Poetry. "HIDDEN DEATH, HIDDEN ESCAPE is an occulted text osmotically invading the public soil by spawning its cyclic seed in the most fertile territory. By an ingenious language, Liviu Georgescu's wayward helium imagination becomes an existential zone diving in the darkened nautical scars of being. His poems transmute the waters from the Transylvanian Alps to a scorpion running through a purgatorium. His poetry, in contrast to quotidian description, opens up a visionary fervor invoking a tradition which runs from Blake and Holderlin through T.S. Eliot and Breton into the present"-Will Alexander.

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

A latest entry in the popular series reveals the secret history of the Tulsa House of Night's darkly seductive High Priestess, Neferet, tracing her past as a motherless girl in turn-of-the-century Chicago whose beauty renders her an object of unwanted attention and abuse, and who gains vengeful, magickal strength after being Marked.

Through poetry and story, *Daydreams and Night Visions* moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give

hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet – which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more – or possibly less – than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him – and everyone – from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

I'd known it before we saw the fire trucks and the smoke. I'd known all hell had broken loose at the House of Night the moment it had been proven beyond all doubt that Neferet was on the side of Darkness. Only now I had a terrible feeling that outing Neferet would serve more to free her than to force her to pay the consequences for her lies and betrayals. At last, Zoey has what she wanted: the truth is out. Neferet's evil has been exposed, and the High Council is no longer on her side - but she's far from done wreaking havoc in the vampyre world. With the seeds of distrust sown and Darkness breeding chaos at the House of Night, everyone must band together - but that's proving to be more difficult than ever before. The twins are barely speaking and the House of Night's former enemy, Kalona, has now become their warrior, pushing their

trust to the limits. To top it all off, Zoey is pretty darn sure she might be losing her mind - she saw something when she looked at Neferet's minion, Aurox, through the Seer Stone that she can hardly explain to herself, let alone her friends. Zoey knows that following her instincts might be just what they need to defeat evil... but if she's wrong, it could cause the destruction of those closest to her. With the tension at a breaking point and friendships on the line, can the nerd herd come together to stop the spread of Darkness before it's too late?
