

## Illusive By Emily Lloyd Jones

An intoxicating blend of fantasy, horror, and romance--a Faustian fable perfect for fans of Holly Black, and Stranger Things. Dee Moreno is out of options. Her home life sucks (to put it mildly), and she's about to get booted from her boarding school--the only place she's ever felt free--for lack of funds. But this is a world where demons exist, and the demons are there to make deals: one human body part in exchange for one wish come true. The demon who Dee approaches doesn't trade in the usual arms and legs, however. He's only interested in her heart. And what comes after Dee makes her deal is a nightmare far bigger, far more monstrous than anything she ever could have imagined. Reality is turned on its head, and Dee has only her fellow "heartless," the charming but secretive James Lancer, to keep her grounded. As something like love grows between them amid an otherworldly threat, Dee begins to wonder: Can she give James her heart when it's no longer hers to give? In *The Hearts We Sold*, demons can be outwitted, hearts can be reclaimed, monsters can be fought, and love isn't impossible. This book will steal your heart and break it, and leave you begging for more.

Taran, Assistant Pig-Keeper to a famous oracular sow, sets out on a hazardous mission to save Prydain from the forces of evil.

They thought they had escaped. They were wrong. After fleeing the Branch with Sam, Cas, and Nick, Anna is learning how to survive in hiding, following Sam's rules: Don't draw attention to yourself. Always carry a weapon. Know your surroundings. Watch your back. When memories from Anna's old life begin to resurface--and a figure from her childhood reappears--Anna's loyalties are tested. Is it a Branch set-up, or could it be the reunion Anna has hoped for? Ultimately, the answers hinge on one question: What was the real reason her memories were erased in the first place? Jennifer Rush delivers a thrilling sequel to *Altered* in a novel packed with mysteries, lies, and surprises that are sure to keep readers guessing until the last page is turned.

2011 Reprint of 1959-1960 Two volume Set. Two volumes bound in one. Full facsimile of the original edition, not reproduced with Optical Recognition Software. David Martyn Lloyd-Jones was a Welsh Protestant minister, preacher and medical doctor influential in the Reformed wing of the British evangelical movement in the 20th century. He took the view that true Christian fellowship was only possible amongst those who shared common convictions regarding the nature of the faith. This two volume set consists of thirty sermons preached on successive Sundays. The "Sermon on the Mount" is not a code of ethics or of morals; it is a description of what Christians are meant to be. In *Studies in the Sermon on the Mount*, D. Martyn Lloyd-Jones offers a comprehensive exposition of one of the best known but often misunderstood passages in the Bible. With characteristic wisdom, he keeps one eye on Scripture and the other on the world as he explains Christ's teaching to modern-day believers.

Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect ~ including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day

when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger? He's a survivor. No matter the cost. Until he met Ciere and her crew of superpowered thieves, Alan Fiacre's life had been singularly focused on safeguarding the vaccine that changed the world. As an eidolon, and reluctant heir to his father's legacy, it was his duty to ensure the formula never fell into the wrong hands. So it came as something of a shock to learn the right hands might belong to criminals. Now Alan and Ciere are conscripted into service with the Gyr Syndicate, notorious mobsters set on taking down all of the other crime families in the United States. Their latest mission: a train heist meant to derail a covert arms deal. It will put Alan--and the formula--in more danger than he's ever faced before. But if he's learned nothing else from Ciere, it's that there's more to life than survival. Word Count: ~12,000 words

