In the year 1223, Paris is on the verge of collapse. A menagerie of vampires has gathered here after a long trek from Constantinople (chronicled in previous Clan Novels), fueled by religious mania. They demand access to the city and hope the ancient prince will save them. Meanwhile, dark priests of every sort vie to sway their souls and control the refugees. For Veronique d'Orleans, a Brujah vampire of the city, this could be an opportunity--or a disaster.

"Crime fiction doesn't have nearly enough droll master thieves like Kidd and his stunning partner in righteous crime, LuEllen" (Los Angeles Times). Enjoy the adventures of computer genius Kidd and cat burglar LuEllen in the first four novels from the #1 New York Times bestselling author of the Lucas Davenport series. The Fool's Run The Empress File The Devil's Code The Hanged Man's Song

Grace's life is a mess. Daniel is still a werewolf, Talbot can't be trusted, and Caleb is still out there. With Sirhan's impending death, war seems imminent. Will Grace give in to the wolf to save her family? What will happen to Daniel . . . and can their love survive one last test?

New York City cab driver Yuri Davydov is a disgruntled Russian emigre poised to lash out at the adoptive nation he believes has denied him the American Dream. A former technician in the Soviet biological weapons system, Biopreparat, Yuri possesses the knowledge to wreak havoc in his new home. But before he executes his planned piece de resistance of vengeance, he experiments first on his suspicious live-in girlfriend, then on a few poor-tipping fares.... Dr. Jack Stapleton and Dr. Laurie Montgomery (both last seen in Chromosome 6) begin to witness some unusual cases in their capacity as forensic pathologists in the city's medical examiner's office: a young, healthy black woman dies of respiratory failure, a Greek immigrant succumbs to a sudden, overwhelming pneumonia. At the same time, the pair are pressured from above to focus on a high-profile string of suspicious deaths of prisoners in police custody. When an unexpected breakthrough persuades Jack that these seemingly unrelated deaths are really connected murders, his colleagues and superiors are skeptical. Only Laurie is somewhat convinced. But the question soon becomes whether the pair will solve the puzzle before Yuri unleashes into the streets of New York the ultimate terror: a modern bioweapon. With signature skill, Robin Cook has crafted a page-turning thriller rooted in up-to-the-minute biotechnology. Vector is all-too-plausible fiction at its terrifying best.

Joan Aiken takes Emma and tells the story from Jane Fairfax's point of view. What of Jane's early years with Mrs and Miss Bates and her childhood friendship with Emma Woodhouse? What of her years spent with the Campbells in London and the West Indies? And what of the summer spent at Weymouth?

The third book connected to the successful and exciting new NBC science fiction series from Universal & Amblin Entertainment.

"Absolutely first-rate."—The New Yorker This thrilling story is at once first-rate history and first-rate entertainment. Incredible events occurred in North America after a decrepit steamboat docked at Seattle in 1897 containing two tons of pure gold. So frenzied was the clash for gold and so scant was information about conditions in the Klondike that the rush for riches became a kind of fabulous madness. The entire tale—of which Pierre Berton's account is the definitive telling—has an epic ring (legends were lived and fortunes were won) as much because of its splendid folly as because of its color and motion. "The definitive account of an affair as wildly improbable as any in North American history."—Saturday Review "A lively saga of the great gold rush. It is the most complete and most authentic on the subject in English."—The New York Times Book Review

A Thriller of Biblical Proportion When eco warrior Nova decides to take action against environmentally dangerous corporations, little does she know that a shadowy organization shares in her goal. Nephilim is a riveting thriller, set in the historic capital of Sweden. Blending biblical mythology with global conspiracies in a convincing and effective manner, it's a page-turning novel that raises important questions.

Maverick tries to raise the remaining three thousand dollars he needs to enter a high stakes poker game in St. Louis

A young mother and widow learns how to deal with her husband's sudden recent death.

RECOMMENDED FOR READERS 18 AND OLDER DUE TO SEXUAL SITUATIONS AND VIOLENCE.The Iron Tiara is a spin-off novel from the Nine Minutes Trilogy. It can be read as a standalone, and does not contain a cliffhanger.Anthony Bear and Christy Chapman are from two completely different worlds. Anthony's the leader of a motorcycle gang that terrorizes Florida's West Coast. As a child, he ran away from his family and the Cherokee Indian Reservation to enter a life of crime. As an adult, he leads a multifaceted life managing his two businesses-his legitimate landscaping venture, and his loan shark and underworld dealings. Driven by anger and betrayal, Anthony begins the hunt for Christy's father, Van Chapman, after he runs out on a loan.Christy's privileged life is not as it seems. She has kept painful family secrets and hidden some of her own. She's determined to find out the truth and expose Van, but her search delivers her right into Anthony Bear's hands, adding kidnapping to his list of crimes.Their worlds are as contrasting as the color of their skin. The only thing they seem to have in common is their mutual disdain for Van Chapman...and each other.They couldn't be more wrong.

Jian is the Champion, the Man who Excels. His arts are martial and philosophic, terrifyingly physical, cruelly cerebral. Who is he? What are his aims? Is he Jake Maroc: a man haunted by his past, threatened by his present, careless for his future - except to exact the vengeance which is his? Is he Nichiren, Jake's deadly adversary, as skilled in the arts of survival as Maroc himself?

Four pieces of jade hold the answer: like pieces in wei qi, the Chinese game of strategy, they are to be used as part of a Grand Game. Honk Kong is part of the prize - but only part. As violence breeds violence, deception breeds chaos and the great nations of the world manoeuvre for position, one man and his secret strategy could destroy them all.

AN ELITE FIGHTING FORCE UNLIKE THE WORLD HAS EVER SEEN . . . Scouring the darkest corners of the Highlands and Western Isles, Robert the Bruce handpicks ten warriors to help him in his quest to free Scotland from English rule. They are the best of the best, chosen for their superior skills in each discipline of warfare. And to lead his secret Highland Guard, Bruce chooses the greatest warrior of all. The ultimate Highland warlord and a swordsman without equal, Tor MacLeod has no intention of being drawn into Scotland's war against the English. Dedicated to his clan, the fiercely independent chief answers to no one—especially not to his alluring new bride, bartered to him in a bid to secure his command of the deadliest fighting force the world has ever seen. The treacherous chit who made her way to Tor's bed may have won his hand, but she will never claim his heart. Although her husband's reputation is as fierce as his manner, Christina Fraser believes that something softer hides beneath his brutal shell. But the only warmth she feels is in their bed, in glorious moments of white-hot desire that disappear with the dawn. When Christina's reckless bid to win her husband's love goes awry and thrusts them into danger on the eve of war, Tor will face his ultimate battle: to save his wife and to open his heart—before it's too late.
