THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition not only introduces students to the essential features of industry-standard software applications, but also gives them an understanding of how to integrate these programs into a seamless whole. Using a highly visual and project-based approach, this fully revised new edition examines Macintosh OS X Maverick, Windows 7 and Windows 8 operating systems, as well the most up to date Creative Cloud features of the "Big 3" digital design programs used in the graphics industry today: Adobe Illustrator, Adobe Photoshop, and Adobe InDesign . After thoroughly examining the features of each application from the designer's perspective, the author then reveals in practical detail the traditional skills and technology necessary for effective design for print and Web media. Using online project files, students are encouraged to practice what they have learned by tackling design projects throughout the text from concept to completion. Effectively merging theory with practice, THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition stresses the critical importance of integration in design while

meeting design parameters and client expectations. Contact your Learning Consultant to learn more about how CourseMate can enhance the way you teach and your students learn. Classroom in a Book offers what no other book or training program does—an official training Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

This is the eBook version of the printed book. Creative

professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Photoshop CS5 choose Adobe Photoshop CS5 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 14 project-based lessons in this book show readers step-by-step the key techniques for working in Photoshop CS5. In addition to learning the key elements of the Photoshop interface, this completely revised CS5 edition shows readers how to edit images with precise selection control, correct a wide range of lens-based errors, interactively transform their images with the new Puppet Warp tool, and easily remove or replace image elements with the new Content-Aware Fill mode. The book also covers new powerful painting effects to artistically enhance images and shows how to combine multiple exposures into a single HDR image. For the first time, the companion DVD will feature, in addition to the lesson files, 2 hours of free video tutorials from Learn Adobe Photoshop CS5 by Video by Adobe Press and video2brain, a great added value! "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." –Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training.