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

"The Little Mermaid" takes a twisted turn in this thrilling sequel to villainess origin story *Sea Witch*, as the forces of land and sea clash in an epic battle for freedom, redemption, and true love. Runa will not let her twin sister die. Alia traded her voice to the Sea Witch for a shot at happiness with a prince who doesn't love her. And his rejection will literally kill her—unless Runa intervenes. Under the sea, Evie craves her

own freedom—but liberation from her role as Sea Witch will require an exchange she may not be willing to make. With their hearts' desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the complications of sisterhood, the uncompromising nature of magic, and the cost of redemption. Revolution is rising in Wonderland. Dinah's battle has begun. Colleen Oakes's twisted reimaging of the Queen of Hearts origin story continues in this thrilling sequel, *Blood of Wonderland*. Dinah has been exiled from Wonderland. The vicious father she always feared has framed her for the brutal murder of her brother and turned the kingdom against her. Now hiding in the lush and mysterious Twisted Wood with only her war steed at her side, Dinah is faced with a choice—to leave Wonderland forever, or stay and fight her father for the throne. When a chance encounter with one of her father's long-lost enemies brings Dinah more allies than she ever could have imagined, war starts to feel inevitable. But before Dinah can lead her people into combat, she must confront certain truths about her heart and her destiny—no matter how dark those truths may be. Don't miss *War of the Cards*, the epic conclusion to the Queen of Hearts trilogy.

A genre-bending epic horror-fantasy, inspired by the legend of Faust, that spans generations as an ancient evil is uncovered--perfect for fans of Kendare Blake and Ransom Riggs. Before the birth of time, a monk uncovers the Devil's Tongue and dares to speak it. The repercussions will be felt for generations... Sixteen-year-old photography enthusiast Zoey has been fascinated by the haunted, burnt-out ruins of Medwyn Mill House for as long as she can remember--so she and her best friend, Poulton, run away from home to explore them. But are they really alone in the house? And who will know if something goes wrong? In 1851, seventeen-year-old Roan arrives at the Mill House as a ward--one of three, all with something to hide from their new guardian. When Roan learns that she is connected to an ancient secret, she must escape the house before she is trapped forever. 1583. Hermione, a new young bride, accompanies her husband to the wilds of North Wales where he plans to build the largest water mill and mansion in the area. But rumors of unholy rituals lead to a tragic occurrence and she will need all her strength to defeat it. Three women, centuries apart, drawn together by one Unholy Pact. A pact made by a man who, more than a thousand years later, may still be watching... This haunting and captivating mystery redefines the horror and fantasy space. It's a night like any other on board the *Icarus*. Then, catastrophe strikes: the massive luxury spaceliner is yanked out of hyperspace and plummets into the nearest planet. Lilac LaRoux and Tarver Merendsen survive. And they seem to be alone. Lilac is the daughter of the richest man in the universe. Tarver comes from nothing, a young war hero who learned long ago that girls like Lilac are more trouble than they're worth. But with only each other to rely on, Lilac and Tarver must work together, making a tortuous journey across the eerie, deserted terrain to seek help. Then, against all odds, Lilac and Tarver find a strange blessing in the tragedy that has thrown them into each other's arms. Without the hope of a future together in their own world, they begin to wonder???.would they be better off staying here forever? Everything changes when they uncover the truth behind the chilling whispers that haunt their every step. Lilac and Tarver may find a way off this planet. But they won't be the same people who landed on it. The first in a sweeping science fiction trilogy, *These Broken Stars* is a timeless love story about hope and survival in

the face of unthinkable odds.

Buffy the Vampire Slayer meets Sky in the Deep in this bewitching historical horror novel, perfect for fans of Holly Black and V.E. Schwab. Seventeen-year-old Aderyn ("Ryn") only cares about two things: her family and her family's graveyard. And right now, both are in dire straits. Since the death of their parents, Ryn and her siblings have been scraping together a meager existence as gravediggers in the remote village of Colbren, which sits at the foot of a harsh and deadly mountain range that was once home to the fae. The problem with being a gravedigger in Colbren, though, is that the dead don't always stay dead. The risen corpses are known as "bone houses," and legend says that they're the result of a decades-old curse. When Ellis, an apprentice mapmaker with a mysterious past, arrives in town, the bone houses attack with new ferocity. What is it that draws them near? And more importantly, how can they be stopped for good? Together, Ellis and Ryn embark on a journey that will take them into the heart of the mountains, where they will have to face both the curse and the deeply-buried truths about themselves. Equal parts classic horror novel and original fairy tale, *The Bone Houses* will have you spellbound from the very first page. An instant IndieBound bestseller!

