Cultivate a love for science by providing standards-based practice that captures children's attention. Spectrum Science for grade 3 provides interesting informational text and fascinating facts about elements, compounds, irrigation, animal habitats, and the invention of radio. When children develop a solid understanding of science, they're preparing for success. Spectrum Science for grades 3-8 improves scientific literacy and inquiry skills through an exciting exploration of natural, Earth, life, and applied sciences. With the help of this best-selling series, your little scientist can discover and appreciate the extraordinary world that surrounds them!

With Scott Foresman Science, you'll spend less time planning for science and more time actually doing science. Our program provides inquiry-rich content with Scaffolded Inquiry(TM) activities; cross-curricular connections that link reading and science skills in every chapter; hundreds of Leveled Readers for differentiated instruction; and time-saving strategies--from lesson preparation to 30-second lab setup--that create extra time in your day.
