

## How To Pray With Passion And Power

A powerful tool for greater fervency and frequency in your communion with the Lord. A primer on prayer readers will turn to again and again!

The most important questions anyone can ask are: Why was Jesus Christ crucified? Why did he suffer so much? What has this to do with me? Finally, who sent him to his death? The answer to the last question is that God did. Jesus was God's Son. The suffering was unsurpassed, but the whole message of the Bible leads to this answer. The central issue of Jesus' death is not the cause, but the meaning. That is what this book is about. John Piper has gathered from the New Testament fifty reasons in answer to the most important question that each of us must face: What did God achieve for sinners like us in sending his Son to die?

Of all the disciplines of the Christian life, prayer is perhaps the most neglected. Yet Jesus' brief earthly life was permeated with it. A Passion for Prayer seeks to help you develop—or deepen—your communion with God. Drawing on personal experience and God's Word, Pastor Tom Elliff shares principles for daily coming before the throne of grace.

Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure.

New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film *War Room* into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. *Why Some Prayers Work, Why Some Don't, and How You and God Can Change Things for Good* How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you.

If you want positive results from prayer, you first need to pray! But so many people who say they believe in the power of prayer actually pray very little ... 'r not at all. It's time to get serious about prayer. Autumn Miles says that we must stop being prayer wimps and instead be transformed into "prayer gangsters"—People who are dangerously passionate about their faith and loyalty to God. Autumn Miles had reached a point in her life where she was sick of hearing about answered prayers in other people's lives

but not seeing any in her own. Having grown up in the church as a pastor's kid, she knew how to pray using certain words in just the right style that impressed those around her, but her prayers did nothing to draw her closer to God and what He wanted to do in and through her life. Prayer was a dead language in her life, yet she was desperate to see answers to her prayers. Frustrated with God, she had an epiphany that her prayer life had a foundation of doubt and not faith, which changed the focus and purpose of her prayers. Autumn believes that God wants to give us so much more than what we've been settling for. It's time our prayer life, which has been mediocre at best, becomes something that is more fervent, more intentional, and highly expectant of seeing God answer prayers and work in our lives every single day. GANGSTER PRAYER won't teach you how to pray, because that has distracted the church long enough. Instead, it will help reveal the heart behind a believing prayer and put the focus back on who we are praying to instead of on what we are praying for. With a changed perspective and objective, we can finally see the results from prayer we've been longing for-not just answers but a changed life.

Edward M. Bounds takes us on a journey deep into the heart of active, powerful, life-giving prayer. He invites us to pray in such a way that involves and touches our entire being: mind, soul and body. We have all heard stories of great men and women whom God used to change the world as they wrestled with Him on their knees. This book uncovers the secrets to their devotion and gives practical ideas and advice for entering into a more intimate and powerful life with God through prayer.

While devotional works rarely tie in closely to the biblical text, and formal commentaries rarely apply the truths being taught in the Bible, this book uniquely does both at once. Included with each sub-section in Paul's letter are prayers that translate the truths of God's Word into personal worship.

You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

With an enthusiastic invitation to use her book as an interactive guide to deepen the reader's prayer, Debbie Williams sets out to redirect the focus from us to God, who is divine, and who can accomplish all things. Using the acronym PRAY for Praise, Repent, Ask, and Yield, she encourages a study of God's attributes with an A-Z exploration which ranges from Almighty to Zealous God. Each chapter reveals more of who God is and how He alone is capable to meet our every need as we recognize who He truly is.

"One hundred forty-five sermons on John 17"--

Prayer can feel mysteriously difficult, boringly perfunctory and frustratingly out of our control. Often prayer brings us comfort, but sometimes, especially when there aren't easy resolutions or prayers go unanswered, it intensifies and focuses our sense of longing, pain and care. And often God uses our times of darkness and desperation to awaken our hearts to the ache within

us--and the cries of those suffering around us. Prayer is all about coming before God to face life head-on, with all its jagged edges of mystery, joy, longing and agony. In fact, says pastor Matt Woodley, prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ, and therefore our experience of it should reflect the power, mystery and even risk of entering into relationship with the Lord of the universe. In this book Woodley strips away all the religious-speak and presuppositions we have about prayer, distilling it to the essence of wholehearted engagement with the living God. Exploring an earthy, unadorned, jargon-free approach to prayer, Woodley unpacks a host of fresh synonyms for God-encounters, including prayer as desperation, invocation, mystery, astonishment, groaning and even absence. These marginal ways of praying compel us to engage marginal people--the desperate, the groaning, the victimized and the ignored. As we pray God will open our eyes to the pain of the world around us. With stories from his own experience and biblical and historical examples, Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service.

Storm: What Jesus Is Saying to His Church is a book for every Christian who is concerned about the challenges that face believers today. Using powerful stories of people who have been transformed by Christ, it will strike a note of encouragement and hope, helping Christians to remember that a life surrendered to Christ in the midst of a church transformed by his presence cannot be defeated. No amount of spiritual darkness or cultural pressure can drown out the life-giving power of the gospel. Jim Cymbala believes that the church in America is in the middle of a powerful storm, the intensity of which is likely to increase in coming months and years. Many Christians are bewildered, disheartened, and concerned by what they see—a culture that's become increasingly hostile to biblical Christianity and a church whose vital signs are quickly waning. Like the storm surge that overtook lower Manhattan during Hurricane Sandy, powerful forces have come together to create a surge that's threatening the health of

the church. Storm will talk about the tendency on the right and on the left to conflate the kingdom of God with a particular political party. Many conservative Christians have made the mistake of substituting America for the Israel of the Old Testament, failing to realize the danger of adopting Old Testament principles that were never affirmed in the New Testament. Their message has sometimes been harsh and legalistic, making it difficult for them to proclaim a gospel of grace. Even though there is a great deal of emphasis on the Bible in such churches, it can often be the wrong emphasis. Jim Cymbala will explore the importance of preaching a gospel of grace rather than a gospel of mixed messages, so common in the church today. He will speak of our need to understand spiritual battles and for total dependence on the Holy Spirit, and he will discuss the importance of prayer. He will also explore the motivational atmosphere of the early church which flourished despite far worse conditions than those we face today. We don't need more church growth programs to turn the church around. What's needed is a transformation at the heart of the church so that the gospel is preached, the Holy Spirit is allowed to lead, and lives are transformed.
