

How To Live 365 Days A Year

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

A charming debut middle-grade novel about a girl from off-the-grid Alaska adjusting to suburban life Eleven-year-old Rigel Harman loves her life in off-the-grid Alaska. She hunts rabbits, takes correspondence classes through the mail, and plays dominoes with her family in their two-room cabin. She doesn't mind not having electricity or running water—instead, she's got tall trees, fresh streams, and endless sky. But then her parents divorce, and Rigel and her sisters have to move with their mom to the Connecticut suburbs to live with a grandmother they've never met. Rigel hates it in Connecticut. It's noisy, and crowded, and there's no real nature. Her only hope is a secret pact that she made with her father: If she can stick it out in Connecticut for one year, he'll bring her back home. At first, surviving the year feels impossible. Middle school is nothing like the wilderness, and she doesn't connect with anyone . . . until she befriends a crow living behind her school. And if this wild creature has made a life for itself in the suburbs, then, just maybe, Rigel can too. 365 Days to Alaska is a wise and funny debut novel about finding beauty, hope, and connection in the world no matter where you are—even Connecticut.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the

highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he

believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

Ride the hilarious roller coaster with Glen Stanford as he follows Steve Scott's plan in "How to Write a Nonfiction e-Book in 21 Days " Not one to let the writing process cramp his style, this ukulele-playing bluegrass-singing YouTube sensation (32 views and counting) juggles his new-found fame with astonishing persistence to produce not one, but two works of genius. This is the true story. The (secret) recipe for success: Writer's buzz - 1oz Sleepless nights - 2oz Tenacity (and beer) - 7 (units left deliberately vague) Irreverence and political incorrectness - to taste Espresso - administered intravenously - 55 gal Pizza (1/2

pepperoni, 1/2 mushroom) - 37 slices Humility - a whole bunch Blend and enjoy. National Book Award Finalist: The Vietnam War as seen through the eyes of an army doctor—"a book of great emotional impact" (The New York Times). In 1968, as a serviceman in the Vietnam War, Dr. Ronald Glasser was sent to Japan to work at the US Army hospital at Camp Zama. It was the only general army hospital in Japan, and though Glasser was initially charged with tending to the children of officers and government officials, he was soon caught up in the waves of casualties that poured in from every Vietnam front. Thousands of soldiers arrived each month, demanding the help of every physician within reach. In 365 Days, Glasser reveals a candid and shocking account of that harrowing experience. He gives voice to seventeen of his patients, wounded men counting down the days until they return home. Their stories bring to life a world of incredible bravery and suffering, one where "the young are suddenly left alone to take care of the young." An instant classic of war literature, 365 Days is a remarkable, ground-level account of Vietnam's human toll.

Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.
