

Intermediate Accounting Chapters 15 24

This bestseller has powered the careers of countless professionals. This update to the 11th edition builds on the book's reputation for comprehensiveness, accuracy, and currency, incorporating all the recent changes to the accounting literature. It integrates numerous examples from real corporations throughout the chapters to help readers understand the application of accounting principles and techniques in practice. They'll also find problems that are modeled on the AICPA 'Simulations' - a new question format designed for the computerized uniform CPA Exam. These problems prepare readers for the exam, testing their ability to read, digest, research and respond to both a numeric problem and a short answer essay. This edition does NOT include the Problem Solving Survival Guide

Reflecting the demands for entry-level accountants, the focus of this book is on fostering critical thinking skills, reducing emphasis on memorisation and encouraging more analysis and interpretation by requiring use of technology tools, spreadsheets and databases.

challenges of teaching intermediate in these changing times. The WileyPLUS homework and learning platform (access to WileyPLUS sold separately) is better than it has ever been for Kieso, with a multitude of new assessment items, multimedia resources, and enhanced functionality to ensure students will do real accounting and get real results. There have also never been so many options for accessing content, from several online only options, premium value print and digital formats, and custom versions designed to fit your needs perfectly. Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course. Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets, accountants must gain a strong understanding of these standards. Intermediate Accounting integrates this new information throughout the chapters so they'll learn how to apply the new global accounting standards. Global examples are presented to clearly show how the information is utilised in the field. The use of various currencies is also explored, which is critical for accountants to know in today's global businesses environment.

(GAAP), International Financial Reporting Standards (IFRS), financial ratio analysis, equity accounting, investment strategies, financial statement preparation, and more. Tracks to a typical intermediate accounting curriculum. Expert information and real-world examples. Other titles from Loughran: *Financial Accounting For Dummies* and *Auditing For Dummies*. With the help of *Intermediate Accounting For Dummies*, you'll discover the fast and easy way to take the confusion out of the complex theories and methods associated with a typical intermediate accounting course.

Wahlen/Jones/Pagach's *INTERMEDIATE ACCOUNTING, 2E* addresses student confidence in the Intermediate Accounting course like no other product on the market. The second edition includes resources that help students understand the rigor and time requirements of the Intermediate course before that first exam, while additional resources such as in-text "Got it?" quick checks keep students on track, building confidence with detailed remediation and thorough explanations that build a pathway to success. All of this is accomplished without sacrificing the book's approachable writing style that uses recognizable, familiar companies such as an ongoing Starbucks case, and examples from familiar companies, such as Coca Cola, Louis Vuitton, and Nestle. This edition presents the latest information on the new Revenue Recognition Standards. After carefully considering the most effective methods for covering this topic, the authors have incorporated updates throughout the book with special spotlight coverage in Chapter 17. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The text's efficient format does not overwhelm students, and its accessible style provides an alternative to more encyclopedic, reference-book approaches. The book offers a blend of the
