Thoroughly revised and updated to include a new section on digital communications, a wide-ranging primer on the art of persuasive communication at work features a complete vocabulary of words and body language tailored to common work situations, from getting a job to dealing with supervisors, illustrated with sample scripts. Original.

Young serial entrepreneur Scott Gerber is not the product of a wealthy family or storied entrepreneurial heritage. Nor is he the outcome of a traditional business school education or a corporate executive turned entrepreneur. Rather, he is a hard-working, self-taught 26-year-old hustler, rainmaker, and bootstrapper who has survived and thrived despite never having held the proverbial "real" job. In *Never Get a "Real" Job: How to Dump Your Boss, Build a Business, and Not Go Broke*, Gerber challenges the social conventions behind the "real" job and empowers young people to take control of their lives and dump their nine-to-fives—or their quest to attain them. Drawing upon case studies, experiences, and observations, Scott dissects failures, shares hard-learned lessons, and presents practical, affordable, and systematic action steps to building, managing, and marketing a successful business on a shoestring budget. The proven, no-b.s. methodology presented in *Never Get a "Real" Job* teaches unemployed and underemployed Gen-Yers, aspiring small business owners, students, and recent college graduates how to quit 9-to-5s, become their own bosses, and achieve financial independence.

You know you can do more with your career. And the future is going to demand more of you. The problem is you are so busy keeping up with the day-to-day that you can't prepare for tomorrow. *Stretch: How to Future Proof Yourself for Tomorrow's Workplace* gives you the confidence and knowledge you need to achieve your goals in an ever-changing world. Karie Willyerd and Barbara Mistick—established experts and the collective winners of dozens of awards in the field of personal development and learning—offer evidence-based guidance on obtaining the skills you will need to thrive in tomorrow's workplace. Built on solid, global research and dozens of personal interviews with people who have achieved new and inspiring goals, *Stretch* offers advice, valuable insights, anecdotes, and recommendations to make achieving your goals practical and within reach. If you are like other professionals, your biggest worry is becoming obsolete at work. Shifting technologies, fierce competition among corporations, and recruitment occurring on a global level would give anyone concern. To remain relevant in spite of change, you need to know how to: Learn in any situation Open your thinking to a world beyond where you are now Connect to the people who can help you make your future happen Seek experiences that will prepare you for tomorrow Stay motivated through the ups and downs of a career so you can bounce forward *Stretch: How to Future Proof Yourself for Tomorrow's Workplace* offers five practices to help you start, enhance, and lengthen your career by anticipating the needs of tomorrow's work environment. Don't become obsolete. Instead, stretch to achieve your potential. How many times have you told yourself quit being such a PUSHOVER and stand up for what you really think and believe? Why don't you just speak up already? Are you fed up with pleasing others or settling for what you get instead of going for what you really want and need? Can you imagine how freeing and amazing it would be to get your power back and daring to be who you genuinely are? Are you looking for a straightforward and easy way to improve your self-esteem, reduce your self-criticism, feel better about yourself and have a healthier and happier life? If it sounds familiar then I urge you to keep reading. You are about to discover *Be Assertive! Be your authentic self!* This is not another book that gives you a plaster to put on the problem. This is a clear-cut cognitive behavioural therapy workbook that will help you become a more empowered and assertive individual, as well as, strengthen your self-esteem. It confronts the issue head on, asks you hard questions and reveals the true core source of your unassertiveness. By identifying and understanding the key psychological barriers that prevent you from acting assertively, challenging them directly and applying the newly learned strategies, you will be able to achieve permanent solutions. It will take allot of motivation, energy, courage and hard work to create a change in your life but it is indisputably worth it. You may ask yourself: What are the Benefits of reading *Be Assertive! Be your authentic self!*? 1.Developing practical and constructive strategies/skills that will improve your communication style, recapture a sense of control over your life and help you cope better with difficult situations in the present and the future. 2.Being able to communicate and express your own authentic unique self. 3.The dismantling of your inner bully and self-defeating behaviours will help you achieve your potential and a happier and more fulfilled life. 4.Learning to challenge your daily negative thoughts will change and improve your emotions, behaviours, physical and psychological well- being and add balance to your life. 5.The strengthening and the enhancement of your awareness of your personal strengths, as well as, changing the way you think about yourself and others will enable you to achieve personal growth. 6.Attaining a better understanding and acceptance of yourself. 7.Bonus- introducing self-compassion to your life This is your chance to live the life you truly desire and deserve. Go for it! and Buy your copy now!