Fans of Ally Carter's Heist Society novels will love this teen mystery/thriller with sarcastic wit, a hint of romance, and Ocean's Eleven–inspired action. Julep Dupree tells lies. A lot of them. She's a con artist, a master of disguise, and a sophomore at Chicago's swanky St. Agatha High, where her father, an old-school grifter with a weakness for the ponies, sends her to so she can learn to mingle with the upper crust. For extra spending money Julep doesn't rely on her dad—she runs petty scams for her classmates while dodging the dean of students and maintaining an A+ (okay, A-) average. But when she comes home one day to a ransacked apartment and her father gone, Julep's carefully laid plans for an expenses-paid golden ticket to Yale start to unravel. Even with help from St. Agatha's resident Prince Charming, Tyler Richland, and her loyal hacker sidekick, Sam, Julep struggles to trace her dad's trail of clues through a maze of creepy stalkers, hit attempts, family secrets, and worse, the threat of foster care. With everything she has at stake, Julep's in way over her head . . . but that's not going to stop her from using every trick in the book to find her dad before his mark finds her. Because that would be criminal. "A sexy love triangle and madcap mystery . . . I loved this book." —Jennifer Echols, author of *Dirty Little Secret* One of TeenVogue's 15 Most Exciting YA Books of 2014 One of PopCrush's 10 Most Anticipated YA Books "Julep isn't just another high schooler beset by the usual drama of boys and academia. Nope—she also happens to be a con artist and master of disguise, which comes in mighty handy when her father mysteriously disappears. Determined, she delves into the underbelly of Chicago to find him (bringing a bunch of fresh plot lines and unexpected twists along the way)."—teenVogue.com "Summer creates a standout character in Julep. She lies and cheats with so much confidence and skill that readers will cheer her on, but she also adheres to her own strict moral code. . . . A memorable debut; here's hoping for a lot more from Summer."—Kirkus Reviews "Entertaining."—Publishers Weekly "Well-paced, well-plotted."—The Bulletin of the Center for Children's Books

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John

Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. The magic and suspense of *Graceling* meet the political intrigue and unrest of *Game of Thrones* in this riveting fantasy debut. Your greatest enemy isn't what you fight, but what you fear. Elizabeth Grey is one of the king's best witch hunters, devoted to rooting out witchcraft and doling out justice. But when she's accused of being a witch herself, Elizabeth is arrested and sentenced to burn at the stake. Salvation comes from a man she thought was her enemy. Nicholas Perevil, the most powerful and dangerous wizard in the kingdom, offers her a deal: he will save her from execution if she can break the deadly curse that's been laid upon him. But Nicholas and his followers know nothing of Elizabeth's witch hunting past—if they find out, the stake will be the least of her worries. And as she's thrust into the magical world of witches, ghosts, pirates, and one all-too-handsome healer, Elizabeth is forced to redefine her ideas of right and wrong, of friends and enemies, and of love and hate. Virginia Boecker weaves a riveting tale of magic, betrayal, and sacrifice in this unforgettable fantasy debut.

