The first time I saw him, he entranced me and offered to help me forget my broken engagement. The second time was on a blind date with no last names and undeniable passion. The third time, I was eight months pregnant with his baby he knew nothing about. This time he's not letting me walk away so easily.

The final book in the completed psychic detective series. Jane's life had never been ordinary. Why should it start now? When she found out she could make the angels she saw become corporeal, there was no way she could stop at just one, not when she could have all of them. It's hard to juggle three angels in her life and in her bed, but between her wits and their powers, Jane's detective agency has never done better. Now, a handsome billionaire needs her help solving a theft at the fashion show he is staging, but her services aren't all that he's after, and there's more going on behind the scenes than Jane could imagine, both on the case and in the heavens above. Crazy fashionistas, rogue angels who want Jane's special gifts, and a greater threat from on high won't hinder Jane from solving the mysteries of Blessed Falls... or die trying.

freedom. Except even with the bullies that harassed me out of the picture the past is hard to shake. New obstacles emerge, along with old hang-ups and bad habits. I know the guys; Oliver, Jackson, Anderson and Hayden have my back, but what happens when outside forces threaten to tear us apart? Find out in *Holding on to Heaven* the second installment of *The Allendale Four* series. This book contains content involving older teens, in a college setting along with social issues, depression and suicide.

THE WOLF MUST HAVE A MATE TO SURVIVE...

Nicolas was the strongest and fiercest of the Draicon, until he was banished for a trumped-up crime. Now the werewolf has only one path to redemption: find the Draicon's long-lost empath, the woman who will save the pack--and Nicolas himself--from terrible danger. Maggie Sinclair is a veterinarian, dedicated to healing. She has no idea of her true nature, the magic waiting in her soul--or the man coming to claim her. The survival of their pack depends on them finding each other, on their ability to become one. But their enemies have also found Maggie, and will kill to stop her awakening to an all-consuming passion...

For better or worse Jane has three problems. Michael, the sexy archangel who says all the right things. Gabriel, the party boy with abs of steel. And Lucifer, the devil in the sack. Sure, it's hard to juggle the three of them, but Jane wouldn't have it any other way. Or would she? When a new case opens at a local beach resort, netting Jane and her three sexy angels a free all-expenses paid vacation if she can catch the crooks, well, Jane just

might find she enjoys the simple pleasures of free margaritas, shirtless hotties, and massages. There's just one more problem. She actually has to solve the case. If you could wish for anything, what would you wish for? When Max gets a magic amulet that makes nearly every desire come true, she'll learn the truth of be careful what you wish for. However, magical hijinks aren't all that Max has to worry about. With her hard-working parents strained to pay her tuition, Max's only chance to stay in Winchester Academy is to win the scholarship at the big school fair. Of course, to win, she has to beat her bully of a rival, wow the entire school, and juggle four guys vying for her attention. Nothing a few wishes, a little magic, and a lot of luck can't handle ... she hopes!

The first book of the completed psychic detective series Jane has a problem. She can see angels, and not just any angels, but archangels. There's Michael, tough, gorgeous, and smarter than Sherlock Holmes. Lucifer, the bad boy you love to, well, love. And Gabriel? Well, he's like the best friend she always wanted, only with washboard abs. Together they make an awesome team when they aren't trying to figure out a way to screw like bunnies. Or, at least, they will when a girl goes missing. Now it's up to Jane and her angels to crack the case, bring the girl home, and save the day. ...and this time, she might find that helping gets her what she's really wanted all along.

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest--wait no-forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my bestfriend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail, my world is turned

upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break. By the end of the day, I'll be dead. Every person in the City of Crimson has the date of their death inked onto their skin. On that day, an Assassin of the Order of Zeevar comes to sacrifice our lives to the God of Resurrection. Children who survive are given the highest honor in the city - the opportunity to serve Zeevar and the Order themselves as one of the four Mages. But people like me have no chance of passing the gruesome Trials. Four sexy-as-sin guardians aren't likely to volunteer themselves for protection duty, and one does not survive InkHaven Academy by sheer, dumb luck. Right? I'm an all-or-nothing man—100 percent focused on whatever has my attention. First it was serving my country in the Special Forces. Then it was building my business. Right now it's the hot blonde at the bar who's about to become another notch on my bedpost. But women never keep my attention for more than a night. Until I peel off Skylar Anderson's clothes and her mask starts to crumble, showing me glimpses of the girl she's hiding. She's funny, sexy and vulnerable and throws me out of bed before I can catch my breath and suggest breakfast. When I start my last undercover job on a yacht, turns out, she's one of the crew. I try, but I can't look away. Her high ponytail shows off her kissable neck that tastes like summer. Her short uniform reveals the killer legs that were wrapped around me last night. And her provocative smile? I know what that mouth is capable of. I want to explore her body, discover her secrets and sail off into the sunset with her. I might want to go all in for Skylar, but she should stay

