roman Military System," "Rabbinic Writings," and "The Five Gospels of the Jesus Seminar." This volume is a useful tool for classroom use, for individual study, and as a handy reference.

Volume 1 of the book will discuss the true gospel of Jesus(as), which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the 'Son of Man' prophecy and the 'Kingdom of God' prophecy of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the "Son of Man" mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the "kingdom of God" refers to Islam. Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel(as). This prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth. Jesus(as) is expected to arrive in the sixty-ninth week of the countdown, and Prophet Muhammad(saw) will arrive in the seventieth week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their messianic mission will be accomplished) is a miracle or sign from God Almighty (Qur'an 20:133) and a clear evidence (Qur'an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there were Jews in Judea who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.

Sometimes reading like a historical novel, or a forensics detective story, a melodrama, or a scientific adventure, Nativity takes the reader on a fast, awesome ride of discovery into the real history and real people behind the birth of Christ. Nativity is the ideal reference for pastors, students, and laymen, combining scholarly depth and reliability in a popular writing style easily accessible to all with references for independent study. New elements of meaning and relevance to the Nativity Scientific evidence virgin births occur as often as identical twins but Jesus was one of a kind The life and death drama behind Joseph and Mary rarely told The real events of Bethlehem and Nazareth Herod amazing genius whose architecture excelled Rome, and kept his murdered wife in a jar of honey! Was Jesus incarnated from the time of the Fall? Is the Christmas tree a pagan idol or a biblical image of the Tree of Life? While vigorously defending the traditional faith, Richard Racy gives new insights and new theological perspectives guaranteed to inform and provoke while entertaining in a major new work on the birth of Jesus Christ. A revealing and thought-provoking new book that truly tells us the Christmas story, which we have never heard before!

Have you been skipping over references to time in the Bible because they seem too confusing? Professor Jack Finegan's "Handbook of Biblical Chronology" clarifies those ancient systems of time reckoning and the biblical passages that use them. Part 1, Principles of Chronology in the Ancient World, describes the origins of basic units of time and surveys the calendars used in the Ancient Near East through the Roman era. Part 2, Problems of Chronology in the Bible, discusses major periods of the Old Testament, as well as the lives of Jesus, John the Baptist, and the Apostles Peter and Paul.

The authors of this book have combined years of expertise and devotion to Scripture to provide a truly unique volume that sets forth concise, logical, practical guidelines for discovering the truth in God's Word. Ten years after its initial publication, the authors now have thoroughly updated it in light of the latest scholarship. "This is a remarkably comprehensive study of the whole area of biblical interpretation. Thoroughly evangelical, it also interacts with nonevangelical interpretational stances. No other volume available on biblical interpretation does so much so well." - Douglas Stuart, Professor of Old Testament, Gordon-Conwell Theological Seminary

Possess the Land: The Believer's Guide to Home Buying parallels the journey that the Children of Israel took with the journey of home buying. This step by step guide will teach you how to apply biblical principles to conquer the giants that have inhabited your promised land, increase your credit scores, decrease debt, and grow your savings account so that you can walk in the authority of God and receive the property that He has promised you.

Essential reading...enlightening and informative...you will be sure to learn something new. - Church of England Newspaper In this illuminating read, Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels. Drawing on a wealth of historical and archaeological research, the result is a startling and vivid new portrait of Yeshua ben Yosef - Jesus of Nazareth.

This collection of essays covers the four major periods of Israel's history and explores the theological, literary, historical, and archaeological dimensions of each era.

"Understanding Evangelicals: A Guide to Jesusland" encourages and challenges evangelicals to put their faith to work in the marketplace of ideas to bring about positive change in America.

Book and CD-ROM. The 'Chronology of the Old Testament' has one goal to accomplish: to demonstrate that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein. The author carefully and thoroughly investigates the chronological and mathematical facts of the Old Testament, proving them to be accurate and reliable. This biblically sound, scholarly, and easy-to-understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries. Were there 66, 70, or 75 'souls' in Egypt when Jacob arrived? Were the Hebrews in Egypt for 430 years, or a shorter length of time? How long did Jacob have to wait before marrying the first of Laban's daughters, and how long did he wait for the second? What year was Christ born? With reliable explanatory text, charts, and diagrams, this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ. Wall-sized chronological charts included on CD-ROM.

The Bible was the essence of virtually every aspect of the life of the early churches. The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception, canonization, interpretation, uses, and legacies of the Bible in early Christianity. Each section contains overviews and cutting-edge scholarship that expands understanding of the field. Part One examines the material text transmitted, translated, and invested with authority, and the very conceptualization of sacred Scripture as God's word for the church. Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions. Part Three addresses the diverse literary and non-literary modes of interpretation, while Part Four canvasses the communal background and foreground of early Christian interpretation, where the Bible was paramount in shaping normative Christian identity. Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches. Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors. The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later periods of church history. Taken together, the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields, including classics, biblical studies, the general history of interpretation, the social and cultural history of late ancient and early medieval Christianity, historical theology, and systematic and contextual theology. Readers will be oriented to the major resources for, and issues in, the critical study of early Christian biblical interpretation.