Characters from Madeleine L'Engle's *Time Quintet* and *Austin Family Chronicles* cross paths in this story that explore the timeless themes of love, chance, and destiny. “Funny, engrossing, and one-of-a-kind. If You’re Out There completely swept me away.” —Becky Albertalli, New York Times bestselling author of Leah on the Offbeat Part whip-smart suspense tale, part touching story of friendship, this is an extraordinary debut about a determined teen trying to solve a mystery no one else believes in. After Zan’s best friend moves to California, she is baffled and crushed when Priya suddenly ghosts. Worse, Priya’s social media has turned into a stream of ungrammatical posts chronicling a sunny, vapid new life that doesn’t sound like her at all. Everyone tells Zan not to be an idiot: Let Priya do her reinvention thing and move on. But until Zan hears Priya say it, she won’t be able to admit that their friendship is finished. It’s only when she meets Logan, the compelling new guy in Spanish class, that Zan begins to open up about her sadness, her insecurity, her sense of total betrayal. And he’s just as willing as she is to throw himself into the investigation when everyone else thinks her suspicions are crazy. Then a clue hidden in Priya’s latest selfie introduces a new, deeply disturbing possibility: Maybe Priya isn’t just not answering Zan’s emails. Maybe she can’t.

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it’s something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn’t always fit into easy-to-manage boxes, and it’s this messy complexity that makes life so rich and beautiful.

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender

book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

The Breakfast Club meets Pretty Little Liars in Gretchen McNeil's witty and suspenseful novel about four disparate girls who join forces to take revenge on high school bullies and create dangerous enemies for themselves in the process. Bree, Olivia, Kitty, and Margot have nothing in common—at least that's what they'd like the students and administrators of their elite private school to think. The girls have different goals, different friends, and different lives, but they share one very big secret: They're all members of Don't Get Mad, a secret society that anonymously takes revenge on the school's bullies, mean girls, and tyrannical teachers. When their latest target ends up dead with a blood-soaked "DGM" card in his hands, the girls realize that they're not as anonymous as they thought—and that someone now wants revenge on them. Soon the clues are piling up, the police are closing in . . . and everyone has something to lose.

This thrilling sequel to Illusive will have readers on the edge of their seats. You don't belong with us. These are the words that echo through the minds of all immune Americans—those suffering the so-called adverse effects of an experimental vaccine, including perfect recall, telepathy, precognition, levitation, mind control, and the ability to change one's appearance at will. When great numbers of immune individuals begin to disappear, fear and tension mount, and unrest begins to brew across the country. Through separate channels, superpowered teenagers Ciere, Daniel, and Devon find themselves on the case: super criminals and government agents working side by side. It's an effort that will ultimately define them all, for better or for worse.

"A deeply moving story of family, homelessness, and the ghosts that won't let us go. Haunting and unforgettable."—Megan Shepherd, New York Times bestselling author of *The Secret Horses of Briar Hill Told in the naïve voice of a homeless girl sheltered by her mother from the world, this is a moving debut perfect for fans of David Almond, A Monster Calls, and Room. I'm invisible. Ma says I'm supposed to be so the Authorities don't get me. She goes out into the streets almost every day but I'm not allowed. I've got to stay inside the mill so they don't see me. In an old, abandoned mill, a girl and her ma take shelter from their memories of life on the streets, and watch the busy world go by. The girl calls it the Castle because it's the biggest place they've ever stayed, a home of her own like no other. The windows are boarded up and the floorboards are falling in, but for her neither of those things matter. Then developers show up, and it's clear that their lives are about to change forever. Desperate to save their refuge from the Authorities and her mother from her own personal demons, the girl seeks out the ghosts of the mill. And with only Caretaker—the old man who's slept outside the mill for decades—around to answer her questions, she begins to wonder what kind of ghosts are haunting both the mill and her mother. The Girl in Between is a compelling, witty, and at times heartbreaking novel that explores themes of loneliness and grief with effortless warmth and an unforgettable voice that will stick with you long after you've finished.*

ROSES ARE RED, VIOLETS ARE BLUE. IF YOU HURT US, WE'RE COMING FOR YOU. Moxie meets Female of the Species in this powerful, thrilling, and deeply resonant novel about a secret society of girls who plot revenge on the men who hurt them. The enigmatic Black Coats have been exacting vengeance on men who have hurt girls and women for years. The killer of Thea's cousin went free, and Thea has just received an invitation to join the Black Coats' balancings—acts of revenge meant to teach a lesson. Justice for Natalie has never felt so close. But as the balancings escalate in brutality, Thea's clear-cut mission begins to unravel and she must decide just how far she is willing to go for justice. Because when the line between justice and revenge is paper thin, it's hard not to get cut.