If you are unemployed “ this book is for you.If you are wanting your own business “ this book is for you.If you need help in growing your business “ this book if for you.Having started and or operated over twenty businesses in my lifetime, I want to provide a path for others to see that they too can start their own business or partner with someone to start and grow a business.Too little money in your accounts? That is only a problem if you allow it to be a problem. Many people have started million dollar businesses in their kitchen or garage. And, age is not a factor. A lady in her 80's started painting. Before she was 90 she was a multi-millionaire. A highschool boy started selling office chairs at age 14. Now, in his mid-twenties, his business is over \$50 million. In another instance, a 17 year old liked planning trips. That developed to where he acquired busses and limousines to take customers on his planned trips. His revenues are

now over \$6 million. I will give you guidelines for getting started. It is up to you to proceed toward your goal. What excites you that could lead to your business?

The acclaimed, life-changing book that shows you how to stop "working" on yourself--and start living in the moment Have you ever wondered what it would feel like to go through your life without stress or self-doubt? To have a real sense of inner peace and fulfillment? Now you can--through the three simple principles in this book. Just as they do in their world-renowned workshops, Ariel and Shya Kane teach a refreshingly natural approach to living that is easy to do yet dramatically transformative. The three simple ideas that form the foundation of their approach are: What you resist persists and grows stronger. You can only be exactly as you are in the moment. Anything you allow to be exactly as it is completes itself. Once you grasp these three straightforward but enlightened concepts, you can stop "working" on yourself and start living the life you've always wanted--free from your old perceptions, and open to world of possibilities for discovering the ins and outs of who you are. "Working on Yourself Doesn't Work has much to offer to anyone who wants a more meaningful and spiritual life." --New York Spirit magazine "This may be the most profound and life-transforming book you'll ever read. If you want a life filled with excellence, well-being, and happiness, read this book now!" --Marie Forleo, author of Make Every Man Want You

Working for yourself can be an incredibly rewarding way of making a living, giving you more freedom, control, fun, satisfaction and even money, than you could have imagined. But if you have never done it before, it can be difficult to know where to start, how to get established and the pitfalls to look out for along the way. This book is a step-by-step guide, showing you how to do it in an effective, fulfilling and rewarding way. Drawing on Rachel Bridge's extensive experience and those of many others who already work for themselves, it contains practical advice and information, real-life examples and essential top tips to help you make a successful transition to working for yourself. You'll learn how to decide if this is the right path for you, how to get started, the key issues you need to think about and how to overcome obstacles and setbacks - not just from a practical point of view, but from a personal, financial and emotional perspective too. So whether you are currently in a salaried job and exploring the idea of going it alone, about to take your first step into the workplace after school or university, have just been made redundant or are already working for yourself, but need help and guidance on how to do it better, this is the book for you.

Put Your Spirit to Work: Making a Living Being Yourself will help you gain clarity about the kind of work you want to do. By undertaking this journey, you'll develop the confidence and enthusiasm you need to take practical steps toward significant life changes. The information, resources, and tools in this book will help you successfully navigate your career-and-life-work journey in the new world of work. As a result of completing this process you'll be able to: Understand who you are and what you want in your life work Navigate an ever-changing job market with confidence Move steadily toward a career goal or passion Create a career path that enables you to sustain a balanced lifestyle If you're looking for meaningful work, this book is for you. Start now, and make a living being yourself.

An inspirational self-improvement guide from a leader in personal and organizational accountability. Every day, we are faced with decisions from the moment we wake up until the moment we go to bed. Decisions about our families, our business, our futures. We are accountable for making decision, big and small, the cast the paths of our lives. So why do we spend so much time finger-pointing and blaming others? Mark Samuel is a master of accountability. In his book, teaches us how to go from victim to accountable and how to actually do what we say we are going to do. Taking ownership of the power of personal choice, regardless of the obstacles, means not only walking the talk but knowing what talk you are going to walk. Faced with fear of blame, fear of failure and fear of success, Samuel provides inspiration and strategy for impacting the world by achieving your goals. One of Samuel's main arguments in owning accountability is recognizing your current reality. He challenges readers to embrace certain "tools" that can place us in the right frame of mind to accept responsibility and accomplish all of our set goals both individually and as team members including: -Compassion: in taking accountability, also creating solutions that consider the welfare of all parties involved and for the entire organization in general. -Openness: let each member of the team, regardless of rank, have a chance to speak up and share their perspective in problem-solving -Sincerity: acknowledge the current reality with honesty yet without judgment. Call it what it is without criticizing at this stage From identifying the common roadblocks to accountability to focusing on the factor of forgiveness in taking responsibility, Samuel shows readers how to effectively stop the cycle of victimhood and blaming and shows us how to engage in the "accountability loop," a process of pragmatic self-examination, recognition and owning, and action. Using examples from the worlds of business, sports, parables and his own life story, Samuel highly-praised accountability lessons are now available for anyone to learn from.

