A Comprehensive User Guide to Apple iPad Mini 5The iPad mini 2019 is Apple's most complete iPad, and it's deceptively powerful for its small size. It has a bright 7.9-inch display that works with the Apple Pencil and a chipset that smokes the small tablet competition.It's Apple's most satisfyingly iPad and proof that things won't change very much when serious small tablet competition is nowhere to be found in 2020.The familiar 7.9-inch display feels perfectly sized to grip in one hand and operate with two, just as it did when the iPad mini 4 released nearly four years ago.There are many other factors that make up the overall goodness of the iPad Mini 5. We got a chance at handling the device and we are presenting our User Guide to help you maximize your iPad Mini 5.This book is written in simple and clear terms with a step-by-step approach and with tips and tricks that will help you to master your iPad Mini 5 within the shortest period of time. The Vaccine Handbook has a simple purpose- to draw together authoritative information about vaccines into a simple and concise resource that can be used in the office, clinic, and hospital. Not an encyclopedia or scientific textbook, The Vaccine Handbook gives practical advice and provides enough background for the practitioner to understand the recommendations and explain them to his or her patients. For each vaccine, the authors discuss the disease and its epidemiology, the vaccine's efficacy and safety, and the practical questions most frequently asked about the vaccine's use. The authors also discuss problems such as allergies, breastfeeding, dosing intervals and missed vaccines, and

The iPhone Manual for Beginners is the complete guide to using the iPhone. This book was made with the beginner in mind, and is great for seniors and first-time iPhone users. The book is suitable for the following iPhone models: 7, 7 Plus, 6s, 6s Plus, 6, 6 Plus, 5s, 5c, and SE.

The iPad does everything...but what if you don't want to do everything?! Sure, it's great that you can log into a private network or set up an iMAP / POP email account--but what if you are retired and just want to know the basics--like how to do a group Facetime with all the grandkids! This book walks you through what you need to know step-by-step--including how navigation works now that the Home button is gone on some of the iPad Pros. It covers only what you need to know--so you don't have to comb through hundreds of pages of tech-speak just to find out how to do a common feature. This book is based on the bestselling book "The Ridiculously Simple Guide to the Next Generation iPad Pro" but includes sections specifically for seniors (including accessibility features that make text easier to see). Are you ready to start enjoying your new iPad Pro? Then let's get started! Note: This book is not endorsed by Apple and should be considered unofficial.

If you believe some news stories, the latest iPad update (iOS 8) is radically different and you should beware of updating! They're wrong! This book is for both new users of iPad and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of. The iPad Mini doesn't come with a handbook / user guide, but don't believe other handbooks that tell you that's why you need to buy their handbook! iPad Mini does have a handbook! There's three ways to get it: 1. Download it from the Apple iBookstore (it's free) 2. Get it online by going to manuals.info.apple.com 3. Get it on your tablet; if you go to your bookmarked pages on Safari, the last bookmark is for the "iPad User Guide." So why do you need this book? This book was written for my parents; people who needed to know as much as possibly, as quickly as possibly. There are people who want to know every single little detail about the iPad, and you will find that in Apple's comprehensive manual; but if you are like my parents-new to the iPad Mini and just want to learn all the basics in about 30 minutes or an hour, then this guide will help you-people who just want to know how to add their contacts, take photos, and email. It's not for advance users,
