With overview essays and more than 400 A-Z entries, this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day. Organized topically by group, with an in-depth overview essay on each group, the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States. "Asian American History and Culture" covers the political, social, and cultural history of immigrants from East Asia, Southeast Asia, South Asia, the Pacific Islands, and their descendants, as well as the social and cultural issues faced by Asian American communities, families, and individuals in contemporary society. In addition to entries on various groups and cultures, the encyclopedia also includes articles on general topics such as parenting and child rearing, assimilation and acculturation, business, education, and literature. More than 100 images round out the set.

In this book the author Sister Nivedita, a disciple of Swami Vivekananda, in her inimitable style, gives a glimpse of the past glories and drawbacks of India in a nutshell. She has discussed the most important topics regarding Religion, Philosophy, Culture, Economics, Architecture, influence of the Gupta Dynasty, historical significance of the northern pilgrimage and some problems of Indian research. In the last chapter she has drawn a fine picture of Varanasi, the most ancient city of India. This is a book that will help all those who are eager to learn more about India. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

### Publisher Description

It was in 1918 that Swami Apurvananda, the author of this title, first came to Belur Math. Shortly thereafter, he received initiation from Holy Mother Sri Sarada Devi. As a member of Ramakrishna Order, he came in contact with many direct disciples of Sri Ramakrishna and other participants in Sri Ramakrishna's divine play. He also saw many of Sri Ramakrishna's householder devotees in different places and under different circumstances. Through his reminiscences of these spiritual luminaries and through stories of Belur Math during his time, the author provides the readers insightful glimpses into the lives of those who belonged to a divine realm. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this title is a translation of the Bengali title 'Devloke' published by Ramakrishna Mission Institute of Culture, Golpark, Kolkata.

"This important book fills a gap in our knowledge.... Highly recommended." -- Library Journal "... highly recommended..." -- Choice "With admirable clarity and remarkable brevity, Jackson surveys the history of the movement and raises... important issues..." -- The Journal of American History An important history of the Ramakrishna movement, the very first and in many ways the most important Asian religious group to appear in the United States.

This work explores how colonial India imagined human and divine figures to battle the nature and locus of sovereignty.

This classic work of research published by Advaita Ashrama, a Publication centre of Ramakrishna Math, Belur Math, India, brings under a single volume around 600 persons inspired by the ideals of Sri Ramakrishna and his disciples. Notable personalities whose connection with the Vedanta Movement in the West is delineated include Aldous Huxley, Arnold Toynbee, Albert Einstein, Ralph Waldo Emerson, Carl Jung, Mark Twain, J D Salinger and Joseph Campbell among others. For the scholars it is a mine of information presented precisely, and for the devotees of Ramakrishna, it is an inspiring account of western admiration for Ramakrishna and his disciples. Swami Vivekananda: The Journey of a Spiritual Entrepreneur details the events of Vivekananda's life, encompassing his transformation from a nameless wanderer to the most renowned representative of Hinduism of all times. In this book, we come across the Vivekananda who not only created history by delivering the Chicago Lecture in 1893 but also established the Ramakrishna Order through an unparalleled entrepreneurial spirit which brought to the fore his qualities as a decisive leader and an excellent communicator who reached out globally to convey the message of the Vedanta. These attributes of Vivekananda's personality have remained largely unexplored in most of the books written on him. This book also maps Hinduism and its present-day challenges vis-à-vis its attributes in light of Swami Vivekananda's philosophy and brings forth its contemporary relevance in a practical manner for the reader at a time when the fire of fundamentalism among different faiths has turned religions of the world essentially into separating factors within humanity. Further, it also contains detailed descriptions of practical approaches to translation that will help scholars build a comprehensive framework for translation of complex texts such as the Vedas and Upanishads. It finally concludes with the Indian media's articulate advocacy of Vivekananda's approach on a number of platforms in recent times, to unite humanity despite all its diversity as it is ever more relevant today.

With historical-critical analysis and dialogical even-handedness, the essays of this book re-assess the life and legacy of Swami Vivekananda, forged at a time of colonial suppression, from the vantage point of socially-engaged religion at a time of global dislocations and international inequities. Due to the complexity of Vivekananda as a historical figure on the cusp of late modernity with its vast transformations, few works offer a contemporary, multi-vocal, nuanced, academic examination of his liberative vision and legacy in the way that this volume does. It brings together North American, European, British, and Indian scholars associated with a broad array of humanistic disciplines towards critical-constructive, contextually-sensitive reflections on one of the most important thinkers and theologians of the modern era.

This work chronicles intentional communities in the 20th century. The chronological account first studies the older groups that were operating until 1900, it then explores the impact of the early 19th-century art colonies, before discussing decade-by-decade the new groups formed up to 1960.

The book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, presents a broad canvas wherein the history, akin to biography, of all the eleven

ships which took Swami Vivekananda around the seven seas during his two Western visits are threaded together with the sequence of events in his life in between those voyages.

