

Indecent Magazine Volume 05

The May/June 2020 issue of Hugo Award-winning Uncanny Magazine. Featuring new fiction by Arkady Martine, Jennifer Marie Brissett, Emma Törzs, A.T. Greenblatt, Meg Elison, and Suzanne Walker. Reprint fiction by Sonya Taaffe. Essays by Fran Wilde, Kelly Lagor, Khairani Barokka, and Ada Palmer, poetry by Valerie Valdes, Ali Trotta, Roshani Chokshi, and T.K. Lê, interviews with Emma Törzs and Meg Elison by Caroline M. Yoachim, a cover by Julie Dillon, and editorials by Lynne M. Thomas and Michael Damian Thomas, and Elsa Sjunneson. The Picture of Dorian Gray is an 1891 philosophical novel by Irish writer and playwright Oscar Wilde. First published as a serial story in the July 1890 issue of Lippincott's Monthly Magazine, the editors feared the story was indecent, and without Wilde's knowledge, deleted five hundred words before publication. Despite that censorship, The Picture of Dorian Gray offended the moral sensibilities of British book reviewers, some of whom said that Oscar Wilde merited prosecution for violating the laws guarding the public morality. In response, Wilde aggressively defended his novel and art in correspondence with the British press. Wilde revised and expanded the magazine edition of The Picture of Dorian Gray (1890) for publication as a novel; the book edition (1891) featured an aphoristic preface -- an apologia about the art of the novel and the reader. The content, style, and presentation of the preface made it famous in its own literary right, as social and cultural criticism

Eine Sammlung von Gerichtsurteilen bzgl. Zensur von 1600-1968 (England, Grossbritannien, USA).

The onetime CIA information analyst in Saigon provides a closely recorded account of the American withdrawal from Saigon, criticizing in detail the self-serving activities and unnecessary miseries involved

Focusing on the art and literary form of manga, this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization. Through contributions from leading scholars in the fields of comics and Japanese culture, it describes "manga culture" in two ways: as a fundamentally hybrid culture comprised of both subcultures and transcultures, and as an aesthetic culture which has eluded modernist notions of art, originality, and authorship. The latter is demonstrated in a special focus on the best-selling manga franchise, NARUTO.

Freemasonry was a major cultural and social phenomenon and a key element of the Enlightenment. It was to have an international influence across the globe. This primary resource collection charts a key period in the development of organized Freemasonry culminating in the formation of a single United Grand Lodge of England. The secrecy that has surrounded Freemasonry has made it difficult to access information and documents about the organization and its adherents in the past. This collection is the result of extensive archival research and transcription and highlights the most significant themes associated with Freemasonry. The documents are drawn from masonic collections, private archives and libraries worldwide. The majority of these texts have never before been republished. Documents include rituals (some written in code), funeral services, sermons, songs, certificates, an engraved list of lodges, letters, pamphlets, theatrical prologues and epilogues, and articles from newspapers and periodicals. This collection will enable researchers to identify many key masons for the first time. It will be of interest to students of Freemasonry, the Enlightenment and researchers in eighteenth-century studies.

"Robert Wilson's Barnum, the first full-dress biography in twenty years, eschews clichés for a more nuanced story...It is a life for our times, and the biography Barnum deserves." —The Wall Street Journal P.T. Barnum is the greatest showman the world has ever seen. As a creator of the Barnum & Baily Circus and a champion of wonder, joy, trickery, and "humbug," he was the founding father of American entertainment—and as Robert Wilson argues, one of the most important figures in American history. Nearly 125 years after his death, the name P.T. Barnum still inspires wonder. Robert Wilson's vivid new biography captures the full genius, infamy, and allure of the ebullient showman, who, from birth to death, repeatedly reinvented himself. He learned as a young man how to wow crowds, and built a fortune that placed him among the first millionaires in the United States. He also suffered tragedy, bankruptcy, and fires that destroyed his life's work, yet willed himself to recover and succeed again. As an entertainer, Barnum courted controversy throughout his life—yet he was also a man of strong convictions, guided in his work not by a desire to deceive, but an eagerness to thrill and bring joy to his audiences. He almost certainly never uttered the infamous line, "There's a sucker born every minute," instead taking pride in giving crowds their money's worth and more. Robert Wilson, editor of The American Scholar, tells a gripping story in Barnum, one that's imbued with the same buoyant spirit as the man himself. In this "engaging, insightful, and richly researched new biography" (New York Journal of Books), Wilson adeptly makes the case for P.T. Barnum's place among the icons of American history, as a figure who represented, and indeed created, a distinctly American sense of optimism, industriousness, humor, and relentless energy.