THE ZODIAC CURSE is an enticing new reverse harem urban fantasy world featuring two tandem series - Harem of Shadows by Amber Lynn Natusch and Harem of Light by C.N. Crawford.Eve Carmichael can't wait to graduate from college and move on with her life. Loner, outcast, and enemy of the dean, she tried her best to fit in, but all the money in the world can't buy genuine friends-or anonymity.Then things take an unexpected turn when she witnesses a murder on campus. Especially because there's no evidence a crime ever happened the next day, and the five men responsible disappeared into thin air.As she tries to unravel the mystery behind the phantom homicide, she finds herself on a dark and familiar path. With no-one else to trust, she seeks the help of an unlikely-but alluring-group of men. A group of men with one thing in common-an undying interest in her.For better or worse, the rocker, the wanderer, the student, the therapist, and the adviser all have a part to play in fulfilling her destiny. Hopefully they can awaken her to the danger closing in before Eve gets herself killed.

Welcome to The Fallen Angels, where heaven couldn't control us and hell can't contain us. Some monsters are born into this world, while others are made. Some fall from Heaven, while others rise up from Hell. Me? I wasn't just made, I was created. An angel is what my parents called me, but when I witnessed their murders, brutal and sadistic, that night, I clipped my own wings. A Fallen Angel, that's what I became that night. Five feet one, red hair, round innocent face with baby fat still present in my cheeks, pink pouty lips, I

can walk straight up to the enemy and put a bullet in his head before he even knows what's happening. No one who isn't a member of The Fallen Angels knows my real identity, and I always personally take care of anyone who even begins to come close. Who am I now you ask? Well, I'm Sweets. The innocent-looking devil who kills without conscience or regret, all with a smile on my face and a lollipop in my mouth. I'm Sweet Chaos on your best of days, so imagine me on your worst, and there's no man alive who doesn't fear the power I wield. Well, that's what I thought, until I met four. They thought me to be the innocent little flower, until I showed them my thorns. And guess what? They held me anyway. Everyone knows my heart is a block of ice, but what happens when four handsome, dominant, possessive bikers decide that I belong to them, and that I don't have a choice in the matter. This is a Reverse Harem, why choose romance, where the female main character doesn't have to choose how many or who to love. This novel contains strong language, violence, sexual content, and dominant anti-hero assholes who you can't help but love. May not be suitable for anyone under the age of 18.

From bestselling author L A Cotton, comes an opposites-attract sports romance. Angst... drama... friendship... and football. Will you survive senior year? Lily Ford has always been a wallflower. But it's senior year, and she wants nothing more than to try and push her boundaries and embrace the last year of high school. Kaiden Thatcher has always been the star on the football field. But now he finds himself in enemy territory forced to prove himself to his new coach and teammates. It starts with a dare. Seven minutes of heaven in a boat shed. But it quickly turns into something neither of them saw coming. He's everything she should resist. She's

everything he shouldn't want. But neither of them are willing to walk away because together, their demons seem that little bit easier to silence. There's just one problem ... Lily is the coach's daughter. And one hundred percent off-limits.

An academy reverse harem fantasy romance series. I shouldn't be here, and everyone knows it. Blackbriar Academy is an enchanted school on a magical island, and everyone wants in. It's a home away from home for the most advanced mages in the world-and only the absolute best of the best are given an invitation. By some freak accident, I managed to get one. If I pass the trials, I get to stay. With nowhere else to go, Blackbriar is my one shot at having a real life, and I won't let anyone take this from me. But there's a catch. It turns out the people on this island are being trained to hunt the darkness-basically, they're being trained to hunt me. To survive, I have to hide what I am. As a half-mage, I shouldn't have any magic at all. And yet, my natural abilities are almost impossibly powerful-and incredibly illegal. Over history, magic like mine has corrupted the souls of those who were born with it. They've all gone dark-razing towns and murdering hundreds of thousands throughout history. All but me, and I have no idea why. As the trials get more and more challenging, it's clear I'm being hunted. If I'm caught... I die. At Blackbriar Academy, nothing is ever as it seems... but I have nowhere else to go. Nothing, and no one, will stand in my way. A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is

thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

I'd spent my entire life feeling like I couldn't breathe. Like I was unfit to even exist in a world controlled by elemental magic, as the only one without a single drop coursing through my veins. I was a magical dud, a misfit thrown into an orphanage by my parents as a baby and forced to work a dead end job at a magical coffee shop just to get by. In a place where everyone was extraordinary I had come to terms with being ordinary. Until my twentieth birthday when my life went up in flames- literally. But when my best friend is captured by a fire wielding psychopath who also turns out to be my fated mate I realize that there is no limit to how much of a hot mess my life can be. Great. Secrets about my past are uncovered and I find out I'm an eden, a mage with an affinity for all four elements. Only an eden can unite all of the elemental mages and unite the country against

upheaval. I was prepared to master the four elements, but I wasn't prepared to fall for the three hot elemental princes who were tasked with helping me save the world. No pressure, right?