Are Indian women powerful mother goddesses, or domestic handmaidens trailing behind men in literacy, wages, opportunities, and rights? Have they been agents of their own destinies, or voiceless victims of patriarchy? Behind these colorful over-simplifications lies the reality of many feminine personas belonging to various classes, ethnicities, religions, and castes. This two-volume set looks at Indian history from ancient to modern times, revealing precisely why ideas of gender rights were not static across eras or regions. Raman's work is a reflection on the various ways in which women in a non-Western culture have developed and expressed their own feminist agenda. Raman's work is a reflection on the various ways in which women in a non-western culture have developed and expressed their own feminist agenda. Individual chapters highlight the enduring legacies of many important male and female figures, illustrating how each played a key role in modifying the substance of women's lives. Political movements are examined as well, such as the nationalist reform movement of 1947 in which the ideal of Indian womanhood became central to the nation and the push for independence. Also included is a survey of women in contemporary India and the role they played in the resurgence of militant Hindu nationalism. Aside from being an engaging and readable narrative of Indian history, this set integrates women's issues, roles, and achievements into the general study of the times, providing a clear presentation of the social, cultural, religious, political, and economic realities that have helped shape the identity of Indian women.

This booklet published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, contains the prophetic and epochal speeches delivered by Swami Vivekananda at the World Parliament of Religions, Chicago, in 1893 which shot him to world fame and wherein he presented the gist of Hinduism and made a clarion call for 'harmony and peace' among the different religions wending their way to the same goal. Keywords: Chicago Speeches, World Parliament of Religions; Hinduism; Vedanta; Harmony of Religions

Socio-religious Reform Movements in British India will appeal to students and scholars in a wide variety of social scientific disciplines.

This book "Facets of Contemporary History" is a selection of research papers, presented in the International Conference on Contemporary History which was held on 30th and 31st January 2015. This conference was organized by the Department of History, Tourism and Travel Management, Ethiraj College for Women, Chennai. It gives us great pleasure to put together a selection of the papers for the public in the form of a book in the interest of research. Contemporary History refers to the history of the immediate past or that which can be expected to remain in living memory. While there are areas of history which have branched off from contemporary history such as social history and economic history this conference took a very broad look at contemporary events from not just a historical but also a social science perspective. This Book contains 6 Sections namely Political History, Socio-Cultural History, Gender, Economic History, Environment and Tourism. We would like to place on record the Management of the college for the moral and financial support extended in the conduct of the Conference and in the production of the book. Thanks are due to our respected Chairman of the Trust Board, Mr. V.M.Muralidharan for all his support and encouragement. Heartfelt thanks are due to Prof.Dr.Karu. Nagarajan Member Secretary, TAMIL NADU STATE COUNCIL FOR HIGHER EDUCATION for their generous financial Assistance towards the conduct of the Conference. We would be failing in our duty if we do not thank the faculty of the Department of History, Tourism and Travel Management for their support and encouragement in the conduct of the Conference.

In this 5 part lecture series Gwilym Beckerlegge discusses the life and legacy of Swami Vivekananda (1863-1902), the Hindu teacher who was arguably the first 'global guru'. Vivekananda has been influential in shaping, among other things, Hindu notions of social activism, and what has come to be known as Modern Yoga, which is now practised beyond India. Gwilym covers the influence of Vivekananda's own guru, the widely revered Sri Ramakrishna, Vivekananda's fascinating journey from India to the United States and Europe at the turn of the 20th century, and the institutions Vivekananda started in Ramakrishna's name. Vivekananda has been a highly influential but contentious figure in the history of recent Hindu tradition. These lectures will explore aspects of Vivekananda's legacy with particular reference to the Ramakrishna Math and Mission, the movement Vivekananda founded in his guru's name, and the Vivekananda Kendra, also inspired by Vivekananda, which came into existence in 1972. The Kendra, however, promotes in Vivekananda's name an ideology strongly influenced by Hindu nationalism. Through an examination of these two movements, the lecture will illustrate the diffuse and durable nature of Vivekananda's influence, and in the process explain why Vivekananda has been judged by some to have been a contradictory and controversial figure. Session 1 – Introducing Vivekananda and his guru Ramakrishna Session 2 – Vivekananda in the USA and London Session 3 – Establishing the Ramakrishna Math and Mission in India: Vivekananda and the spiritual discipline of service Session 4 – Continuity, discontinuity, and innovation in Vivekananda's ideas Session 5 – Vivekananda and his Hindu nationalist admirers hindu philosophy hindu spiritual leaders daily life of a monk meditation practices vivekananda books complete works teacher life and philosophy of swami vivekananda in hindi 4 yogas hindusim life of yogi saint raja yoga

