Ice Age warrior Braldr the Hunter is captured and sold into slavery while searching for a healing crystal, and is forced to fight against creatures from other worlds in an intergalactic coliseum called Arena.

Busy Bee was in a state of shock as the realization of how privileged she was and how little she had paid attention to the plight of her clan. The new leader, Grey Fox Running had requested that everyone, of the clan households display the food that they had available. Her father a lead hunter of the Elk Clan had more food than many families, but it was small. The families joining the Elk clan had more. A girl, named Quiet Rabbit and her grandmother had at least twice as much. Grey Fox Running, his mate, and their son Taelo had even more. The new lead hunter, Red Oak had the same amount. She watched in amazement as they redistributed the food, so each family had the same amount. She felt ashamed for not having been aware of the plight of the clan that was her home. She resolved to be more connected and to contribute to the effort to ensure that the clan would survive the coming cold period. She and her friend Talking Wren were

soon friends with Quiet Rabbit. Busy Bee decided that her new friends name should be Action Rabbit for her ability to see what was needed and doing it. She made sure to include her circle of friends. When the three of them decided they should learn to become good hunters, it was Quiet Rabbit that got Taelo and Golden Hawk to teach them. It was clear to her that Quiet Rabbit had her eyes on Taelo. She was pleased that Golden Hawk, Taelo's cousin seemed to be available and pleasant to be around. When Taelo and Golden Hawk were late in returning from a hunt and she heard White Swan insisting that the Clan stop and wait their return, she became concerned. The two returned with an elk and the hides of two giant dire wolves. She was relieved and helped pull the loaded travois into camp. White Swan proposed that she volunteer to be one of the female hunters to go on a long hunt. She immediately jumped at the chance to hunt with Taelo and Golden Hawk. On the way to the hunting area, in a race to determine who would hunt with Taelo and Golden Hawk, she was out run by Quiet Rabbit, and it seemed that Talking Wren would also beat her. She knew she had to be second if she were to hunt with Golden Hawk. She knew she would never catch Quiet Rabbit, so she put her heart into finishing second. This gave her the opportunity to be Golden Hawk's hunting partner. She did not know it at the time, but it would be a partner she would have for life. Later, after their

return from the long hunt, she sat next to Golden Hawk with a hide around their shoulders. She felt the warmth that she knew she would enjoy for many seasons to come.

Among a band of brothers, nothing is so despised as a spy. Ruadri Skaraven lives two lives. In one he serves as the healer of his clan, trusted like no other with their well-being. But in the other he serves the enigmatic druids because, secretly, he is also druid-kind. Though he's lived with the shame for years, it is only when another healer sees into his heart that his two lives collide. Emeline McAra doesn't know who she is anymore. Though at first she tenderly nursed her fellow captives, a new violent anger grows deep in her soul. Nor can escape her overwhelming desire for the clan's enormous shaman. It baffles her because the one thing she has always known is that no man would ever truly want her. But while the two healers struggle to find their way, the McAra clan lays claim to her

WELCOME AGAIN TO THE MANY WORLDS OF HONOR Lady Dame Honor Harrington<sup>3</sup>/<sub>4</sub>starship captain, admiral, Steadholder, and Duchess<sup>3</sup>/<sub>4</sub>has spent decades defending the Star Kingdom of Manticore against all comers. Along the way, she has become the legend known as "the Salamander" from her habit of always being where the fire is hottest . . . and also a national bestseller (Ashes of Victory: #7, The Wall Street Journal). But it's a big universe, and Honor's actions affect a lot of lives, not all of them human. And their actions affect her<sup>3</sup>/<sub>4</sub>a lesson "Ms. Midshipwoman Harrington" learns years before rising to command rank when a desperate battle against "pirates" who aren't quite what they seem begins her brilliant career. Closer to home, in "Changer of Worlds," a secret that the alien treecats have kept from their human friends for hundreds of years is about to come out . . . and completely change the relationship between the two species forever. Meanwhile, Eric Flint weighs in with "From the Highlands." Honor can't be everywhere, so when the People's Republic of Haven tries to stage a political assassination on Earth, Anton Zilwicki<sup>3</sup>/<sub>4</sub>husband of one of the Star Kingdom's most revered military martyrs, and father of a young woman who is clearly a chip off the old block<sup>3</sup>/<sub>4</sub>steps into the breach . . . and takes the opportunity to settle some old scores along the way. All five books in one volume: This fantasy epic about sentient prehistoric wild cats is “powerful, moving, and memorable” (Booklist, starred review). In this adventurous series by a PEN Award–winning author, Ratha belongs to the Named, a clan of intelligent prehistoric cats who roam a primal landscape and battle for their lives against the savage enemies that stalk the territory. *Ratha’s Creature*: Young Ratha is a herder, not a hunter. But when she’s exiled from her clan after mastering the power of fire, she must survive the unforgiving wild with only her blazing “creature” to aid her. *Clan Ground*: Ratha’s ability to control fire could help her clan grow stronger and even dominant—or wreak havoc from within. Now, she must choose the correct path to prosperity, or the Named will surely be doomed. *Ratha and Thistle-Chaser*: When Ratha clashes with a cat who guards an ocean and its creatures, the two discover a common bond—and unite against a demonic enemy. *Ratha’s Challenge*: The Named encounter another tribe, and Ratha is torn between friendship and conquest. But her daughter may hold the solution—if she and Ratha can overcome their dark past. *Ratha’s Courage*: When Ratha’s clan shares the power of fire with another tribe, a disastrous blaze ignites a clash between them, and it’s up to Ratha to end the carnage.

