Want to sell your handmade crafts or artwork at craft shows, but have no idea where to start? Or maybe you've taken the first step, and have tried selling your art at a craft fair or two, but now you're looking for ideas on how to sell more, how to make your booth more appealing to customers, and where to find more venues to sell your handmade goods at? You've come to the right place! Comprehensive and indispensable, this book gives advice on everything needed to succeed in the craft-show marketplace. Easy-to-follow instructions make it a snap to select the best shows to attend, create an appealing booth, and offer good customer service. Each chapter in the top-selling guidebook has been completely updated to reflect recent changes in the craft world and the book includes new information on branding, creating products that can compete in today's marketplace, selling on the Internet, and taking promotional photos, as well as creating new marketing strategies for pricing and moving merchandise. -Easy to read, full of practical wisdom and entertaining stories -Up-to-the-minute information on internet marketing and branding -Proven advice

Offers expert advice on selling handmade creations online, covering such topics as building an online presence, creating a business plan, writing copy, developing a marketing strategy, and advertising through social media.

Creating a Successful Craft Business involves strategy. Gone are the days where you can make your products, set up a market stall, sell your crafts and make money. The problem is there is too much competition from mass produced products. You need to find new ways of packaging your craft skills and passion into profitable products that don't involve long hours making items only to earn a minimal return. Or maybe you already have an online craft business, but it isn't generated the income you would like. I guarantee you, there are more profitable ways to leverage your craft skills and passion than what you are currently doing. 30 Ways to Turn Your Craft into Cash goes through 30 Strategies to find and develop a successful product for your Craft Business. If you are going to put energy into building your craft business, you want to make sure you have the right product. This book explores new and exciting ways to leverage your craft skills and passion beyond just making handmade items to sell. Every crafter has skills and knowledge they can share with others - they just need to know how to sell it. In this book you will discover new and exciting ways to Turn Your Craft into Cash. You will be able to create a Handmade Business that will allow you to make money from home. In this book you will learn: New ways to sell your handmade items and reach more buyers. How to package your craft skills, experience and passion into lucrative digital products that you can sell over and over again. How to position yourself as an expert so customers will pay more for your items. How to package other peoples' knowledge and experience into products that can make money for you. The book is broken into three sections. The first covers 12 different strategies for selling your Handmade items and includes links to the most lucrative online stores for marketing your products. The second section discusses 12 traditional and digital ways to package your knowledge and expertise into lucrative products. This section alone will revolutionise the way you look at your craft business and inspire you to create new money making products. And the third section covers 6 ways to make money from your craft passion, even if you're a novice crafter by leveraging the expertise and knowledge of other crafters. Over half the strategies covered in the book harness the power of the Internet and show you how to merge your craft skills and passion into profitable digital products that you can sell over and over with little ongoing effort from yourself. You will learn how to go from Sweat Shop to Ongoing Recurring Passive Income, in an Industry that you love. Many of these strategies are used outside of the craft industry to make millions of dollars. Now it is time to leverage these strategies in the Craft Business arena to create successful and profitable businesses based on more than just making and selling handmade items. Each strategy covers the upsides and downsides to implementing the strategy along with tips on getting started on each strategy. If you're tired of spending long hours at the dining room table making products you sell for minimal profit then this book is for you. Be prepared to change the way you look at your craft skills and passion. Be open to developing a new route for your craft business, then you will finally get paid, what you are truly worth, as a craftsperson. So grab your copy of 30 Ways to Turn Your Craft into Cash to get started creating your Successful Craft Business. BONUS Watch free a free video tutorial and download the free worksheets to create your very own 90-day fast track action plan to get your Craft Business making you money. All the details on the inside.

Open your own Shop on Etsy.com, the world's marketplace for handcrafted items, vintage finds, and crafting supplies. Start your own business selling one-of-a-kind treasures shoppers can't find in regular stores. For crafters, it's a revolution. Author and craft artist, James Dillehay has written nine books and operates more than fifty Web sites. "James was a guest speaker on our Guerrilla Marketing conference call and he blew me away with what he knows about selling on the Internet," said Jay Conrad Levinson, author of the Guerrilla Marketing series, over 15 million copies sold. "Sell Your Crafts Online" is a completely updated edition of Dillehay's book "The Basic Guide to Selling Crafts on the Internet," of which Lapidary Journal said "An astonishing amount of usable information, crammed into so few pages! James Dillehay has an amazing talent for getting right to the point, with a minimum of "geekese." Of the entire list of computer instructional manuals I have read, this one would top the list. I would not hesitate to recommend it . . . even to my mom."

