Detective Amos Decker discovers that a mistake he made as a rookie detective may have led to deadly consequences in this compelling Memory Man thriller by #1 New York Times bestselling author David Baldacci. Decker is visiting his hometown of Burlington, Ohio, when he's approached by a man named Meryl Hawkins. Hawkins is a convicted murderer. In fact, he's the very first killer Decker ever put behind bars. But he's innocent, he claims. Now suffering from terminal cancer, it's his dying wish that Decker clear his name. It's unthinkable. The case was open and shut, with rock solid forensic evidence. But when Hawkins turns up dead with a bullet in his head, even Decker begins to have doubts. Is it possible that he really did get it wrong, all those years ago? Decker's determined to uncover the truth, no matter the personal cost. But solving a case this cold may be impossible, especially when it becomes clear that someone doesn't want the old case reopened. Someone who is willing to kill to keep the truth buried, and hide a decades-old secret that may have devastating repercussions . . .

Two ex-Secret Service agents must face a dark world of violence, codes, and spies at a secret CIA training camp in this #1 New York Times bestseller about a mystery that could destroy the nation. Near Washington, D.C., there are two clandestine institutions: the world's most unusual laboratory and a secret CIA training camp. Drawn to these sites by a murder, ex-Secret Service agent Sean King encounters a dark world of mathematicians, codes, and spies. His search for answers soon leads him to more shocking violence-and an autistic girl with an extraordinary genius. Now, only by working with his partner, Michelle Maxwell, who is battling her own personal demons, can he catch a killer...and stop a national threat.

After his father is accused of murder, combat veteran and Special Agent John Puller must investigate his past and learn the truth about his mother in this New York Times bestselling thriller--but someone hiding in the shadows wants revenge. Two men. Thirty years. John Puller's mother, Jackie, vanished thirty years ago from Fort Monroe, Virginia, when Puller was just a boy. Paul Rogers has been in prison for ten years. But twenty years before that, he was at Fort Monroe. One night three decades ago, Puller's and Rogers' worlds collided with devastating results, and the truth has been buried ever since. Until now. Military investigators, armed with a letter from a friend of Jackie's, arrive in the hospital room of Puller's father-a legendary three-star now sinking into dementia-and reveal that Puller Sr. has been accused of murdering his wife. Aided by his brother Robert Puller, an Air Force major, and Veronica Knox, who works for a shadowy U.S. intelligence organization, Puller begins a journey that will take him into his own past, to find the truth about his mother. Paul Rogers' time is running out. With the clock ticking, he begins his own journey, one that will take him across the country to the place where all his troubles began: a mysterious building on the grounds of Fort Monroe. There, thirty years ago, the man Rogers had once been vanished too, and was replaced with a monster. And now the monster wants revenge. And the only person standing in his way is John Puller.

The world can change forever in a single... **SPLIT SECOND** Michelle Maxwell has just wrecked her promising career at the Secret Service. Against her instincts, she let a presidential candidate out of her sight for the briefest moment, and the man whose safety was her responsibility vanished into thin air. Sean King knows how the younger agent feels. Eight years earlier, the hard-charging Secret Service agent allowed his attention to be diverted for a split second. And the candidate he was protecting was gunned down before his eyes. Now Michelle and Sean are about to see their destinies converge. Drawn into a maze of lies, secrets, and deadly coincidences, the two discredited agents uncover a shocking truth: that the separate acts of violence that shattered their lives were really a long time in the making-and are a long way from over...

In the wake of murders in the Virginia countryside in which the killer leaves watches on the victims' bodies, investigators Sean King and Michelle Maxwell discover a possible link to a case involving an aristocratic southern family.

The #1 bestselling author of *The Collectors* and *Simple Genius* returns with **STONE COLD**...an unforgettable novel of revenge, conspiracy, and murder that brings a band of unlikely heroes face-to-face with their greatest threat. Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies-including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. With unrelenting pacing, stunning reversals, and two of the most compelling characters in modern fiction, **STONE COLD** is David Baldacci writing at his breathtaking best.