An action-packed series-starter perfect for fans of The Heroine Complex and Not Your Sidekick. "I didn't know how much I needed this brave, thrilling book until it rocked my world. Dreadnought is the superhero adventure we all need right now."—Charlie Jane Anders, author of All the Birds in the Sky Danny Tozer has a problem: she just inherited the powers of Dreadnought, the world's greatest superhero. Until Dreadnought fell out of the sky and died right in front of her, Danny was trying to keep people from finding out she's transgender. But before he expired, Dreadnought passed his mantle to her, and those secondhand superpowers transformed Danny's body into what she's always thought it should be. Now there's no hiding that she's a girl. It should be the happiest time of her life, but Danny's first weeks finally living in a body that fits her are more difficult and complicated than she could have imagined. Between her father's dangerous obsession with "curing" her girlhood, her best friend suddenly acting like he's entitled to date her, and her fellow superheroes arguing over her place in their ranks, Danny feels like she's in over her head. She doesn't have time to adjust. Dreadnought's murderer—a cyborg named Utopia—still haunts the streets of New Port City, threatening destruction. If Danny can't sort through the confusion of coming out, master her powers, and stop Utopia in time, humanity faces extinction.

Thirteen of YA's most celebrated names reimagine Edgar Allan Poe's most surprising, unsettling, and popular tales for a new generation. Edgar Allan Poe may be a hundred and fifty years beyond this world, but the themes of his beloved works have much in common with modern young adult fiction. Whether the stories are familiar to readers or discovered for the first time, readers will revel in both Edgar Allan Poe's classic tales, and in the 13 unique and unforgettable ways that they've been brought to life. Contributors include Dahlia Adler (reimagining "Ligeia"), Kendare Blake ("Metzengerstein"), Rin Chupeco ("The Murders in the Rue Morgue"), Lamar Giles ("The Oval Portrait"), Tessa Gratton ("Annabel Lee"), Tiffany D. Jackson ("The Cask of Amontillado"), Stephanie Kuehn ("The Tell-Tale Heart"), Emily Lloyd-Jones ("The Purloined Letter"), amanda lovelace ("The Raven"), Hillary Monahan ("The Masque of the Red Death"), Marieke Nijkamp ("Hop-Frog"), Caleb Roehrig ("The Pit and the Pendulum"), and Fran Wilde ("The Fall of the House of Usher").

Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial

persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

Now a Disney Channel Original Movie, Megan Shull's smart and funny twist on Freaky Friday is perfect for fans of Wendy Mass, Jerry Spinelli, and Jon Scieszka! This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. With one random wish, Jack and Ellie are living life in each other's shoes. He's her. And she's him. ELLIE assumed popular guys didn't worry about body image, being perfect, or talking to girls, but acting like you're cool with everything is tougher than it looks. JACK thought girls had it easy—no fights with bullies, no demanding dads, no power plays—but facing mean girls at sleepovers and getting grilled about your period is way harder than taking a hit to the face at sports practice. Now they're dealing with each other's middle school dramas—locker room teasing, cliques, video game battles, bra shopping, and a slew of hilariously awkward moments—until they hopefully switch back! Told in both Jack's and Ellie's voices, *The Swap* offers a fresh and honest take on tween friendship, all while exploring more serious themes of family, loss, empathy, and what it really means to be yourself. And as Jon Scieszka says, it's "seriously, truly, fearlessly funny!"