STONEFIRE DRAGONS BOOK 2 On her first visit to Clan Stonefire, Department of Dragon Affairs inspector Evie Marshall has an ulterior motive--she needs to seduce its clan leader. If she can't seduce him and become his mate, the dragon hunters will kill her. Of course, Evie doesn't know the first thing about seducing a man, let alone a dragon-shifter, but with her life on the line, she's going to have to become a fast learner or die trying. Bram Moore-Llewellyn has a track record of scaring off DDA inspectors, but when the latest inspector shows up wearing tight clothes and a sexy smile, his inner dragon takes notice. While battling his attraction to the human, he soon finds himself with an impossible choice: he can either break the law to mate the female and risk a backlash from both the dragon hunters and the British government, or he can turn her away and let her die at the hands of the hunters. Keywords: dragons, dragon-shifter, dragon romance, alpha male, strong heroine, suspense, British hero, tattooed hero, shapeshifter, Stonefire Dragons, BBW, curvy heroine, shifter romance

Ratha, the female leader of the sentient prehistoric cat clan called the Named, continues her story in this new novel. In Ratha's Courage, the Named attempt to share the gift of fire with the mammoth-hunting clan introduced in Ratha's Challenge. The contrasting values of two very different cultures lead to misunderstanding, tragedy, and war. Ratha learns that reaching out to

others, especially when the chasm is so wide, takes true courage. With rich sensory description, well-developed characters, and intense conflict, both internal and external, this new novel returns to the strengths of the first book in the series, *Ratha's Creature*. The story envelops the reader in the mind of a big cat, looking out through her eyes while discovering her world.

A stunning and suspenseful new landscape emerges in the thrilling Dark-Hunter world—a world where nothing will ever be the same again. . . Fang Kattalakis isn't just a wolf. He is the brother of two of the most powerful members of the Omegrion: the ruling council that enforces the laws of the Were-Hunters. And when war erupts among the lycanthropes, sides must be chosen. Enemies are forced into shaky alliances. And when the woman Fang loves is accused of betraying her people, her only hope is that Fang believes in her. Yet in order to save her, Fang must break the law of his people and the faith of his brothers. That breach could very well spell the end of both their races and change their world forever. The war is on and time is running out...

one of America's best-loved novels by PBS's The Great American Read Through Jean M. Auel's magnificent storytelling we are taken back to the dawn of modern humans, and with a girl named Ayla we are swept up in the harsh and beautiful Ice Age world they shared with the ones who called themselves The Clan of the Cave Bear. A natural disaster leaves the young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blond, blue-eyed Ayla looks peculiar and ugly—she is one of the Others, those who have moved into their ancient homeland; but Iza cannot leave the girl to die and takes her with them. Iza and Creb, the old Mog-ur, grow to love her, and as Ayla learns the ways of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become their next leader sees her differences as a threat to his authority. He develops a deep and abiding hatred for the strange girl of the Others who lives in their midst, and is determined to get his revenge.