When has whining about the supposedly unavoidable circumstances that led to your great debt ever paid down your principle? Has complaining about how taxes and Social Security have kept you from building up any kind of decent savings account ever increased your quarterly statements? Then stop your whining and deflecting and get to work on that financial freedom you've always dreamed of. Soldier of Finance is a no-nonsense, military-style training manual to overcoming financial obstacles and building lasting wealth. Author, army veteran, and Certified Financial Planner(TM) Jeff Rose modeled this financial survival guide on the Soldier's Handbook that is issued to all new US Army recruits. Inside the 14 modules that Rose used to systematize his essential elements of financial success, you will learn how to: • Evaluate your position and commit to change • Target and methodically eliminate debt • Clean up your credit report • Create tactical budgets • Build emergency savings • Invest for the short and long term • Determine an affordable mortgage size • And more Complete with tales from the trenches, useful quizzes, debriefings, and more, Soldier of Finance is the strategy manual and survival guide you need to win victory over your debt and bring order and prosperity to your life. Sharing the essentials of sales, marketing, negotiation, strategy, and much more, the creator of PersonalMBA.com shows readers how to master the fundamentals, hone their business instincts, and save a fortune in tuition.

In today's work environment, the lines between our professional and personal lives are blurred more than ever before. Whatever is happening to us outside of our workplace—whether stressful, painful, or joyful—follows us into work as well. We may think we have to keep these realities under wraps and act as if we "have it all together." But as Mike Robbins explains, we can work better, lead better, and be more engaged and fulfilled if—instead of trying to hide who we are—we show up fully and authentically. Mike, a sought-after motivational speaker and business consultant, has spent more than 15 years researching, writing, and speaking about essential human experiences and high performance in the workplace. His clients have ranged from Google

to Citibank, from the U.S. Department of Labor to the San Francisco Giants. From small start-ups in Silicon Valley to family-owned businesses in the Midwest. From what he's seen and studied over the years, Mike believes that for us to thrive professionally, we must be willing to bring our whole selves to the work that we do. Bringing our whole selves to work means acknowledging that we're all vulnerable, imperfect human beings doing the best we can. It means having the courage to take risks, speak up, have compassion, ask for help, connect with others in a genuine way, and allow ourselves to be truly seen. In this book, Mike outlines five principles we can use to approach our own work in this spirit of openness and humanity, and to help the people we work with feel safe enough to do the same, so that the teams and organizations we're a part of can truly succeed. "This book will offer you insights, ideas, and tools to inspire you to bring all of who you are to the work that you do—regardless of where you work, what kind of work you do, and with whom you do it. And, if you're an owner, leader, or just someone who wants to have influence on those around you—this book will also give you specific techniques for how to build or enhance your team's culture in such a way that encourages others to bring all of who they are to work."

Finding the courage to embrace change and take chances is the only way to succeed. Business, culture, and competitive landscapes have fundamentally changed, but basic principles and best practices for succeeding and future-proofing both yourself and your organization haven't. With a mix of compelling stories, research from the social sciences and psychology, and real-world insights, *Make Change Work for You* shows readers how to reignite their career, rekindle their creativity, and fearlessly innovate their way to success by providing the tools needed to master uncertainty and conquer every challenge they'll face in life or business. *Make Change Work for You* opens with an overview of the most common factors that lead to self-defeating behaviors, including fear of failure, embarrassment, underperformance, rejection, confrontation, isolation, and change itself. Using a simple four-part model, Steinberg guides readers to understand and better respond to the challenges that change can bring: Focus: Define the problem and come to understand it objectively. Engage: Interact with the challenge and try a range of solutions. Assess: Review the response(s) generated by your tactics. React: Adjust your strategy accordingly. And, finally, the book shows readers how to develop the vital personal and professional skills required to triumph in the "new normal" by understanding and engaging in the 10 new habits that highly successful people share: 1. Play the Odds 2. Embrace Tomorrow Today 3. Seek Constant Motion 4. Lead, Don't Follow 5. Never Stop Learning 6. Create Competitive Advantage 7. Connect the Dots 8. Pick Your Battles 9. Set and Align Your Priorities 10. Always Create Value

