In Big Apple Diaries, a heartfelt diary-style graphic memoir by Alyssa Bermudez, a young New Yorker doodles her way through middle school—until the September 11, 2001, terrorist attack leaves her

wondering if she can ever be a kid again. It's the year 2000 in New York City. For 12-year old Alyssa, this means splitting time between her Puerto Rican dad's apartment in Manhattan and her white mom's new place in Queens, navigating the trials and tribulations of middle school, and an epic crush on a new classmate. The only way to make sense of it all is to capture the highs and lows in doodles and hilarious comics in a diary. Then life abruptly changes on September 11, 2001. After the Twin Towers fall and so many lives are lost, worries about gossip and boys feel distant and insignificant. Alyssa must find a new sense of self and purpose amidst all of the chaos, and find the strength to move forward with hope.

\*An NBC Today Show Book Club Pick!\* \*A Seventeen Magazine Best YA Book of 2018!\* \*A Kirkus Best YA Fantasy Book of the Year\* \*A We Need Diverse Books 2018 Must-Read\* "Epic thrills, heart-punching romance, and a marvel of a hero" --Adam Silvera, New York Times bestselling author of *They Both Die at the End* The people of Uztar have long looked to the sky with hope and wonder. Nothing in their world is more revered than the birds of prey and no one more honored than the falconers who call them to their fists. Brysen strives to be a great falconer—while his twin sister, Kylee, rejects her ancient gifts for the sport and wishes to be free of falconry. She's nearly made it out, too, but a war is rolling toward their home in the Six Villages, and no bird or falconer will be safe. Together the twins must journey into the treacherous mountains to trap the Ghost Eagle, the greatest of the Uztari birds and a solitary killer.

Brysen goes for the boy he loves and the glory he's long craved, and Kylee to atone for her past and to protect her brother's future. But both are hunted by those who seek one thing: power. In this first young-adult fantasy novel in a trilogy, Alex London launches a soaring saga about the memories that haunt us, the histories that hunt us, and the bonds of blood between us.

A Spartan warrior-in-training decides to leave school—and the girl he loves—in this fantasy novella by the New York Times bestselling author. I'm Logan Quinn, the deadliest Spartan warrior at Mythos Academy. At least I was—until the day I almost killed Gwen Frost. Professor Metis and Nickamedes say that I'm fine, that Loki and the Reapers don't have a hold on me anymore, but I can't risk it. I can't risk hurting Gwen again. So I'm leaving Mythos and going somewhere far, far away. I know Gwen wonders what's happening to me, whether I'm safe. I can't tell her, but this is my story.

The bestselling adaptation of the iconic video game Halo: Combat Evolved featuring the Master Chief—part of the expanded universe based on the award-winning video game series! 2552. Having barely escaped the final battle for Reach against the vast alien alliance known as the Covenant, the crew of the Pillar of Autumn, including Spartan John-117—the Master Chief—and his AI companion Cortana, is forced to make a desperate escape into slipspace. But their destination brings them to an ancient mystery and an even greater struggle. In this far-flung corner of the universe floats a magnificently massive, artificial ringworld. The crew's only hope of

survival is to crash-land on its surface and take the battle opposing the Covenant to the ground. But they soon discover that this enigmatic ringworld is much more than it seems. Built one hundred thousand years ago by a long-lost civilization known as the Forerunners, this “Halo” is worshipped by the Covenant—a sacred artifact they hope will complete their religious quest for supposed transcendence, and they will stop at nothing to control it. Engaging in fierce combat, Master Chief and Cortana will go deep into the Halo construct and uncover its dark secret and true purpose—even as a monstrous and far more vicious enemy than the Covenant emerges to threaten all sentient life on Halo and the galaxy beyond...

Ethan is a member of the Named, sworn to fight the Order of Chaos, an evil group determined to permanently change the course of history. But he is also a normal high school student trying desperately to keep up with his homework and fit in. When he is assigned to mentor Isabel, a cute classmate and future member of the Named, the line between his two lives begins to blur. So begins an epic quest as Ethan, Isabel, and others travel through time to battle dark forces and protect the future. From the New York Times bestselling author of the Halo trilogy comes a beautiful and powerful new novel. Alex is more real than anyone I've ever known. And him being dead...really doesn't change a thing. After the loss of her mother, Chloe Kennedy again starts seeing the ghosts that haunted her as a child. Spending time at her grandmother's country estate in England is Chloe's chance to get away from her grief and the spirits that

trouble her. Until she meets a mysterious stranger... Alexander Reade is 157 years dead, with secrets darker than the lake surrounding Grange Hall and a lifelike presence that draws Chloe more strongly than any ghost before. But the bond between them awakens the vengeful spirit of Alexander's past love, Isobel. And she will stop at nothing to destroy anyone who threatens to take him from her. To stop Isobel, Chloe must push her developing abilities to their most dangerous limits, even if it means losing Alex forever...and giving the hungry dead a chance to claim her for their own.