The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions--questions of life's meaning and of the value of work and society--through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. For fans of Maya Banks, Beth Kery and Jo Davis comes the first sizzingly romantic and highly erotic installment in Stephanie Julian's Salon Games series. Some invitations don't need to be sent...only accepted. Antiques dealer Annabelle Elder's life is nowhere near as passionate as the erotic art she collects. Intending to explore her desires at a decadent New Year's Eve party, she finds unexpected passion in the arms of Jared Golden... Handsome, rich and charming, Jared has created an anything-goes pleasure palace at the Haven Hotel, catering to every special wish. Seducing Annabelle was easy, yet being seduced in turn was unanticipated... But in exploring their sensual fantasies, Jared and Annabelle are caught in a web of painful secrets and troubled pasts. And to face the truth they must trust in the power of true love... This game is only the beginning... To play more seductive Salon Games, return to the series with No Reservations and Over Exposed.

The single greatest national security question currently facing the U.S. National Command Authority is how best to counter violent extremism. The National Command Authority has four broad strategies through which it may employ military forces to counter violent extremism: counterinsurgency, counterterrorism, support to insurgency, and antiterrorism. The Long War is anticipated

to continue for decades, perhaps generations. Thus, it is imperative to select the best strategy or strategies for employing military forces. Based on historical lessons in combating terrorism, the best strategy is efficient and sustainable and avoids overreacting, acting incompetently, or appearing to be either over reactive or incompetent. Counterinsurgency is neither efficient nor sustainable from a military, economic, or political perspective. It is a high risk strategy because it is a large, highly visible undertaking through which the United States may easily overreact, act incompetently, or be perceived as overreacting or being incompetent. Counterterrorism, support to insurgency, and antiterrorism are each both efficient and sustainable from a military and economic perspective. These three strategies each have inherent political concerns, hazards, or constraints. However it is considerably less likely that the United States will overreact, behave incompetently, or be perceived as overreacting or being incompetent through engaging in one or more of these three strategies than by engaging in counterinsurgency. Support to insurgencies is economically and militarily efficient and sustainable, but it carries substantial political risks. Thus, an overall strategy combining counterterrorism and antiterrorism is the best means of employing military forces to counter violent extremism.

Here, presented in one volume, are the four stories that comprise the 'Indecent' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion. Audrey Grant is a busy, successful doctor, but she's missing something vital in her private life. She dates and attempts to have an adventurous romantic life, but continually finds herself bored to tears and 'faking it'. Taking the advice of her friends, she makes an appointment with a psychiatrist—dangerously enticing Dr. Evans. From the first instant, she has a connection with him unlike any she's ever experienced before. Will she be just a patient or discover the secrets of the good doctor's special brand of 'therapy'. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.

Modernist literature is inextricable from the history of obscenity. The trials of figures like James Joyce, D. H. Lawrence, and Radclyffe Hall loom large in accounts twentieth century literature. Filthy Material: Modernism and The Media of Obscenity reveals the ways that debates about obscenity and literature were shaped by changes in the history of media. Judgments about obscenity, which hinged on understanding how texts were circulated and read, were often proxies for the changing place of literature in an age of new technological media. The emergence of film, photography, and new printing technologies shaped how literary value was understood, altering how obscenity was defined and which texts were considered obscene. Filthy Material rereads the history of obscenity in order to discover a history of technological media behind debates about moral corruption and sexual explicitness. The shift from the intense censorship of the early twentieth century to the effective 'end of obscenity' for literature at the middle of the century, it argues, is not simply a product of cultural liberalization but of a changing media ecology. Filthy Material brings together media theory and archival research to offer a fresh account of modernist obscenity and novel readings of works of modernist literature. It sheds new light on figures at the center of modernism's obscenity trials (such as Joyce and Lawrence), demonstrates the relevance of the discourse obscenity to understanding figures not typically associated with obscenity debates (like T. S. Eliot and Wyndham Lewis), and introduces new figures to our account of modernism (like Norah James and Jack Kahane). It reveals how modernist obscenity reflected a contest over the literary in the face of new media technologies.

In Theologising with the Sacred 'Prostitutes' of South India, Eve Rebecca Parker theologises with the Dalit women who from childhood have been dedicated to village goddesses and used as 'sacred' sex workers.