This book examines the role of Hindu-inspired faith movements (HIFMs) in contemporary India as actors in social transformation. It further situates these movements in the

context of the global political economy where such movements cross national boundaries to locate believers among the Hindu diaspora and others. In contemporary neoliberal India, HIFMs have become important actors, and they realize themselves by making public assertions through service. The four pillars of the contemporary presence of such movements are: gurus, sociality, hegemony and social transformation. Gurus, who spearhead these movements, create a matrix of possible meanings in their public discourses which their followers pick up to create messages of personal and social change. Sociality is a core strategy of proliferation across such movements and implies social service, which is qualified by memories of the guru and what they are believed to embody. Hegemony is reflected in the fact that social service in such movements often ominously imbibes right-wing or far-right Hinduism. They propose a model of Hindu-inspired social transformation, involving faith building into and transforming the civil society. The book discusses in a nuanced way several Hindu-inspired faith movements of various hues which have made national and international impact. This topical book is of interest to students and researchers in the fields of sociology, anthropology, social work, and social psychology, with a special interest in the study of religious movements.

The spiritual career of the sixth president of the Ramakrishna Order a monk initiated by the Holy Mother and given the ochre robe by Swami Vivekananda throws a flood of light on the formative period of the Ramakrishna Movement.

In studying Indian history, people often fail to find out the real soul of India, and as a result, their labour bears very little fruit. In this booklet published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, the author, whose love for his motherland was very deep and whose life stood like a mighty colossus pointing with one hand to the past and with another to the future of India, gives in a nutshell the undercurrent of Indian history, politics, and sociology. Note: This book has some Sanskrit text with embedded Devanagiri fonts. Kindly use the 'Original' font option in Google Play Books app. This is a massive collection of the wisdom of India, gathered under the guidance of the Ramakrishna Institute of Culture to promote the study, interpretation, and dissemination of the cultural heritage of India. Swami Vivekananda was never concerned with world-negating spirituality distanced from the din and bustle of daily living. He was intensely perturbed by the endless suffering of mankind and discovered that the root of all suffering lies in ignorance, disharmony, divisiveness and confinement of consciousness within finitudes. His esoteric experience of Advaita philosophy of vedanta offered him a unique panacea. In the light of his experience of cosmic consciousness he found a bridge between science and spirituality, between religions and between the mundane and divine. From absolutely secular, scientific and experiential philosophy he developed the concept of practical vedanta as a formula of living. Swamiji prescribed the following motto of life as Self-realisation and selfless service to humanity: "Atmano mokshartham jagaddhitaya cha." The twofold complementary agenda can be best practised with the concept of practical vedanta which is not a religious but a spiritual formula for all.

Holy Mother Sri Sarada Devi being a ideal wife, nun, mother and teacher in one stands apart as a woman who came into this world with a great message. This book provides a detailed sketch about the life of the Holy Mother compiled by Swami Gambhirananda and also serves as a beaconlight lighting up the obscure pathways of spiritual life and as a fountain at which humanity can stake its thirst for a higher life. This book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, is a collection of ideas of Swami Vivekananda on India's fall, her present condition, the way to her regeneration, and also his message to the youth who are to rebuild India today.

The present work is a modest attempt to systematise Vivekananda's political ideas and preachings for the glorification of today's politics. It deals with a rich legacy of political ideas, conceived and believed by Vivekananda in the context of social, political and economic tendencies of his time. A careful study of Vivekananda's philosophy in preparing the ground for the politics of independence and giving the country a new political ideology through his re-interpretation of Vedanta and the Hindu religion. The present work is divided into five distinct chapters, the political, social and economic crisis, the early days of Swami, the concept of Vedanta, and the concept of his political ideas, besides preface and bibliography.

The life of Sri Ramakrishna is truly inspiring for children for he showed wonderful qualities of purity and love that draws them towards this great personality. This book authored by Swami Raghaveshananda narrates the life-story of Sri Ramakrishna in a simple language and with beautiful illustrations, it captivates the kids minds.

Renunciation and service are the twin ideals of India. A strong character is built on the foundation of the spirit of renunciation and service. At a time when India is spearheading towards making a place for herself on the global stage, nothing can be more relevant and necessary than Swami Vivekananda's words of inspiration to dedicate one's life for the cause of one's Motherland through the building of a strong character. Swami Vivekananda's ideas on this vital subject have been carefully compiled and arranged in this book. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

This book examines in rich detail the neglected topic of female ascetics. Based on field research, it documents the social forces which facilitated the establishment of an Order of Ascetics for women, defying tradition in many respects. It describes the subtle methods by which the individual is transformed into a full member of the Order, and how hierarchy and purity are indeed integral to the process.

This humble work is an honest attempt to briefly study how Sri Ramakrishna's mission proceeded particularly during its early years towards fulfillment and in the process how The Ramakrishna Movement grew and developed in the early days. One charming feature of the book is the number of photos, illustrations and maps which explain the texts. This book will surely

become the authoritative source book for anyone doing research on the Ramakrishna Movement.

This Book Explores Ways In Which The Ramakrishna Movement Has Been Presented By Scholars, Promoted By Its Own Adherents And Has Seen Prominent Defections From Its Own Ranks. Will Be Of Special Interest To Historians And Religious Studies Specialists.