This breathtaking sequel to *The Beholder* will take you on a journey into a darkly sparkling fairy tale, perfect for fans of *The Selection* and *Caraval*. When Selah found true love with Prince Torden of Norway, she never imagined she'd have to leave him behind. All because the *Beholder's* true mission was a secret Selah's crew didn't trust her to keep: transporting weapons to the rebels fighting against the brutal tsarytsya, whose shadow looms over their next port of Shvartsval'd. A place Selah hoped she'd never go. But gone is the girl who departed Potomac filled with fear. With a stockpile of weapons belowdecks and her heart hanging in the balance, Selah is determined to see the *Beholder's* quest to its end.

Named one of the best 25 space opera books by BookRiot! The first book in a scifi retelling of the Mahabrahata. When Esmæ wins a contest of skill, she sets off events that trigger an inevitable and unwinnable war that pits her against the family she would give anything to return to. In a universe of capricious gods, dark moons, and kingdoms built on the backs of spaceships, a cursed queen sends her infant daughter away, a jealous uncle steals the throne of Kali from his nephew, and an exiled prince vows to take his crown back. Raised alone and far away from her home on Kali, Esmæ longs to return to her family. When the King of Wychstar offers to gift the unbeatable, sentient warship Titania to a warrior that can win his competition, she sees her way home: she'll enter the competition, reveal her true identity to the world, and help her famous brother win back the crown of Kali. It's a great plan. Until it falls apart. Inspired by the Mahabharata and other ancient Indian stories, *A Spark of White Fire* is a lush, sweeping space opera about family, curses, and the endless battle between jealousy and love. The love between angel Bethany and her mortal boyfriend, Xavier, is put to an ultimate test when they marry against Heavenly law and are subjected to punishment by rogue angels who want to darken angelic power in the heavens. In alternating chapters, the story tells of the mermaid Syrenka's love for Ezra in 1872 that leads to a series of horrific murders, and present-day Hester's encounter with a ghost that reveals her connection to the murders and to Syrenka.

But it seems Nikki has touched his heart, and surprisingly, Cole agrees to help in the only way he can - by taking Nikki to the Everneath himself. As they descend into the heart of the Everneath Nikki and Cole discover that their journey will be more difficult than they'd anticipated, and more deadly. Nikki vows to stop at nothing to save Jack - even if it means making an incredible sacrifice of her own...

Halo Boxed Set Contact Harvest, Ghosts of Onyx and The Cole Protocol Contact Harvest: This is how it began... It is the year 2524. Harvest is a peaceful, prosperous farming colony on the very edge of human-controlled space. But we have trespassed on holy ground--strayed into the path of an aggressive alien empire known as the Covenant. What begins as a chance encounter between an alien privateer and a human freighter catapults mankind into a struggle for its very existence. But humanity is also locked in a bitter civil war known as the Insurrection. So the survival of Harvest's citizens falls to a squad of battle-weary UNSC Marines and their inexperienced colonial militia trainees. In this unlikely group of heroes, one stands above the rest...a young Marine staff sergeant named Avery Johnson. Ghosts of Onyx: The Spartan-II program has gone public. Tales of super-soldiers fending off thousands of Covenant attacks have become the stuff of legend. But just how many Spartans are left? While the Master Chief defends a besieged Earth, and the myriad factions of the Covenant continue their crusade to eliminate humanity, an ultrasecret cell of the Office of Naval Intelligence known as Section Three devises a plan to buy the UNSC vital time. They're going to need hundreds of willing soldiers though...and one more Spartan to get the job done. The planet Onyx is virtually abandoned and the perfect place to set this new plan in motion. But when the Master Chief

destroys Halo, something is triggered deep within Onyx: Ancient Forerunner technology stirs, and fleets of UNSC and Covenant race to claim it to change the course of the Human-Covenant War. But this reawakened and ancient force may have plans of its own... The Cole Protocol: In the first, desperate days of the Human-Covenant War, the UNSC has enacted the Cole Protocol to safeguard Earth and its Inner Colonies from discovery by a merciless alien foe. Many are called upon to rid the universe of lingering navigation data that would reveal the location of Earth. Among them is Navy Lieutenant Jacob Keyes. Thrust back into action after being sidelined, Keyes is saddled with a top secret mission by ONI. One that will take him deep behind enemy lines, to a corner of the universe where nothing is as it seems. Out beyond the Outer Colonies lies the planet Hesiod, a gas giant surrounded by a vast asteroid belt. As the Covenant continues to glass the human occupied planets near Hesiod, many of the survivors, helped by a stronghold of human Insurrectionists, are fleeing to the asteroid belt for refuge. They have transformed the tumbling satellites into a tenuous, yet ingenious, settlement known as the Rubble--and have come face-to-face with a Covenant settlement of Kig-Yar . . . yet somehow survived. News of this unlikely treaty has spread to the warring sides. Luckily for the UNSC, this uneasy alliance is in the path of the Spartan Gray Team, a three-man renegade squad whose simple task is to wreak havoc from behind enemy lines in any way they see fit. But the Prophets have also sent their best---an ambitious and ruthless Elite, whose quest for nobility and rank is matched only by his brutality . . . and who will do anything to secure his Ascendancy and walk the Path.