At the end of World War II, decorated sergeant Michael Wilson enters the mental war of a Pacific military hospital, which contains five remaining patients united by their devotion to their nurse, Honour Langtry

This series summary/overview volume—Awakening into Unity—maps a big-picture view of the essential features of our intrinsic unity, and brings their immensity and importance within everyone's easy, confident grasp. Perhaps more than any other series installment, it affords a grand, breathtaking journey hallmarked with many vital and inspiring stories. First, it presents the story of my life's work and awakening into inspiring nuances of the unity perspective that I'm certain will help birth a vibrant, healed future. It also shares important aspects of unity uncovered through my extensive research into Big History – the specific mechanics of the universal creation process that made us and our world possible. I also share an integrative vision of how we humans have pursued a communion with this underlying oneness through time; via scientific, religious, spiritual, philosophic, environmental, indigenous perspectives, and more. This

investigation ultimately delivers an expansive worldview and a compelling environmental ethic designed to help us re-ground our essentially creative human nature within the larger universal creation process. Significantly though, and far beyond simply presenting my own prescriptive sense of how this restorative planetary shift might best occur, Awakening into Unity chronicles myriad ways that others are already employing this perspective to turn our ship around. These are the stories of us in our striving billions, woven together in an informative, celebratory narrative that brings our diverse world-healing efforts alive, front and center, for all to see. This grand saga evidences and honors humanity moving past climate theory, discussion and debate into decisive, active engagement; the true global awakening and life-saving transformation that's happening all around us in real time. Unifying threads of this holistic tapestry source from my own efforts and those of others in every facet and type of human entity on Earth today; the pivotal achievements of notable contributors seeking to co-create a better future. Together, these examples provide a wealth of wisdom and practical solutions helpful to all. Awakening into Unity thus captures the vital, living, unprecedented truth that all parts of our world are now rising and shining into a bright, new, Earth-healing day. No other movement, tradition, belief system, or collective enterprise can claim such broad-based evolutionary inclusiveness. Terragenesis, Gaia enthroned, is indeed here; her heart is beating; and she's alive! Quite simply, and without exaggeration, this has become the single most important collective human effort ever undertaken, and the zeitgeist, the defining feature and spirit of our time. May this book serve as an energizing catalyst and helpful road map for our great leap. And may it help you move confidently into a brighter future filled with grace, intelligence, effectiveness, compassion, comradeship, integration, and Joy!

Three novellas about resisting brutality, and the stupidity of dehumanizing power: a German prostitute assigned to Prague; a girl in a Nazi home for orphans; and a young woman working as a cashier in a movie theatre.

Publishing Law is an authoritative and engaging guide to a wide range of legal issues affecting publishing today. Hugh Jones and Christopher Benson present readers with clear and accessible guidance to the complex legal areas specific to the ever evolving world of contemporary publishing, including copyright, moral rights, contracts and licensing, privacy, confidentiality, defamation, infringement and trademarks, with analysis of legal issues relating to sales, advertising, marketing, distribution and competition. This new fifth edition presents updated coverage of the key principles of copyright, as well as new copyright exceptions, licensing and open access. There is also further in-depth coverage of the legal issues around the sale of digital content. Key features of the fifth edition include: updated coverage of EU and UK copyright, including a new chapter on copyright exceptions following the significant changes in the 2014 Regulations Comprehensive coverage of publishing contracts with authors, as well as with other providers, including translators, contributors and contracts for subsidiary rights up to date coverage of the Defamation Act 2013, and other changes to EU and UK legislation exploration of the legal issues relating to digital publishing, including eBook and other electronic agreements, data protection and online issues in relation to privacy, and copyright infringement a range of summary checklists on key issues, ranging from copyright ownership to promotion and data protection useful appendices offering an A to Z glossary of legal terms and lists of useful address and further reading.

A Vintage Shorts "Short Story Month" Selection Pranab Chakraborty was a fellow Bengali from Calcutta who had washed up on the shores of Central Square. Soon he was one of the family. From the winner of the Pulitzer Prize and the Frank O'Connor International Short Story Award, a staggeringly beautiful and precise story about a Bengali family in Cambridge, Massachusetts, the impossibilities of love, and the unanticipated pleasures and complications of life in America. "Hell-Heaven" is Jhumpa Lahiri's ode to the intimate secrets of closest kin, from the acclaimed collection Unaccustomed Earth. An eBook short.