The average real estate sells ten to twelve homes per year. A superstar salesperson sells fifty. Last year alone, Ralph Roberts sold more than six hundred residential properties -- fifty time more than the average competitor! What the secret behind the nation's bestselling real estate agent? How can you achieve similar phenomenal success in your field? More important, can you

reach the megalevels Ralph Roberts attains year after year? Yes!

**COLONEL ROOSEVELT** Theodore Roosevelt Goes to War, 1897 - 1898 His celebrated charge up San Juan Hill made him an American icon—a roughshod, take-charge leader in the glorious service of his young and ambitious nation. For Theodore Roosevelt, it was a defining moment, the scene with which he would become most often associated. And, as H. Paul Jeffers shows in this lively new account, the now-legendary episode not only made the future president's political career, it took center stage in a "splendid little war" that Roosevelt himself orchestrated almost single-handedly. Colonel Roosevelt is an exciting and thoroughly captivating portrait of a man and a country at a crossroads. The Spanish-American War of 1897-1898 was the shortest conflict in American history. Yet it played a pivotal role in propelling the United States onto the twentieth-century world stage—along with the man whose nationalistic and military ideals were most responsible for bringing it about. With his keen eye for characterization and rich period detail, Jeffers captures the spirit of a newly industrialized nation with dreams of the spoils of empire hitherto reserved for her European rivals, a country flexing her newfound muscles. No man more clearly exemplified late nineteenth-century notions of manifest destiny than Theodore Roosevelt. And no man was more willing to wage war to fulfill them. As Assistant Secretary of the Navy, Roosevelt dreamed of a massive two-ocean navy capable of exerting American influence around the world. Going to war against an aging Spain, with Cuba as the prize, seemed the perfect way to make his dream come true. The events and colorful personalities of this crucial period come to vivid life in *Colonel Roosevelt*, from William Randolph Hearst and Henry Cabot Lodge, to Richard Harding Davis and Stephen Crane. Here, too, is the personal side of Theodore Roosevelt, much of it revealed in his own words. It is a candid glimpse of the blunt man behind the historic figure, relishing the swirl of international tensions he so vigorously helped to stir. From the parlors of power in Washington to the dust-choked backroads of Cuba, from the epic sea battles around the Philippines to the legendary charge up San Juan Hill, this vigorous account of Teddy Roosevelt at his finest hour is compelling biography and fascinating military history. "I had very deeply felt that it was our duty to free Cuba, and I had publicly expressed this feeling; and when a man takes such a position, he ought to be willing to make his words good by his deeds. He should pay with his body." —Theodore Roosevelt It was the shortest conflict in American history. Yet, for the pugnacious, saber-rattling "jingo" who helped bring it about, the Spanish-American War of 1897-1898 would be the stepping-stone to notoriety, a governorship, and, ultimately, the presidency. A rousing portrait of a fascinating period and a one-of-a-kind man on his way to becoming a legend, *Colonel Roosevelt* is H. Paul Jeffers's brilliant follow-up to his critically acclaimed *Commissioner Roosevelt*. The power plays, political intrigues, and military adventures of a century ago unfold with all the drama and impact of the Rough Riders' famous charge up San Juan Hill. *Colonel Roosevelt* is the unforgettable tale of how one man's personal ambitions and dreams of destiny propelled a young nation to prominence and a new era. Praise for **COMMISSIONER ROOSEVELT** *The Story of Theodore Roosevelt and the New York City Police, 1895-1897* "A lively, entertaining, and well-researched portrait of a zealous reformer during the historic crusade that successfully launched his career in government." —Booklist "Jeffers captures the public-spirited TR in all his pugnaciousness." —Publishers Weekly

Two Secret Service agents sworn to guard their protectees lost them in a single moment . . . and in this #1 New York Times bestseller, they're about to learn that the violence has just begun. Michelle Maxwell has just wrecked her promising career at the Secret Service. Against her instincts, she let a presidential candidate out of her sight for the briefest moment and the man whose safety was her responsibility vanished into thin air. ?Sean King knows how the younger agent feels. Eight years earlier, the hard-charging Secret Service agent allowed his