Angels and demons do battle for a girl possessed by the spirit of a powerful, dead angel in this fabulous paranormal debut by Sabrina Benulis. Archon is the first of the Books of Raziel,

a truly fantastic and very hip new take on heaven's warriors that readers of the angelic novels of Danielle Trussoni, Lauren Kate, Becca Fitzpatrick, and Alexandra Adornetto are sure to adore. Archon is new wave urban fantasy, a tale of the supernatural that brilliantly blends passion, obsession, horror, and suspense in a way that will appeal to dark fantasy fans and paranormal romance readers equally. Sabrina Benulis's angels are creepy, sexy, and totally awesome—and, like Anne Rice's amoral, ambiguous, and addicting vampires, they will seduce and terrify you at the same time.

In nome dell'amore, Bethany e Xavier hanno affrontato prove durissime. Pur di restare l'uno accanto all'altra, hanno deciso d'ignorare la regola che vieta a un angelo come Bethany di legarsi a un mortale, hanno sconfitto Jake Thorn, il demone che aveva terrorizzato la cittadina di Venus Cove, e hanno sfidato persino l'ira del Signore degli Inferi. Ora che sono miracolosamente tornati dal Regno dell'Ade, desiderano soltanto sposarsi e iniziare una nuova vita insieme. Tuttavia, non appena si scambiano le fedu nuziali, un Angelo della Morte piomba su di loro per riportare Bethany in Paradiso: con quel gesto, infatti, lei ha violato le leggi del Cielo e per questo deve essere punita. Ancora una volta, Bethany e Xavier sono costretti a scappare e a rifugiarsi in uno chalet nascosto tra le montagne. Ma i due ragazzi non immaginano di essere stati seguiti dai membri del Settimo Ordine, gli angeli rinnegati che vogliono conquistare il dominio assoluto dei Cieli e degli Inferi. Perché Bethany è la chiave per portare a termine il loro piano...

Psychic...or psychotic? Anna knows her family is crazy. But when she goes to visit her aunt and uncle for the summer and learns that her uncle's charred body has been found, her life reaches a new level of insanity. Her erratic aunt's "psychic" abilities are exaggerated by her grief, and have become borderline violent. Alone in an unfamiliar town, Anna struggles

to pick up the pieces and establish any sense of normalcy. She desperately wants to trust Zack, the cute boy next door, but even he might know more about the incident than he is letting on. But when Anna starts feeling an inexplicable pull to the site of her uncle's murder, she begins to believe that her family's supernatural gifts are real after all. Torn between loyalty and suspicion, Anna is certain of only one thing: she must discover who killed her uncle or she could be next....

Three angels are sent down to bring good to the world: Gabriel, the warrior; Ivy, the healer; and Bethany, a teenage girl who is the least experienced of the trio. But she is the most human, and when she is romantically drawn to a mortal boy, the angels fear she will not be strong enough to save anyone—especially herself—from the Dark Forces. In *Red Skies Falling*, Alex London's thrilling sequel to *Black Wings Beating*, the epic fantasy *Skybound Saga* continues as twins Kylee and Brysen are separated by the expanse of Uztar, but are preparing for the same war--or so they think. Kylee is ensconced in the Sky Castle, training with Mem Uku to master the Hollow Tongue and the Ghost Eagle. But political intrigue abounds and court drama seems to seep through the castle's stones like blood from a broken feather. Meanwhile, Brysen is still in the Six Villages, preparing for an attack by the Kartami. The Villages have become Uztar's first line of defense, and refugees are flooding in from the plains. But their arrival lays bare the villagers' darkest instincts. As Brysen navigates the growing turmoil, he must also grapple with a newfound gift, a burgeoning crush on a mysterious boy, and a shocking betrayal. The two will meet again on the battlefield, fighting the same war from different sides. But the Ghost Eagle has its own plans.

A conclusion to the trilogy that includes *Of Poseidon and Of Triton* finds Emma and Galen pursuing alone time in the small