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

The fourth standalone novel in the New York Times bestselling Ravenspire series by C. J. Redwine. Blue de la Cour has her life planned: hide the magic in her blood and continue trying to turn metal into gold so she can help her city's homeless. But when her father is murdered and a cruel but powerful woman claims custody of Blue and her property, one wrong move could expose her—and doom her once and for all. The only one who can help? The boy she's loathed since childhood: Prince Kellan. Kellan Renard, crown prince of Balavata, is walking a thin line between political success and devastating violence. Newly returned from boarding school, he must find a bride among the kingdom's head families and announce his betrothal—but escalating violence among the families makes the search

nearly impossible. He's surprised to discover that the one person who makes him feel like he can breathe is Blue, the girl who once ruined all his best adventures. When mysterious forces lead to disappearances throughout Balavata, Blue and Kellan must work together to find the truth. What they discover will lead them to the darkest reaches of the kingdom, and to the most painful moments of their pasts. When romance is forbidden and evil is rising, can Blue save those she loves, even if it costs her everything?

Katie is on the verge of her Rumspringa, the time in Amish life when teenagers can get a taste of the real world. But the real world comes to her in this dystopian tale with a philosophical bent. Rumors of massive unrest on the "Outside" abound. Something murderous is out there. Amish elders make a rule: No one goes outside, and no outsiders come in. But when Katie finds a gravely injured young man, she can't leave him to die. She smuggles him into her family's barn—at what cost to her community? The suspense of this vividly told, truly horrific thriller will keep the pages turning.

So, you've just discovered that the person who has tormented, mocked and humiliated you for the past three years is lying in the school parking lot, bleeding internally from a hit and run accident. No one else is around and you need to get to a life-and-death family emergency of your own before it is too late. What would you do? Oh, did I mention you have the secret ability to heal others just by touching them? This is just one of the many situations 13-year-old Willow Krimble must face in this Web Novel, *A Girl Named Willow Krimble*. Willow lives with her mother and older brother, Wyatt; she loves hanging out with her best friend, the feisty and sarcastic Razzel Fiora, and she has a close relationship with her grandmother. Seems pretty normal, right? It might be if the two most popular girls in middle school, Shayla Stergus and Snella Burenbine, did not taunt and remind her, on a daily basis, that she was born without her left leg. Forced to maneuver through obstacles most teenagers would not need to tackle, Willow is suddenly blessed (or cursed?) with the unusual power to heal others through touch. Ever selfless, Willow's desire to help the injured and sick thrusts her into a world where she is given immense responsibility, putting the needs of others before her own, all the while trying to maintain her secret. Willow's adolescent journey takes her through an emotional cyclone where she finds joy and purpose in helping an array of patients, from an old man with Alzheimer's, to a mauled animal in a pet store. But Willow soon finds out there are limitations to her ability and, no matter how hard she might try, she cannot save everyone. Through the intermingling of joy and pain, Willow is repeatedly tested to discover just how strong she can be, how strong she has been her entire life, and how everyone possesses the ability to effect another person's world, with or without a secret power.

The X-Men meets Ocean's Eleven in this edge-of-your-seat sci-fi adventure about a band of "super" criminals. When the deadly MK virus swept across the planet, a vaccine was created to stop the epidemic, but it came with some unexpected side effects. A small percentage of the population developed superhero-like powers, and Americans suffering from these so-called adverse effects were given an ultimatum: Serve the country or be declared a traitor. Some people chose a third option: live a life of crime. Seventeen-year-old Ciere Giba has the handy ability to change her appearance at will. She's what's known as an illusionist. She's also a thief. After crossing a gang of mobsters, Ciere must team up with a group of fellow super powered criminals on a job that most would have considered impossible: a hunt for the formula that gave them their abilities. It was supposedly destroyed years ago—but what if it wasn't? Government agents are hot on their trail, and the lines between good and bad, us and them, and freedom and entrapment are blurred as Ciere and the rest of her crew become embroiled in a deadly race that could cost them their lives.

Adrift, 14 year-old Elizabeth sparks Texas-sized trouble, fighting power and history to save sea turtles, family, and find her way

home.

