Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn’t realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palletes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a

The golden light of Rome, the colorful spices of Marrakesh, the polished marble floors of a Paris hotel: the young voyager developed a vivid visual library of the world's beautiful spaces. Following his love of design to a career in architecture and interiors, Sutton today draws upon this store of memories to craft unique designs intimately related to his clients and their dreams. *Storied Interiors*, Sutton's first book, offers glamorous presentations of 10 residences and four hotels and restaurants, including the award-winning Sagamore Pendry Hotel in Baltimore, but so much more. Each project is accompanied by the designer's narrative of a family, an historic estate, a restaurant. In addition, he details the eight design principles, from proportion and balance to the effect of different ceiling treatments, through which he translates this narrative, or story, into a complete, evocative interior.