An anthology of new, original stories by bestselling science fiction authors, inspired by science fiction great Frederik Pohl It isn't easy to get a group of bestselling SF authors to write new stories for an anthology, but that's what Elizabeth Anne Hull has done in this powerhouse book. With original, captivating tales by Greg Bear, Gregory Benford, Ben Bova, David Brin, Cory Doctorow, Neil Gaiman, Joe Haldeman, Harry Harrison, Larry Niven, Vernor Vinge, Gene Wolfe, and others, Gateways is a SF event that will be a must-buy for SF readers of all tastes, from the traditional to the cutting edge; from the darkly serious to the laugh-out-loud funny. Each author has written a story that he or she feels reflects the effect Pohl has had on the field—in the style of writing, the narrative tone, or the subject matter. It says a lot about Pohl's career that the authors represented here themselves span many decades and styles, from the experimental SF of British SF author Brian W. Aldiss to the over-the-top humor of Harry Harrison and Mike Resnick, from the darkly powerful drama of Hollywood screenwriter Frank Robinson to the satiric pungency of multiple Hugo Award-winner Vernor Vinge. Every story here is uniquely nuanced; all of them as entertaining and thought provoking as Pohl's fiction. In a career dating back to 1939, Pohl has won all the awards science fiction has to offer: Hugos, Nebulas, the SFWA Grand Master Award. Having written more than two million words of fiction and edited the groundbreaking Star anthologies and Hugo Award-winning magazines and

This bundle contains the first three books of the Hunter Elite Series. *Hunting The Past*: Arienna Austin is a girl on a mission. Her family was murdered by vampires five years ago and she has trained long and hard to become a hunter. She finally encounters the nest of bloodsuckers who ruined her life and she intends to exact her revenge on them all. In a horrible twist of fate, she becomes one of the very creatures she's been stalking and her entire world is turned upside down. If the hunters who took her in and trained her learn what she has turned into, she will become their next target. A chance encounter with a sexy Scottish hunter changes everything. Connor McAllister is more than he seems. He is a shapeshifter who works for a secret organisation known as the Hunter Elite. Ari is exactly the sort of creature the team needs on their side. That is if the supernatural monster killers allow her to live. She must prove she isn't a danger to humans, or she suspects that she won't leave their compound alive. *Hunting The Truth*: Ari has a choice to make that could change everything between herself and her ghostly best friend. She must decide whether to tell Jonah about his past, or to let him remain clueless about how he'd come to be haunting the Hunter Elite's mansion. She can't predict if the knowledge will set him free, or if it will have dire consequences. When the team visits Spencer Von Hades' mansion, Ari senses something is very wrong from the moment she steps inside the mysterious house. While none of her friends see anything strange, she knows it is dangerous and potentially deadly. A creepy butler lurks within the halls and he is just as strange as the house itself. When vampires attack several families in one town, Ari and Connor

are sent to assist Jake Everett and his hunters to track them down. Bloodsuckers are increasing in numbers and seem to be coordinating with each other. It is unheard of for the undead to congregate and they suspect something terrible is brewing in the supernatural underworld. They need to find out more so they can stop their diabolical plans. Hunting A Master: In order to learn more about their adversary, Ari joins Spencer on a secret mission to question a master vampire. Their hope is that the bloodsucker will be able to give them some insights into Morgwen's plans. It won't be easy to extract the information from their ancient captive, but Von Hades is determined to get the answers they need. He will use Ari as his tool to achieve his ends no matter the cost to her. When the Hunter Elite are sent on their next mission, they encounter a nest of monsters that have never existed before. More and more new creatures are cropping up, but they don't know where they are coming from, or how to stop the influx. A disturbing pattern is emerging, but they don't have all the pieces to solve this puzzle yet. Even with the chaos that is looming over the horizon, Ari knows she won't face it alone. Her bond with Connor has deepened beyond either of their expectations, but it comes with risks. If word about their forbidden relationship spreads throughout the supernatural community, it could result in dangerous repercussions for them both.

Over 2,000 pages of werewolf adventures in one spot! I'm Wolf Young --- Wolfie to my friends. But this box set isn't about me. It's about three strong women I've had the luxury to know. They kick ass and take names. Bake cupcakes and build packs. Their world is full of swords and secret government bases. Malicious fathers and found families. And, yeah, I hang out on the periphery. It's a pretty good place to be. I asked my personal scribe to jot down their stories, and the result is an impressive assemblage. Ten novels. Two novellas. Enough short stories to keep an entire wolf pack busy around the campfire. A few of those tales are about me, but that's not the point. The point is the bold, beautiful women who fight, sleuth, and fall in love on these

emotional attachments to the past and an unexpected glimpse of a different future have her questioning her deadly purpose, Nica must discover the truth about her secret abilities in order to free herself from the forces that control her. But that freedom comes with a price—trusting those she's been ordered to eliminate.