The trick to all magic is: you can only see it if you know where to look. The magic-infused town of Aldermere is the first place eleven-year-old Fin has ever felt safe--and she'll do whatever it takes to save her home when she accidentally unleashes a shadow self who wreaks havoc everywhere she goes. Emily Lloyd-Jones's middle grade debut is an enchanting exploration of self-discovery and finding the place you truly belong. Unseen Magic is for fans of *A Wish in the Dark* and *A Tangle of Knots*. Aldermere is a town with its own set of rules: there's a tea shop that vanishes if you try to force your way in, crows that must be fed or they'll go through your trash, and a bridge that has a toll that no one knows the cost of. Some say that there may even be bigfoots wandering through the woods. For Fin, Aldermere is her new home. But she's worried that she'll do something to mess it up--that she was the reason she and her mother have constantly moved from place to place for so long. When an upcoming presentation at her school's science fair gives her increasing anxiety, Fin turns to magic to ease her fears. The cost is a memory, but there are things from her past Fin doesn't mind forgetting. This will be the last time she relies on magic anyway, she's sure. Except things don't go exactly as planned. And instead of easing her anxiety, Fin accidentally unleashes an evil doppelganger. Suddenly Aldermere is overrun with unusual occurrences--and Fin is the only one who knows why. She will have to face her fears--literally--to stop it. Emily Lloyd-Jones crafts an atmospheric novel full of magic and mischief while exploring what it means to stand up to your fears and accept yourself. *Unseen Magic* will captivate readers of Anna Meriano's *Love, Sugar, Magic* series and Natalie Lloyd's *A Snicker of Magic*.

An unforgettable new series from acclaimed author Katie McGarry about taking risks, opening your heart and ending up in a place you never imagined possible. Seventeen-year-old Emily likes her life the way it is: doting parents, good friends, good school in a safe neighborhood. Sure, she's curious about her biological father--the one who chose life in a motorcycle club, the Reign of Terror, over being a parent--but that doesn't mean she wants to be a part of his world. But when a reluctant visit turns into an extended summer vacation among relatives she never knew she had, one thing becomes clear: nothing is what it seems. Not the club, not her secret-keeping father and not Oz, a guy with suck-me-in blue eyes who can help her understand them both. Oz wants one thing: to join the Reign of Terror. They're the good guys. They protect people. They're...family. And while Emily--the gorgeous and sheltered daughter of the club's most respected member--is in town, he's gonna prove it to her. So when her father asks him to keep her safe from a rival club with a score to settle, Oz knows it's his shot at his dream. What he doesn't count on is that Emily just might turn that dream upside down. No one wants them to be together. But sometimes the right person is the one you least expect, and the road you fear the most is the one that leads you home.

When immune Americans, those having acquired powers after receiving an experimental vaccine, begin to disappear in great numbers but seemingly at random, unrest spreads across the country and super-powered teens Ciere, Daniel, and Devon find themselves working together to find the truth.

A family is hunted by a centuries-old monster: a man with a relentless obsession who can take on any identity. *The String Diaries*

## Read Free Illusive By Emily Lloyd Jones

opens with Hannah frantically driving through the night--her daughter asleep in the back, her husband bleeding out in the seat beside her. In the trunk of the car rests a cache of diaries dating back 200 years, tied and retied with strings through generations. The diaries carry the rules for survival that have been handed down from mother to daughter since the 19th century. But how can Hannah escape an enemy with the ability to look and sound like the people she loves? Stephen Lloyd Jones's debut novel is a sweeping thriller that extends from the present day, to Oxford in the 1970s, to Hungary at the turn of the 19th century, all tracing back to a man from an ancient royal family with a consuming passion--a boy who can change his shape, insert himself into the intimate lives of his victims, and destroy them. If Hannah fails to end the chase now, her daughter is next in line. Only Hannah can decide how much she is willing to sacrifice to finally put a centuries-old curse to rest.
