My parents are official iPad users. I began writing this book when I realized that they could check Facebook, but didn't have the faintest idea how to make the text size bigger on Safari and a number of other things that I thought were

commonsense after using the tablet for a day. I decided to make a list for them, and this book is a result of that. If you have been using Apple products for several years, then this book will probably have a few tricks that you didn't know- especially if you are upgrading to the new OS (iOS 7). The book, however, is geared towards those getting started. This book is meant to be a quick start reference. It's not a tutorial on how to use your iPad. If you are looking for something that is more hands on and teaches you how to use the iPad, try the one that came with your iPad (Hint: Open Safari, go to Bookmarks and tap the link to the User Guide). Additionally, if you'd like to just see what significant things have been added to iOS 7 then jump to the last section which is just for your reference and does not count towards the 60+ tips in this short guide.

We have updated this guide and have included more helpful tips to ensure you get the most out of your iPhone 11. All the issues raised in the reviews have been addressed. The iPad iOS 7 Quick Starter Guide (For iPad 2, 3 or 4, New iPad, iPad Mini with iOS 7)If you believe some news stories, the latest iPad update (iOS 7) is radically different and you should beware of updating! They're wrong! This book is for both new users of iPad and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of.The iPad Mini doesn't come with a handbook / user guide, but don't believe other handbooks that tell you that's why you need to buy their handbook! iPad Mini does have a handbook! There's three ways to get it:1. Download it from the Apple iBookstore (it's free)2. Get it online by going to [manuals.info.apple.com](http://manuals.info.apple.com)3. Get it on your tablet; if you go to your bookmarked pages on Safari, the last bookmark is for the "iPad Mini User Guide."So why do you need this book? This book was written for my parents; people who needed to know as much as possibly, as quickly as possibly. There are people who want to know every single little detail about the

iPad Mini, and you will find that in Apple's comprehensive manual; but if you are like my parents-new to the iPad Mini and just want to learn all the basics in about 30 minutes or an hour, then this guide will help you-people who just want to know how to add their contacts, take photos, and email.It's not for advance users, although if you are upgrading from the previous Apple iOS (iOS 5.1) you will probably find it useful.If you have previously purchased my iPhone iOS 7 Quick Starter Guide, know in advance that this is essentially the same guide-if you know how to use an iPhone, then you don't need a quick start guide-you already know how to use an iPad Mini! If you want to know more, then get Apple's free guide.If you are ready to learn, then read on!