Mating Fever Morgan Clan Bears, Book 3 Gunnar Morgan found his mate a year ago, but he refuses to claim her until she is healed in body and mind. With mating season upon them, he will ignore his natural instinct to mate, choosing to build on the friendship they'd found when she came to the clan a broken female. Anna Claire knew the male was her mate the moment she laid eyes on him. The youngest Morgan brother had taken her under his wing and provided for her during the previous year while she healed from her injuries, making a safe place in his den for their winter hibernation. As they awake for the spring, hunters from an underground hate group make themselves known. The clan must come together to stop them before someone is killed. When their lands go under attack, Gunnar will stop at nothing to keep his mate and family safe...even if that means sacrificing himself for his unborn cub.

From the PEN Award–winning author: The Named series continues as the prehistoric tribe of sentient cats confronts a rival tribe of feline hunters. Twenty-five million years in the past, a clan of sentient, prehistoric big cats called “the

Named” have their own language, traditions, and law. Ratha, a female Named, has brought fire to the clan and serves as their leader. In RATHA'S CHALLENGE, Ratha faces a separate clan of hunter cats, entranced by the telepathic song of their leader, True-of-voice. When that clan's future becomes entwined with that of the Named, Ratha faces the difficult task of deciding everyone's fate. Her daughter, Thistle-Chaser, is her only hope for guidance in making the right decision, but Thistle-Chaser is plagued by nightmares of the "Dreambiter," a distant half-memory that threatens to tear apart her mind. Author Clare Bell crafts a serious adventure and coming-of-age story, filled with triumph and heartbreak. RATHA'S CHALLENGE, the Fourth Book of the Named in the series, finds Ratha struggling to gain the maturity needed to be both a leader and a mother. This story of large, noble cats is a larger story, indeed.

For the shifters working at Grizzly Bodyguards & Security, every day is life and death. When a rogue werewolf shifter slit her best friend's throat and left her to die in a dumpster, Alison Miller vowed to hate shifters for the rest of her life.

Heartbroken and grieving, Alison needs a fresh start. What she never expected, however, was to run into the gorgeous and quiet Hunter Cross. Strong, stoic, and sexy as hell, Hunter is the perfect distraction-almost too perfect. He's hiding something big, something deadly, and it makes her nervous. When she gets

word that her controlling cage fighter of an ex-boyfriend is on the loose and headed her way, she realizes her old life may just catch up with her after all. For three years, Hunter Cross has used his skills as a dragon shifter to protect the wealthy elite keeping Grizzly Bodyguards and Security afloat. At heart, though, he's a drifter, and he's had just about enough of Jackson, Wyoming. As the alpha's only son in the Death Valley dragon clan, he was expected to be as cruel and merciless as his family. Hunter barely escaped with his life, and he's been running ever since. But a lonely dragon is a dead dragon, and he's running out of time... until a curvy blonde catches his eye. Right then and there, Hunter's dragon chooses her as his mate. The only problem: she hates shifters. When his father's clan finds him, Hunter realizes they won't take "no" for an answer. He's given an ultimatum: go home with them and be the alpha he was bred to be, or they'll burn everything he has-including the woman he loves-to ashes. Content Warning: This is a dragon shifter romance. It contains smoking hot shifters, lip-bitingly delicious love scenes, naughty language, and a dash of violence to spice things up. Intended for mature audiences. This novel has an HEA, with NO cliffhanger.

loved novels by PBS's The Great American Read Through Jean M. Auel's magnificent storytelling we are taken back to the dawn of modern humans, and with a girl named Ayla we are swept up in the harsh and beautiful Ice Age world they shared with the ones who called themselves The Clan of the Cave Bear. A natural disaster leaves the young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blond, blue-eyed Ayla looks peculiar and ugly—she is one of the Others, those who have moved into their ancient homeland; but Iza cannot leave the girl to die and takes her with them. Iza and Creb, the old Mogur, grow to love her, and as Ayla learns the ways of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become their next leader sees her differences as a threat to his authority. He develops a deep and abiding hatred for the strange girl of the Others who lives in their midst, and is determined to get his revenge. This eBook includes the full text of the novel plus the following additional content: • An Earth's Children® series sampler including free chapters from the other books in Jean M. Auel's bestselling series • A Q&A with the author about the Earth's Children® series