A proven system for improving your own work and for working better in a team Used by such organizations as the Walt Disney Company, Silicon Graphics, the Federal Reserve Bank, and the CIA, the Enneagram is a proven psychological system based on nine number types that helps people achieve self-awareness and develop strategic approaches to interpersonal interactions. In *Bringing Out the Best in Yourself at Work*, Enneagram teacher and business consultant Ginger Lapid-Bodga shows professionals how to apply this popular tool to their work as a way to improve their productivity and help them build positive relationships among coworkers. This practical guide explains how to use the Enneagram to: Communicate more effectively Provide constructive feedback Prevent and resolve conflict Bring out their strongest leadership skills Discover methods for professional development Work better in teams

"TRUST YOURSELF: Stop Overthinking, Master Your Emotions, and Channel Your Ambition for Success Career coach Melody Wilding has worked with hundreds of ambitious women and noticed something she calls an "Honor Roll Hangover": her clients are all former high-achieving students whose desire to conform to others' definitions of success followed them from school into the work world. They also consistently report feeling highly sensitive and easily overstimulated. Most of all, they tend to overthink EVERYTHING. Her clients' sensitive qualities—being highly attuned to their emotions, the environment, and the behavior of others—also make them susceptible to the stress that is a byproduct of their ambition. Typical workplace situations like getting negative feedback, giving a presentation, or dealing with difficult coworkers are more challenging than they are for people less sensitive. In *Trust Yourself*, Wilding identifies this problem and gives the nuanced reader profile a name—"Sensitive Strivers." And drawing on the latest research in behavioral psychology and neuroscience, she shows readers how to take control of their lives and redirect their sensitivity and drive as strengths"--

Are you interested in working for yourself? Do you want to earn good money doing what you love? Would you like to feel you have fulfilled your potential? If so, this book is for you. Ian Rowland has been self-employed for over twenty years. He has travelled the world, trained FBI agents, been a consultant for the British Olympics team, worked for many of the world's top companies (including Google and Coca-Cola), enjoyed triumphs and disasters and had a thoroughly good time! In this book, he gives you the best advice, guidance and ideas you'll ever read about working for yourself, making money doing what you love and fulfilling your potential.

Wondering how to be self-employed? This is the book for you. This is a new, basic approach to assisting you in making the proper decisions in the free agent lifestyle. It outlines the benefits and drawbacks, as well as ideas for free agent employment and what to focus on when you first start. It gives you no-nonsense guidance from someone who's done it and maintained it for some time, including sections on Getting Sales, Pricing, Taxes, Record-Keeping, and How to Survive the Grind. This book includes: - Reasons for leaving - Benefits and pitfalls of free agency - Ideas for free agent businesses - How to get started - National Insurance, and VAT responsibilities - How to price your services - How to get sales - Time management - Dealing with mortgages and pensions

Emotional intelligence, the awareness of and ability to manage one's emotions in a healthy and productive manner, is central to Daniel Goleman's groundbreaking work of the last decade. Today, authors Mulle and Feldman, take the concept to the layperson - teaching that emotional awareness is a direct key to personal and professional success. This new title by ASTD Press, will help individuals at all levels understand how emotions have a direct and profound effect on how well he or she performs on the job and life.

Kristin Neff, Ph.D., says that it's time to "stop beating yourself up and leave insecurity behind." *Self-Compassion: Stop Beating Yourself Up and Leave Insecurity Behind* offers expert advice on how to limit self-criticism and offset its negative effects, enabling you to achieve your highest potential and a more contented, fulfilled life. More and more, psychologists are turning away from an emphasis on self-esteem and moving toward self-compassion in the treatment of their patients—and Dr. Neff's extraordinary book offers exercises and action plans for dealing with every emotionally debilitating struggle, be it parenting, weight loss, or any of the numerous trials of everyday living.