Attention Safety Communicators: Do you want everyone Speaking the Same Language on Safety?Your workforce is going to give you about one minute to convince them to work safely.Do you know what to say, or write, in those first 60 seconds?Employees quickly tune out when they hear bland, irrelevant safety messages. For too long they have been fed complicated, legalistic communication written for compliance that totally ignores that people actually want to feel safe at work.What is needed is a new and easy way to create compelling, targeted risk communication that catches attention and keeps it. Yet, at the same time builds a safe, thriving and productive environment. This new way is "Transform Your Safety Communication."This is the book for you, if you want to:• Create clear, consistent safety messages, so everyone works to a common standard. • Understand the psychology behind why people don't listen. • Engage workers on safety, no matter how cynical. • Learn how to produce authentic and heart felt communication that builds trust. • Quickly generate relevant safety communication with easy to use frameworks and templates. • Accelerate your communication skills to boost your career prospects.""" What other Safety Leaders are Saying:"A thoroughly enjoyable read and will now take the place of my dictionary as the most used book on my desk."Michael Carney, HSE Manager Sydney, StarTrack"Simple sound theory backed up with experience, filled with tips and examples of the good, the bad, and the

ugly of safety communication, finishing with a “how to” guide.” Rachel Murphy, Health Safety and Compliance Coordinator, IHBI Queensland University of Technology”If you want to engage others and change their behaviour through effective communication, then this book is for you.” Paul Harper, CEO/Principal Mining Engineer, AMC ConsultantsYou'll Wish You Could Have Read it Years Ago!If you want to be the inspirational safety leader that you've always dreamed of being, then get your copy today.

SELLING YOUR CRAFTS ONLINE Sell your handmade crafts and artwork worldwide on the Web! Do you sell your own handmade crafts or artwork? There's a whole world of customers beyond what you find at crafts shows and malls. For the first time in history, there's a great way to reach them: the Internet! This guide will help you get started, get successful, and stay successful! -- Create a quick “mini” business plan that improves your chances of success -- Discover what sells best online—and what doesn't -- Predict your costs, see what competitors are doing, and set your best price -- Write compelling listings and take great photos, even if you're not a professional writer or photographer -- Create an attractive online presence on Etsy, eBay, and other sites -- Discover and compare growing online marketplaces you never knew existed -- Decide whether it makes sense to create your own craft-selling website -- Set yourself up to accept credit cards, PayPal, or other payment services -- Pack, seal, and ship your merchandise safely without overspending -- Answer questions, handle complaints, and offer guarantees -- Track your inventory -- Promote your business on Pinterest and beyond -- Measure your success and learn from experience

Etsy is a wildly popular website where crafters and craftsmen alike have discovered a portal where they can market and sell their handmade wares - literally around the globe. According to the latest stats from Etsy, there are over 14 million registered members, over 800,000 shops, over 39 million unique visitors each month, and transactions spanning across 150 countries. Those numbers represent a global marketplace for someone interested in selling their handmade items, but they also mean a tremendous challenge when a seller is faced with the daunting task of making their Etsy storefront visible among the thousands of others. Any successful Etsy seller will tell you the difference between a successful Etsy storefront and the storefront that gets lost in the mix often boils down to the tricky details. *The Complete Idiot's Guide® to Selling Your Crafts with Etsy* is written by someone who has proven selling success on Etsy and knows the tricks that will get a storefront noticed - and wares shipping out the door. From having the right keywords in place for optimum searchability, to creating an attractive storefront that will create return customers and loads of traffic, *The Complete Idiot's Guide® to Selling Your Crafts with Etsy* will help you learn the tricks of the trade and help you build the successful Etsy business you have always wanted.

A groundbreaking and endlessly surprising history of how artisans created America, from the nation's origins to the present day. At the center of the United States' economic and social development, according to conventional wisdom, are industry and technology-while craftspeople and handmade objects are relegated to a bygone past. Renowned historian Glenn Adamson turns that narrative on its head in this innovative account, revealing makers' central role in shaping America's identity. Examine any phase of the nation's struggle to define itself, and artisans are there-from the silversmith Paul Revere and the revolutionary carpenters and blacksmiths who hurled tea into Boston Harbor, to today's “maker movement.” From Mother Jones to Rosie the Riveter. From Betsy Ross to Rosa Parks. From suffrage banners to the AIDS Quilt. Adamson shows that craft has long been implicated in debates around equality, education, and class. Artisanry has often been a site of resistance for oppressed people, such as enslaved African-Americans whose skilled labor might confer hard-won agency under bondage, or the Native American makers who adapted traditional arts into statements of modernity. Theirs are among the array of memorable portraits of Americans both celebrated and unfamiliar in this richly peopled book. As Adamson argues, these artisans' stories speak to our collective striving toward a more perfect union. From the beginning, America had to be-and still remains to be-crafted.

Are you struggling to get your wood crafts into the hands of eager buyers? Learn how to turn your woodworking hobby into a thriving business. Is your handicraft side hustle failing to grow? You are creative, you are an artist or a photographer, you have a hobby or craft, something you absolutely love to do, and you are good at it. But you may be asking yourself, How do I market my work? How do I turn this into a real money making business? The answer lies between the covers of this new book. You will learn the steps you need to take to successfully sell your artwork or crafts even if you have no experience with marketing and even if you hate to sell. As with many other business segments, the Internet and technology have opened up the world and made it your marketplace. You and I, working from the comfort of home, are now on an even playing field with the largest retailers. This groundbreaking and exhaustively researched new book will provide everything you need to know to get your marketing message into the hands of your customers. You will learn about online galleries, designing your Web site cyber stores, arts and crafts search engines, publicity sources, online forums, auction sites, online marketing, e-mail marketing, and search engine marketing. You also will learn of over 300 Web sites on which you can sell your artwork, music, or crafts. This specialized book will demonstrate, step by step, how to inexpensively market and promote your artwork easily and, most important, profitably. You will learn how to quickly find new customers and keep existing ones buying more by using technology and low cost marketing devices that take little or no time on your part. You will learn to develop a marketing plan using hundreds of practical marketing ideas that will help you disseminate your artwork all over the world.
