Get Free Honor Bound Trilogy Box Set

Moise de Camondo Letters to Camondo is a collection of imaginary letters from Edmund de Waal to Moise de Camondo, the banker and art collector who created a spectacular house in Paris, now the Musée Nissim de Camondo, and filled it with the greatest private collection of French eighteenth-century art. The Camondos were a Jewish family from Constantinople, “the Rothschilds of the East,” who made their home in Paris in the 1870s and became philanthropists, art collectors, and fixtures of Belle Époque high society, as well as being targets of antisemitism—much like de Waal's relations, the Ephrussi family, to whom they were connected. Moise de Camondo created a spectacular house and filled it with art for his son, Nissim; after Nissim was killed in the First World War, the house was bequeathed to the French state. Eventually, the Camondos were murdered by the Nazis. After de Waal, one of the world’s greatest ceramic artists, was invited to make an exhibition in the Camondo house, he began to write letters to Moise de Camondo. These fifty letters are deeply personal reflections on assimilation, melancholy, family, art, the vicissitudes of history, and the value of memory.

her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