attention to be diverted for a split second. And the candidate he was protecting was gunned down before his eyes. Now Michelle and Sean are about to see their destinies converge. Drawn into a maze of lies, secrets, and deadly coincidences, the two discredited agents uncover a shocking truth: that the separate acts of violence that shattered their lives were really a long time in the making—and are a long way from over. When Army Special Agent John Puller finds his aunt dead in Florida, he suspects it's no accident . . . and as local police dismiss the case, the cracks begin to show in a picture-perfect town. Army Special Agent John Puller is the best there is. A combat veteran, Puller is the man the U.S. Army relies on to investigate the toughest crimes facing the nation. Now he has a new case--but this time, the crime is personal: His aunt has been found dead in Paradise, Florida. A picture-perfect town on Florida's Gulf Coast, Paradise thrives on the wealthy tourists and retirees drawn to its gorgeous weather and beaches. The local police have ruled his aunt's death an unfortunate, tragic accident. But just before she died, she mailed a letter to Puller's father, telling him that beneath its beautiful veneer, Paradise is not all it seems to be. What Puller finds convinces him that his aunt's death was no accident...and that the palm trees and sandy beaches of Paradise may hide a conspiracy so shocking that some will go to unthinkable lengths to make sure the truth is never revealed.

The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel. Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive. As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her. And all the while, Robie and Reel are stalked by a new adversary: an unknown and unlikely assassin, a woman who has trained her entire life to kill, and who has her own list of targets--a list that includes Will Robie and Jessica Reel.

In this #1 New York Times bestselling thriller, when two former Secret Service agents investigate a message from a soldier who was supposedly killed, they're determined to protect his son...even if they pay for it with their lives. It seems at first like a simple, tragic story. Tyler Wingo, a teenage boy, learns the awful news that his father, a soldier, was killed in action in Afghanistan. Then the extraordinary happens: Tyler receives a communication from his father...after his supposed death. Tyler hires Sean and Michelle to solve the mystery surrounding his father. But their investigation quickly leads to deeper, more troubling questions. Could Tyler's father really still be alive? What was his true mission? Could Tyler be the next target? Sean and Michelle soon realize that they've stumbled on to something bigger and more treacherous than anyone could have imagined. And as their hunt for the truth leads them relentlessly to the highest levels of power and to uncovering the most clandestine of secrets, Sean and Michelle are determined to help and protect Tyler--though they may pay for it with their lives.

Checking into a psychiatric institution after the events in Hour Game, former Secret Service agent Michelle Maxwell is worriedly monitored by partner Sean King, who distracts himself with a murder investigation at a genius enclave where a sophisticated microprocessor is being developed. Reprint.

Freddy Funkhouser comes up with an idea to bolster business for his family's fast-food health restaurant, Burger Castle, and finally defeat Pookesville's biggest bully, Adam Spanker. The book deals with "propositional" logic by the truth-table method, briefly introducing axiomatic procedures, and proceeds to the theory of the syllogism, the logic of one-place predicates, and elementary parts of the logic of many-place predicates. Revision material is provided covering the main parts of the course. The course represents from eight to twenty hours work, depending on the student's speed of work and on whether optional chapters are taken.

Baldacci's #1 "New York Times" bestseller brings back Sean King and Michelle Maxwell--the unstoppable duo from "Split Second"--on the trails of two diabolical killers, one of whom is copying the other--and stealing the "credit."

Following their collaboration in Split Second, ex-Secret Service agents Sean King and Michelle Maxwell have gone into partnership and are investigating the robbery of some secret documents at the residence of the incredibly wealthy Battle family. It seems like a straightforward case of domestic burglary, but soon they begin to suspect links to larger, more terrifying events now shaking the prosperous town of Wrightsburg...The unidentified corpse of an attractive young woman turns up in the woods; two high school kids, one shot in the back, the other in the face, are found dead in their car; a successful lawyer is discovered stabbed to death in her own home. A serial killer is on the loose. The murderer kills in the manner of famous killers of the past but takes care to leave a stopped watch at the scene of each crime - corresponding to the victim's position on his hit list. As the killing spree escalates it seems that the fractured Battle family are somehow involved and Maxwell and King suddenly find themselves racing to solve an intricate puzzle, one that is full of tantalizing clues but barren of solid evidence, and one that is leaving even the FBI confounded. And all the while, the body count is rising...
