Angelo Parrano's great passion? Cooking his family's Italian cuisine in the heart of Seattle's Pike Place Market. His success definitely leaves no time for a personal life. Jo Thompson escaped small-town Alaska by applying her brains and sheer force of will. Now a top-notch corporate lawyer in Seattle, her life plan runs right on track. The myth of cozy family? Not on her schedule. From the very first moment, they both must confront the place in their hearts Where Dreams Reside.

Thomas is a man who appreciates simple things: his small house and the beautiful trees that surround it. When the trees are removed and replaced by buildings, Thomas must cope with this change, and readers learn to see beauty in their surroundings. Featuring lush, bright, intricate illustrations.

When Rosa moves to Chicago and begins taking ice skating lessons, she meets the reigning superstar, Jacqui, who is an ice queen in more ways than one.

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

One of the biggest attractions of George R.R. Martin's high fantasy series *A Song of Ice and Fire*, and by extension its HBO television adaptation, *Game of Thrones*, is its claim to historical realism. The author, the directors and producers of the adaptation, and indeed the fans of the books and show, all lay claim to Westeros, its setting, as representative of an authentic medieval world. But how true are these claims? Is it possible to faithfully represent a time so far removed from our own in time and culture? And what does an authentic medieval fantasy world look like? This book explores Martin's and HBO's approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns. Examining both books and programme from a range of critical approaches - medievalism theory, gender theory, queer theory, postcolonial theory, and race theory - Dr Carroll analyzes how the drive for historical realism affects the books' and show's treatment of men, women, people of colour, sexuality, and imperialism, as well as how the author and showrunners discuss these effects outside the texts themselves. SHILOH CARROLL teaches in the writing center at Tennessee State University.

After recovering from an emotional breakdown, a scrappy high school student dares to be happy and disrupt the social scene. Margaret "Cuckoo" Clarke recently had a brief stay in a mental institution following an emotional breakdown, but she's turning over a new leaf with her "Operation Happiness". She's determined to beat down the bad vibes of the Haters, the Terror Teachers, and all of the trials and tribulations of high school by writing and drawing in her diary. And when life gets really tough, she works through her own moments of uncertainty through imaginary conversations with her favorite literary characters. Cuckoo's also got a nearly impossible mission: she, along with her misfit band of self-deprecating friends (who call themselves "the Freakshow") decide to bridge the gap between warring cliques and "bring the Nations together". Not everyone is so willing to join hands and get along, but Cuckoo never stops smiling . . . until one of her closest friends, pushed to desperation by a Hater prank, decides that enough is enough. In James Patterson's first highly illustrated "diary fiction" story for teens, the mega-bestselling author's most endearing and original teen heroine ever proves that everyone can use a helping hand once in a while.

Tania Dunn is a promising ice-skater, but is in for a shock when her coach decides to pair her with Zac, a daredevil novice skater, for the summer ice show. Tania is outraged! She has always been a singles skater and she doesn't trust Zac on the ice at all. But Zac is very good looking and willing to try anything and slowly but surely he begins to win Tania over . . .

An unlikely group of space travelers travel to the moon and find themselves among familiar residents. (Black and white version)

Bestseller and author of the popular middle grade series *Confectionately Yours* Lisa Papademetriou is back with a magical, page-turning adventure for readers of all ages—a touching tale about destiny and the invisible threads that link us all, ultimately, to one another. Kai and Leila are both finally having an adventure. For Leila, that means a globe-crossing journey to visit family in Pakistan for the summer; for Kai, it means being stuck with her crazy great-aunt in Texas while her mom looks for a job. In each of their bedrooms, they discover a copy of a

blank, old book called *The Exquisite Corpse*. Kai writes three words on the first page—and suddenly, they magically appear in Leila's copy on the other side of the planet. Kai's words are soon followed by line after line of the long-ago, romantic tale of Ralph T. Flabbergast and his forever-love, Edwina Pickle. As the two take turns writing, the tale unfolds, connecting both girls to each other, and to the past, in a way they never could have imagined. A heartfelt, vividly told multicultural story about fate and how our stories shape it.

HBO's hit series *A GAME OF THRONES* is based on George R R Martin's internationally bestselling series *A SONG OF ICE AND FIRE*, the greatest fantasy epic of the modern age. *A DANCE WITH DRAGONS: DREAMS AND DUST* is the FIRST part of the fifth volume in the series. 'Richly satisfying and utterly engrossing' *Sunday Times*

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory patter presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribs - No Assistants - Large Fonts Make the Text Easy to Read - Can Be Performed Stand-Alone or with Other Book Tests

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Hidden in the forgotten tunnels beneath the castle of Thorilleia lies an ancient book written by a powerful wizard. Two young men set out to find the book, which is said to contain a mysterious secret. Their journey takes them across rugged mountains and through dense forests where they encounter dangerous creatures and strange cultures. When they reach Thorilleia, they find themselves thrust into a pivotal role in a war between great kingdoms. Loaded with action and unexpected twists, *Dragon's Dust* is not just a quest for riches and power; it's an adventure story where integrity, determination, and courage prevail in dire circumstances.