Based on the New York Times bestseller *Unfu*k Yourself* comes an all new book of prompts, questions, and exercises, giving you the tools to intentionally commit to finally unfu*k your life. In *Unfu*k Yourself*, Gary John Bishop inspired people to put his words into action to transform their fu*king lives. Through seven paradigm shifting assertions such as: "I am wired to win," "I embrace the uncertainty"

and “I expect nothing and accept everything,” Bishop helped millions of readers to move past their self-imposed limitations. Still, Bishop knows it’s hard to go from reading the book, feeling inspired, and then actually doing the necessary work. That’s where *Do the Work* comes in: it’s the kick in the ass you need to get moving and create the life you want. The workbook drills down into three categories — self, people, and purpose — to help you identify and remedy the challenges that frustrate and often cripple us. Filled with entirely new material, including personalized prompts and exercises with ample lined space to journal and process, *Do the Work* expands the lessons in *Unfu*k Yourself*, giving you the tools to intentionally commit to taking on your life. “This is a personal workshop for your brain, a legit resource where you can work your life out, what matters to you, what’s going to make the biggest difference and empower you to act in ways that make some palpable change to the direction your life is currently taking.” The truth will set you free, right? So what are you waiting for?

In *Coach Yourself to Success* Talane Miedander shares the same core principles that she applies when personally coaching executives and international business leaders from companies such as AT&T, Chase Manhattan Bank, and Giorgio Armani. Talane shows readers how to tap into their natural motivation and leverage their strengths to achieve the results they desire.

Book Yourself Solid—now in paperback—is a complete instructional guide for starting and growing a successful service business. It gives you simple, yet effective techniques for creating relentless demand and endless leads. It includes more than 200 proven marketing strategies for attracting new clients, earning more referrals, and building profitable, long-lasting professional relationships. If you want to take your service business to the next level, start here and *Book Yourself Solid*.

Revealing a revolutionary new approach that allows readers to reach a state of awareness and "centeredness" that in the past was rarely, if ever, achieved, this book is a radical departure from the concept of working on oneself to bring about change.

The authors provide numerous insights into successful time management, arguing that managing time is a form of self-management and showing how to plan and schedule activities and how to conquer procrastination

From Dr. Nicole LePera, creator of "the holistic psychologist"—the online phenomenon with more than two million Instagram followers—comes a revolutionary approach to healing that harnesses the power of the self to produce lasting change. As a clinical psychologist, Dr. Nicole LePera often found herself frustrated by the limitations of traditional psychotherapy. Wanting more for her patients—and for herself—she began a journey to develop a united philosophy of mental, physical and spiritual wellness that equips people with the interdisciplinary tools necessary to heal themselves. After experiencing the life-changing results herself, she began to share what she’d learned with others—and soon “The Holistic Psychologist” was born. Now, Dr. LePera is ready to share her much-requested protocol with the world. In *How to Do the Work*, she offers both a manifesto for SelfHealing as well as an essential guide to creating a more vibrant, authentic, and joyful life. Drawing on the latest research from a diversity of scientific fields and healing modalities, Dr. LePera helps us recognize how adverse experiences and trauma in childhood live with us, resulting in whole body dysfunction—activating harmful stress responses that keep us stuck engaging in patterns of codependency, emotional immaturity, and trauma bonds. Unless addressed, these self-sabotaging behaviors can quickly become cyclical, leaving people feeling unhappy, unfulfilled, and unwell. In *How to Do the Work*, Dr. LePera offers readers the support and tools that will allow them to break free from destructive behaviors to reclaim and recreate their lives. Nothing short of a paradigm shift, this is a celebration of empowerment that will forever change the way we approach mental wellness and self-care.

This is a story of Robert Bagley's biography - his: family, faith, entrepreneurship, corporate sales experience, and then diving into being a full time reseller on Amazon and back to corporate America (due to "Lessons Learned") - putting his Amazon business back to part time. This is not a "how-to" book for how to sell on Amazon and Ebay, just sharing my story and a few best practices I learned along the way. Please don't purchase this book if you want a step-by-step tutorial on how to be a re-seller on Amazon and Ebay. As a young professional, Robert Bagley climbed and overcame many corporate mountains eventually earning a high six-figure income with several Fortune 500 companies. Still, something was missing from his vocational career and he knew that he needed to add a small business to his lifestyle. This would bring a change that not only involved a lot of personal risks, but a good amount of faith as well. And, not just faith in himself. And so he embarked on what would prove to be the most incredible game-changing season of his life. You'll be inspired, motivated, challenged, and moved-to-action by Robert's life-story and how selling on Amazon and eBay pulled his career toward a whole new path of becoming an eCommerce entrepreneur.

This cute and inspirational self care notebook is the perfect undated checklist notebook to keep track of your daily self care routine. Take a bath, read a book, do a facial and take care of yourself with this easy to use undated daily checklist.

With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.

