

## Hug A Sloth Kit Book With Plush

Traces the life of a baby sloth from birth to six months old, providing information about the sloth's physical growth and developmental characteristics.

The ingenious author of *17 Things I'm Not Allowed to Do Anymore* and a brilliant illustrator and production designer of the *Coraline* movie have created a hilarious, touching picture book perfect for young animal lovers. Like the Caldecott Medal-winning *Officer Buckle and Gloria*, *Sparky* stars a pet who has more to offer than meets the eye. When our narrator orders a sloth through the mail, the creature that arrives isn't good at tricks or hide-and-seek . . . or much of anything. Still, there's something about *Sparky* that is irresistible. Winner of the Charlotte Zolotow Award

A New York Times bestseller from the yoga instructor who inspires more than one million followers on Instagram every day. Whether she's practicing handstands on her stand-up paddleboard or teaching Downward-Facing Dog to the masses, Rachel Brathen—Instagram's @Yoga\_Girl—has made it her mission to share inspirational messages with people from all corners of the world. In *Yoga Girl*, Brathen takes readers beyond her Instagram feed and shares her journey like never before—from her self-destructive teenage years in her hometown in Sweden to her adventures in the jungles of Costa Rica, and finally to the beautiful and bohemian life she's built through yoga and meditation in Aruba today. Featuring spectacular photos of Brathen practicing yoga with breathtaking tropical backdrops, along with step-by-step yoga sequences and simple recipes for a healthy, happy, and fearless lifestyle—*Yoga Girl* is like an armchair vacation to a Caribbean spa.

In *Baby, You're Gonna Be Mine*, Kevin Wilson's first story collection in nearly a decade, Wilson combines his signature quirkiness with his keen eye for emotional complexity to explore the fraught relationship between parents and children. "Wildfire Johnny" is the story of a man who discovers a magic razor that allows him to travel back in time. "Scroll Through the Weapons" is about a couple taking care of their underfed and almost feral nieces and nephews. "Signal to the Faithful" follows a boy as he takes a tense road trip with his priest. And "Baby, You're Gonna Be Mine," the title story, is about a narcissistic rock star who moves back home during a rough patch. These stories all build on each other in strange and remarkable ways, showcasing Wilson's crackling wit and big heart. Filled with imagination and humor, *Baby, You're Gonna Be Mine* is an exuberant collection of captivating and charmingly bizarre stories that promise to burrow their way into your heart and soul.

**WHY ARE SLOTHS ALWAYS SMILING?** Perhaps it's because they've mastered the art of taking it slow in a world whose frenzied pace is driving the rest of us crazy. Here, in a mindfulness book like no other, heart-tuggingly cute photographs of these always-chill creatures are paired with words of wisdom, all to inspire us to slow down, stop to enjoy the little things, and come up relaxed, centered, and smiling.

Awww! This dragonlet emerged from its egg all alone in the world. It needs a guardian-like you!-to teach it the finer points of flying, gold-hoarding, and toasting marshmallows with its breath. Everyone needs hugs, even if they're prickly. When Hedgehog wakes up feeling down in the snout and droopy in the prickles, he knows a hug will make him feel much better. But none of his animal friends are eager to wrap their arms around Hedgehog's prickles, and he's too smart to fall for Fox's sly offer. Then Hedgehog gets a surprise: Another animal in the forest is feeling exactly the same way. Luckily, both are kind and brave enough for the perfect hug.

Simple text and photographs describe the plants, animals, and bodies of water that a bunny can see in the forest.

Who is sneaking into the orchard at night to eat apples? Take a stroll through this picture book to find out. Each illustration leaves a clue as to who is hiding behind the tree. Young children will love guessing which animal is hidden. The rhythm and rhyme of this book will make it fun for your little one to 'read' along.

*Black Mirror* meets *What If It's Us* in this gripping, romantic, and wildly surprising novel about two boys lost in space trying to find their way home—while falling in love—from the critically acclaimed author of *We Are the Ants*. When Noa closes his eyes on Earth and wakes up on a spaceship called *Qriosity* just as it's about to explode, he's pretty sure things can't get much weirder. Boy is he wrong. Trapped aboard *Qriosity* are also DJ and Jenny, neither of whom remember how they got onboard the ship. Together, the three face all the dangers of space, along with murder, aliens, a school dance, and one really, really bad day. But none of this can prepare Noa for the biggest challenge—falling in love. And as Noa's feelings for DJ deepen, he has to contend not just with the challenges of the present, but also with his memories of the past. However, nothing is what it seems on *Qriosity*, and the truth will upend all of their lives forever. Love is complicated enough without also trying to stay alive.

A debut YA rom-com about smart girls, love-struck boys, and quantum theory Seventeen-year-old Evie Beckham has always been too occupied with her love of math and frequent battles with anxiety to want to date. Besides, she's always found the idea of kissing to be kind of weird. But by senior year, thanks to therapy and her friends, she's feeling braver than before. Maybe even brave enough to enter the national math and physics competition or flirt back with the new boy. Meanwhile, Evie's best friend, Caleb Covic, has always been a little in love with her. So he's horrified when he is forced to witness Evie's meet-cute with the new guy. Desperate, Caleb uses an online forum to capture Evie's interest—and it goes a little too well. Now Evie wonders how she went from avoiding romance to having to choose between two—or is it three?—boys.

These cat-sized bundles of fur with big, bushy tails are as adorable as they are smelly! Skunk families make their dens in hollow logs, in holes they've dug underground, or sometimes they just decide to live under houses or in sheds. They tend to live in forested areas but also inhabit towns and cities throughout North America. And if anyone has a problem with that, they get a quick spray of skunk juice! Through gorgeous pictures and simple text, readers will see how the cute little kits learn about hunting and how to live on their own in this coming-of-age introduction to baby skunks.

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside What if a coyote and dingo had a fight? Who do you think would win? This nonfiction reader compares and contrasts two ferocious animals. Readers will learn about each animal's anatomy, behavior, and more. Then compare and contrast the battling pair before finally discovering the winner! There are times in life when all you need to find solace is a small gesture of consolation. *100 Hugs*, a collection of everyday comforts, offers such solace. Each hug is a reminder to slow down and take comfort in the little things, from indulging in warm cookies and milk to watching fireflies on a summer evening. Sandy Gingras's "hugs" are the beacons of light that shine through the fog of everyday life. Sandy Gingras's uplifting words illustrated with her original watercolor art create pretty little "hugs."

These hugs are perfect to give as a gift or to keep for your own personal growth. They are nourishment for the body, mind, and soul, reminding you to take a step back and become that flourishing version of you again.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the *Twilight* Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they

want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

For years, Jared has existed on the fringes of both Eden society and Dallas O'Kane's Sector Four gang. He travels between these worlds, protected by his money and power--money he earned selling his body, and power that comes from knowing secrets. He's untouchable—until he starts a new life gathering intelligence for the O'Kanes. Lili Fleming walked out of Sector Five with a gun, the bloodstained clothes on her back, and an icy determination to survive. She finds herself in a world where people live hard and love harder, and nothing's more terrifying than how much the O'Kanes wake her up, make her feel—especially Jared. Emotion is a risk he can't afford, and a complication she doesn't need. But neither can resist the lust simmering between them, and the sparks that could either melt the ice around both their hearts...or get them killed. Because the only thing more dangerous than loving an O'Kane is loving a spy.