Children are naturally inquisitive and eager to explore and learn about the world around them. It is important for their guardians, both Parents and Teachers, to satisfy their queries, and that too, in such a way that the children are able to understand and comprehend the concepts as well as learn from them. Also, there exists a gap in the level of information and knowledge provided to the children by the Parents vs. that provided by their Teachers. Discrepancies might also exist in the methodology(ies) through which the information and knowledge is relayed. This increases the possibility that the children might either not understand the concept clearly or become confused about the correct interpretation of the concepts. With these objectives in mind, and to build connectivity between the teaching methodologies by Parents and Teachers, we at Oswaal Books, have come up with this Manual for Teachers and Parents. Some benefits of using this manual are: • It aims to aid the Teachers and Parents in simplifying the concepts studied by children as a part of their curriculum • It equips the parents and teachers to enable the children to understand the subjects, and also evaluate their measure of understanding and creativity. • It includes Learning and Understanding Aids along with a Lesson Plan for each Chapter • It demonstrates Effective Teaching Techniques • It also gives various Propositions for Step-wise Learning and Building up of Concepts IMPORTANT FEATURES OF THE BOOK: Strictly based on latest NCERT Textbook The manual is based on the latest NCERT Textbook 6 Exploratory Learning objectives These provide explicit instructions to parents and teachers to teach their wards Effective Teaching Techniques The manual has tried and tested teaching techniques for higher success rate WHAT THIS BOOK HAS FOR YOU: Lesson Plan for each Chapter This provides clarity and direction to the users Tabulated and Categorised information This helps in creating and effectively executing the lesson plan 5Es of Learning This Manual is based on the 5 Es of Learning: Engage, Explore, Explain, Elaborate & Evaluate About Oswaal Books: We feel extremely

The five principles, namely the Quran; Hadith; Ijma; Kiyas and common sense makes and stabilizes the whole of Islam. I have observed that the writings and commentaries of a few who are ignorant or are not fully versed in the knowledge of the Quran and Hadith are taken as the root by a few, who by their writings, commentaries and orations are propagating ideas that are a distortion of and in complete variance with the religion of Islam and thus create "Bid`ah" amongst the public. To those who seek genuine and authentic ideas of the Quran and Hadith, these expositions have become stumbling blocks. Therefore, I seek to expostulate the basic facts and ideas with supporting evidences that constitute Islam that I gained by years of painstaking and difficult research. The style of writing in this book is much against the traditions and style adopted in normal book writing. It is not divided into chapters but mere orations; some ideas are repeated several times and that too in many different angles. I, therefore seek your indulgence and patience to read and understand and do not come to conclusions by just going through parts of the book. The contractual obligations between you the reader and me is that if you are a Mumin who fully believes in Allah and Rasool (Quran and Hadith) then study this book, if not do not lay hands on this book.

As a young child, becoming a beautiful bride seemed like the ultimate fairy-tale dream. But for Alex Payne, the fantasy of marriage has transformed into a shattering nightmare. Facing constant verbal abuse, sexual violence, and intimidation from her husband Greg, Alex has become a broken shell of the person she used to be. And since Greg slaughtered her beloved puppy Beatrice, she's even more terrified than ever to leave. When Alex learns Greg has been unfaithful, she finally shares her entire story with her best friend Elise, who has also experienced the horror of an abusive relationship. With the help of Elise's boyfriend David, the trio devise a cunning plan to rescue Alex from her misery for good. But with a serial killer on the loose, this grand escape becomes more dangerous than Alex ever imagined-between a deranged murderer roaming the streets and a husband who has already threatened to kill her if she ever attempts to leave, will she manage to survive brutality at home and live to enjoy a new life of freedom?

When guidance counselor Maggie O'Connell is plagued by terrible nightmares, she believes stress is the reason for her torment, but she couldn't be more wrong. Unfortunately for Maggie, in the shadows of her dreams lurks a Dream Stalker who is addicted to the dark emotions produced by her night terrors. Zane, a Dream Weaver from another dimension, visits Maggie in her nighttime fantasies to discover there is more than just a Dream Stalker after her. As the man of her fantasies becomes real, Maggie's true nightmare begins.

Strupac, fornenst, trappy, scriss, kippy, snool, flying axehandles, from across - these and hundreds of other fascinating and colourful words and phrases give the English language as it has been spoken in Canada's smallest province a flavour all its own. With the Dictionary of Prince Edward Island English, T.K. Pratt makes a major scholarly contribution to the growing list of regional dictionaries that enable us to discover the rich heritage of the language as spoken throughout North America; at the same time it offers a splendid general introduction to the historical and sociological life of the island. There are approximately 1000 entries of non-standard or dialect words, past and present. The notes deal with usage, pronunciation, alternate forms and spellings, and stylistic and regional labels. Entries include definitions, supportive quotations from P.E.I. sources, editorial notes about various subtleties, and dictionary notes which provide links to some thirty-five other dictionaries. Pratt's introduction defines the criteria for inclusion of words, explains his research methods, and outlines the layout of entries. The end matter includes a bibliography and an important sociolinguistic essay, 'The Dictionary in Profile,' which places the work in the broader context of Prince Edward Island speech. Its range and depth of coverage make this an essential work not only for those concerned with P.E.I. and Maritimes studies, but for all those interested in the regional usage of English.