Effective self-defense is a matter of playing the odds-- increasing your own advantages and decreasing those of your opponent. Written in clear easy-to-understand detail, *How to Defend Yourself* gives readers the tools to safely defend themselves. In this step-by-step illustrated guide, experienced martial arts instructor Martin Dougherty teaches a wide range of defense techniques, including: - Dealing with grabs, punches and kicks - Using blocks, deflections and evasions - Identifying potential threats - Preemptive hits and

counterattacks Comprehensive and essential, How to Defend Yourself is an invaluable guide to get out of potentially difficult situations while coming to minimal harm. Great leaders are driven to win. Yet career wins can come at great cost to your health, relationships, and personal well-being. Why does it seem impossible to both win at work and succeed at life? Michael Hyatt and Megan Hyatt Miller know we can do better because he's seen it in his more than four decades as a successful executive and a loving and present husband and father. Today Michael and his daughter, Megan Hyatt Miller, coach leaders to live the double win. Backed by scholarly research from organizational science and psychology, and illustrated with eye-opening case studies from across the business spectrum and their own coaching clients. Win at Work and Succeed at Life is their manifesto on how you can achieve work-life balance and restore your sanity. With clarity, humor, and plenty of motivation, Win at Work and Succeed at Life gives you - an understanding of the historical and cultural forces that have led to overworking - 5 principles to rethink work and productivity from the ground up - simple but proven practices that enable you to slow down and reclaim your life - and more Refuse the false choice of career versus family. You can achieve the double win in life.

Build your successful consultant life doing the work you love, on your terms utilizing the practical tips, inspiration, and straightforward advice from recognized new world of work visionary and thought leader, Lisa Hufford. Readers who follow these practical, simple steps will learn how to discover their personal brand, identify the work they love to do right now, explore how to do more of that work, and ultimately, create a life with meaning and purpose.

We live in an age of unprecedented opportunity: with ambition, drive, and talent, you can rise to the top of your chosen profession regardless of where you started out. But with opportunity comes responsibility. Companies today aren't managing their knowledge workers careers. Instead, you must be your own chief executive officer. That means it's up to you to carve out your place in the world and know when to change course. And it's up to you to keep yourself engaged and productive during a career that may span some 50 years. In *Managing Oneself*, Peter Drucker explains how to do it. The keys: Cultivate a deep understanding of yourself by identifying your most valuable strengths and most dangerous weaknesses; Articulate how you learn and work with others and what your most deeply held values are; and Describe the type of work environment where you can make the greatest contribution. Only when you operate with a combination of your strengths and self-knowledge can you achieve true and lasting excellence. *Managing Oneself* identifies the probing questions you need to ask to gain the insights essential for taking charge of your career. Peter Drucker was a writer, teacher, and consultant. His 34 books have been published in more than 70 languages. He founded the Peter F. Drucker Foundation for Nonprofit Management, and counseled 13 governments, public services institutions, and major corporations.

What we cover on this book: MINDSET NEEDED TO START THE JOURNEY TAKING CARE OF YOURSELF HOW TO "KILL" OLD HABITS BEST FOODS TO FEEL BETTER AND STRONGER EXERCISE YOUR BODY EXERCISE YOUR BRAIN

When *Designing Your Life* was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers." –The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in *DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work* they apply that transformative thinking to the place we spend more time than anywhere else: work. *DESIGNING YOUR WORK LIFE* teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun.

Are you tired of working long hours at the expense of living your life? Are you fed up with waking up early and staying up late at a job where the boss does not appreciate what you do? Does it seem like you are wasting your life building other people's dreams and enriching them while you are still struggling after several years to pay your rent? Do you get regular panic attacks as you fear you will be one of the millions thrown out of their jobs daily? If so, then *How To Work for Yourself: Discover The Success Principles I Learned From Being Self-Employed For 20 Years* is the right book for you. Author Lema M.

Abeng empowers the reader by clearly laying out what it takes to win in free enterprise. In a captivating fashion, the book walks readers through the self-employment buzz, choosing a venture that is right for you, dealing with resistance from those closest to us and not so close, leadership qualities that matter most, the bread and butter aspects of growing a solid customer base, and the vitality of establishing multiple streams of income. Through her personal stories including real life examples of other entrepreneurs, of where they tripped and fell, and how they found courage to continue, she draws from 20 years of experience to lay down a road map you can follow to come out of the doldrums and take back your freedom. Right this moment you can arise and take charge of your life! You can shake off the shackles of fruitless labour and embrace a life of independence through self-employment. Get a copy of How To Work for Yourself now and let Lema take you through the journey of self-employment.
