

Highland Wolf Pact Selena Kitt

An exciting account of the origins of the modern world Who formed the first literate society? Who invented our modern ideas of democracy and free market capitalism? The Scots. As historian and author Arthur Herman reveals, in the eighteenth and nineteenth centuries Scotland made crucial contributions to science, philosophy, literature, education, medicine, commerce, and politics—contributions that have formed and nurtured the modern West ever since. Herman has charted a fascinating journey across the centuries of Scottish history. Here is the untold story of how John Knox and the Church of Scotland laid the foundation for our modern idea of democracy; how the Scottish Enlightenment helped to inspire both the American Revolution and the U.S. Constitution; and how thousands of Scottish immigrants left their homes to create the American frontier, the Australian outback, and the British Empire in India and Hong Kong. How the Scots Invented the Modern World reveals how Scottish genius for creating the basic ideas and institutions of modern life stamped the lives of a series of remarkable historical figures, from James Watt and Adam Smith to Andrew Carnegie and Arthur Conan Doyle, and how Scottish heroes continue to inspire our contemporary culture, from William “Braveheart” Wallace to James Bond. And no one who takes this incredible historical trek will ever view the Scots—or the modern West—in the same way again.

Tara's husband has never shared a fantasy with her, or even masturbated--that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT:“Seeing you dancing out there with Kelly—you don’t know how sexy you are, do you?” he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine.“You two rubbing up against each other, seeing your red little dress riding up and up,” he whispered, his hand pushing my dress up further as he sought higher ground on my leg. “You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering.”I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. “I wanted to fuck you right there on the dance floor,” he growled against my neck, biting and sucking at my flesh. “I wanted to fuck you both.”I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift

to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood. He's big. He's bad. And he only wants one thing. Revenge. Ric Ryker spent years being called "Big Dick." Ridiculed for his weight, shunned by all the pretty girls, snubbed by all the cool guys. But after a secret journey of transformation, he's back--ready to take over leadership from his father at Ryker Arms--with an impressive new physique and a plan to prove them all wrong. Especially her. The one woman who hurt him the most. Annalesa--sweet, smart, stunning. And his stepsister. The girl he could never have. The girl who wouldn't look twice at him anyway--especially in front of her stuck-up friends. Now he's going to make her want him. Show her just what she was missing. And hurt her, just like she hurt him. He's got the weapon and he's taken aim--but he didn't count on his own heart getting caught in the crossfire.

Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man she's never

even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

“Lead us not into temptation...” ~Matthew 6:13 What happens when you fall in love with your best friend's father? Leah is a good, Catholic girl, and she and Erica have been best friends since their first communion. Sure, Erica's father is handsome and charming, but Leah spends so much time at the Nolan's—just Erica and her famous, photographer father now, since Erica's mother died—that she's practically part of the family. Both girls have led privileged, sheltered lives and are on the “good girl” track at St. Mary Magdalene's Preparatory College, Leah pursuing her love of dance and Erica sating her endless curiosity as editor of the newspaper. Neither of them could have ever imagined that one fateful discovery will not only push the boundaries of their strict, repressive upbringing, but the bonds of their friendship as well. Leah certainly never could have imagined finding herself torn between her best friend and her best friend's father. Sure, Leah's mother had always talked about Mr. Nolan as “a catch,” but Leah herself had never thought of him as anything other than just Erica's dad—until the girls discover something darkly erotic under Mr. Nolan's bed, a deep, shameful secret that will not only lead them into temptation, but will deliver them into a far greater revelation than any of them could ever have imagined. If you read the original *Under Mr. Nolan's Bed*, you will find this retelling a richer experience with deeper secrets to reveal—and don't miss *Under Mr. Nolan's Bed: CONFESSIO*N, the second installment in the three-part series!