Maya Rose has a problem. She's the last in her line of dragon shifters, and if she doesn't produce an heir soon, it could be disastrous for her kingdom. In order to remedy this, her father, the king, has gathered the greatest heroes from across the lands, and set them on a quest to not only save the kingdom, but to win Maya's love. Should they succeed, they will become her husband and rule by her side. Should they fail to win her love, death is the only answer. But with so many dashing men willing to do anything to win her hand, how is a girl to choose? Then again, no one ever said she had to pick just one. After all, the fate of the realm is at stake, and maybe this time, more is merrier.

She's young, innocent and rich... Catarina Mendes, at twenty-one, is finally a free and independent woman. However, it's freedom at a price.... Bound to a stranger... Jake Ramirez has become guardian to Cat. He must protect her from unscrupulous men and find her a husband. By her most precious gift! Jake is overwhelmed by Cat's beauty, but she's still a virgin. Can he resist bedding her--before he finds her a suitable husband...? There are two ways of getting home; and one of them is to stay there. The other is to walk round the whole world till we come back to the same place; and I tried to trace such a journey in a story I once wrote. It is, however, a relief to turn from that topic to another story that I never wrote.

As an English major and the editor of the Literary Magazine at Denberg University, I'm fully focused on school. Struggling with being the utter disappointment of my parents--who happen to be two amazing academics--I'm doing my best to prove myself. Stranded on campus with nowhere to go this holiday season, I'm determined to stay on task. But then, Maven Stone calls my name, and everything changes... Suddenly, I'm on a whirlwind vacation with Maven and his two fraternity brothers, Chance Montgomery and Banyan Iburgess, chasing dreams I never knew I had. I'm Giovanna Amsel, and this is the first part of our unconventional love story. I'm possessed. Deadly. Raised as a vampire, I'm no stranger to blood. But when power-hungry supes force a ritual on me, I become something else entirely: The Black Widow. At first, my only companion is the spider that lives within me. She makes me strong, and I revel in that power, but it's fueled with the need to feed.

Unfortunately, carnal cannibalism isn't exactly trending. But in order to survive, I have to feed off the essence of my victims. By the time they see the hourglass on my

throat, I'm draining them dry. But there are more supes like me. Abducted victims forced into possessions that change their lives forever. I'm determined to save them all. With the help of a hybrid and his crow army, a risk demon, and a rare gargoyle, I put a plan into motion that will end Spector Inc.'s plan to make an army of stronger, deadlier supes. I just hope I can handle this wicked web of lies and make it out alive.

In helping someone I love, I lost my life. Or did I? Cut off from my body, I live in the home of a god who's willing to train me, to help me fully embrace my powers, both as a witch and as a reaper. But while I lay in a coma, the men I left behind suffer, desperate to find a way to bring me back. I want to return to them, but our family is not complete. One is missing, a member of the coven who was lost before they found me. And I must go on a quest to Purgatory and bring him back, or we'll forever be incomplete. I'm coming home to my men, to my family, but will my return bring relief or doom us all?

Fire destroys everything it touches. The elemental carriers were right when they said that it was the most potent gift. Ever since I unlocked mine, my mind hasn't felt the same. It was a surge of power I wasn't expecting, but now I'm out for vengeance. Vengeance against Asher, Jade, and anyone who's ever done me wrong. I'm not the lost eden anymore, now I'm dark- and there's no turning back.

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat*

What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more

An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain.

Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion,

love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

The beauty of an Angel. The Heart of the Devil. A war is about to be waged for her soul. Can love prove to be the one saving grace that Lucifer cannot master? Reckless.

Impetuous and arrogant. Amara is Lucifer's daughter in every way. In the high court of hell, no one has captured more angels than she has. But she has never felt anything for them. Not until him. The high counsel of Heaven sent their mightiest warrior, Cathal, to kill Amara and snuff out the danger she presents. But her beauty causes him pause. He senses the tremble. A flicker of goodness buried deep inside of her. If Cathal can kindle the spark and allow that goodness to grow, he can save her from herself and from inheriting the flame of hell. As the gladiator games for her hand in marriage heat up, can Amara find the strength to come out of the dark and stand in the light?

Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ

they all think I am and build my own. Are good and evil really as black and white as they're trying to make them out to be? One woman. Four weeks. Five men. Just one chance. After years of putting love on the back burner and struggling to break into Hollywood as an actress, I couldn't help myself. I jumped on an opportunity to do both--by accepting the chance to be the pursued woman in a reality television show called Matchmaker. Choosing among five men hand-picked specifically for me should be easy, but by the time I've discovered that not all of the men are ideal, it's way too late. There's no getting out of this contract. And when I attempt to salvage the situation, I'm met with the harsh reality that I don't really have a choice after all... One-click to start this steamy romance today!
