

## Hindi Sparsh Class 9 Guide

Gives an understanding of the glorious intellectual and spiritual tradition of (a) great country.' Albert Einstein Written over five months when Jawaharlal Nehru was imprisoned in the Ahmadnagar Fort, The Discovery of India has acquired the status of a classic since it was first published in 1946. In this work of prodigious scope and scholarship, one of the greatest figures of Indian history unfolds the panorama of the country's rich and complex past, from prehistory to the last years of British colonial rule. Analysing texts like the Vedas and the Arthashastra, and personalities like the Buddha and Mahatma Gandhi, Nehru brings alive an ancient culture that has seen the flowering of the world's great traditions of philosophy, science and art, and almost all its major religions. Nehru's brilliant intellect, deep humanity and lucid style make The Discovery of India essential reading for anyone interested in India, both its past and its present.

Kangaroo has been around the world and back, and is looking for a little bit of luck. Or a duck. When Duck and Kangaroo meet, it's a match made in . . . heaven. Ah, love—ain't it grand? And who so happy,—O who, As the Duck and the Kangaroo?

A series of books for Classes IX and X according to the CBSE syllabus and CCE Pattern

These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

In this autobiography, also titled *The Story of My Experiments with Truth*, Mohandas K. Gandhi recounts his life from childhood up until 1921, noting that "my life from this point onward has been so public that there is hardly anything about it that people do not know." HarperCollins chose this work as one of the "100 Most Important Spiritual Books of the 20th Century." The pursuit of truth was a guiding principle for Gandhi. He states that it "is not my purpose to attempt a real autobiography. I simply want to tell the story of my numerous experiments with truth, and as my life consists of nothing but those experiments, it is true that the story will take the shape of an autobiography." He also notes that this "will of course include experiments with non-violence, celibacy and other principles of conduct believed to be distinct from truth." The chapter-wise NCERT solutions prove very beneficial in understanding a chapter and also in scoring marks in internal and final exams. A wickedly clever satire uses comic inversions to offer telling insights into the nature of man and society. Nominated as one of America's best-loved novels by PBS's *The Great American Read* *Gulliver's Travels* describes the four voyages of Lemuel Gulliver, a ship's surgeon. In Lilliput he discovers a world in miniature; towering over the people and their city, he is able to view their society from the viewpoint of a god. However, in Brobdingnag, a land of giants, tiny Gulliver himself comes under observation, exhibited as a curiosity at markets and fairs. In Laputa, a flying island, he encounters a society of speculators and projectors who have lost all grip on everyday reality; while they plan and calculate, their country lies in ruins. Gulliver's final voyage takes him to the land of the Houyhnhnms, gentle horses whom he quickly comes to admire - in contrast to the Yahoos, filthy bestial creatures who bear a disturbing resemblance to humans. This text, based on the first edition of 1726, reproduces all the original illustrations and includes an introduction by Robert Demaria, Jr, which discusses the ways *Gulliver's Travels* has been interpreted since its first publication. Jonathan Swift (1667-1745) was born in Dublin. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Contents include biographical notes about the author and the illustrator.

Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.