From NEW YORK TIMES Bestselling & Award-Winning Author Selena Kitt - OVER 2 MILLION BOOKS SOLD! Selena Kitt's *Girls Only*—where the girls get naughty together, but it feels oh, so good! Paige isn't looking forward to chaperoning her younger sister's Girl Scout Troop for a camping trip outing—burning S'mores, telling the same old ghost stories and listening to little girls giggle all night long—until she meets the new Girl Scout Troop leader, Brandi. The petite blond is just her type, so when a tent mishap leaves Paige without one, forcing the two women to share, the trip goes from tame to thrilling faster than either of them could have imagined. Warning: This title contains hot panty-melting girl-on-girl action! EXCERPT: What can you do with a dozen fourteen-year-old Girl Scouts, three dozen Hershey's chocolate bars, two boxes of graham crackers and four bags of marshmallows when you're thirty miles from any known civilization? Paige could think of a few things, not the least of which involved going to prison for homicide—those pointy marshmallow sticks would make a great weapon, she mused—but she gritted her teeth and agreed to take them all down to the lake to swim so Brandi could finish setting up camp. "Are you sure you know how to pitch a tent?" Paige asked doubtfully, watching the other "adult volunteer" in their little band of merrymakers pulling tent poles out of a bag. Even though Brandi had taken charge once the bus had arrived at the camp site, barking orders clearly enough to get the girls moving, setting up their tents and unpacking their gear, Paige still wasn't quite sure Brandi knew what she was

doing, exactly. Maybe it was her own brunette's natural prejudice against the petite blond—or maybe it was Brandi's bright idea that using some of the kerosene would help the fire start a little faster. Paige had thankfully made it to the girls before they tried that brilliant idea, or all of them would have gone home to their parents without eyebrows. "I'll be fine!" Brandi blew a stray length of blond hair out of her eyes, sitting back on her heels in her hiking boots. She was wearing her green Girl Scout sash with all her badges, everything from her Brownie wings to her Senior Scout badge and Paige had to resist the urge to make a joke about Girl Scout cookies being made from real Girl Scouts so hard she actually bit her tongue. "Please, just take the girls down to the lake. Let them swim and have fun. I'll finish up here." "If you're sure?" Paige glanced over at the giggling group of girls, already in their suits, towels slung over their shoulders, among them Paige's little sister, Jess—the sole reason she'd agreed to come along on this exasperating outing in the first place. "Go!" Brandi insisted, flashing her a very broad smile as she struggled with the tent bag. "I'll have it all fixed up by the time you get back. That's your tent, isn't it?" "Uh, yeah, but..." Paige looked over at her gear—less than half of what most of the other girls had dragged along. She was a seasoned camper, even if she'd never been a Girl Scout. "I'll set your tent up too, as payback, okay?" Brandi stood, brushing her hands off on her khaki shorts and shooing Paige toward the waiting gaggle of girls. "Then we can get that fire going and roast hot dogs and marshmallows!" "Okayyy, but no kerosene, right?" Paige backed away, still doubtful, but there was no arguing with that blinding, over-confident smile and squeaky reassurance. Besides, what trouble could she get into setting up tents, Paige reasoned, directing her charges down the path toward the beach. His eyes lit up when he saw me and he let out a low whistle.“Where's the KY?” he asked.I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing out the tubes.He threw one back at me. “For the bathroom. Leave it on the counter.”I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table.“What are you doing?” I put my hands on my hips and cocked my head at him.“Tactical maneuvers.” He looked over at me with a grin. “Reinforcing my supply lines.”I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top.“Angel and slut.” His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around.Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible.I reached down and tugged on his shaft, rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet.Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass.I put my hands behind my back as I sucked him, crossing my arms at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.

Tasha convinces her husband, Max, to buy her a Sybian, but he only agrees if she can come up with a business plan to pay for it. Determined to keep her promise, she creates The Sybian Club and begins bringing women to the basement room set up just for her new toy. It becomes so popular, she has to enlist the help of new friend, Ashley, to keep up with the demand, and the women enjoy an exciting ride as the business thrives. But Tasha has developed feelings for Ashley, and doesn't know how to tell her husband that she wants to add more to their sex life than just a new toy...-----Warnings: This title contains erotic situations, a menage a trois (MFF threesome), lesbian and anal sex and a "marital aid" that will put vibrators to shame!-----EXCERPT:"Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?"Kim cleared her throat and couldn't help but smile. "Yeah, sure." "And it isn't always easy to be interested, when you're already tired, and you've spent all day picking up after the kids and cooking dinner..."

Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?" Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..." Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching. "Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs. Tasha smiled. "Better. Ready to try it?" Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely nude, except for a pair of purple socks. "Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing had been replaced by anticipation. Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft. "These are the controls, like you saw in the video. This one is vibration, this one is rotation." Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it. "Once you get the hang of the controls, I can go, if you want me to," Tasha said. Kim flicked the switch marked "vibration," smiling at the sensation between her thighs. "Mmm... nice." Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."
