An elegant compilation of wisdom, guidance, and photography by the sea to inspire personal strength and inner peace. It reflects Harry's personal formula for living his best life, illustrated by 111 color photographs and carefully selected quotes. "Throughout my life, I've narrowed down key guiding principles as a foundation for living my best life. I choose to live by these and consider them in making my daily choices. These include having a humble perspective, being grateful, seizing my own personal power, self-reflecting, stepping out of my comfort zone, finding direction and purpose, having a strong work ethic, overcoming obstacles, making tough decisions, nurturing social connections, unlocking the heart, and achieving peace within. I have matched these key principles with my photography and meaningful quotes of others." -Harry L.
