Dazzling, internationally renowned author Jackie Collins pulls out all the stops with her latest "New York Times" bestseller--a highly charged love story about family relationships, deadly choices, mysterious murder, and dangerous sex. Martin's Press.

"Contains... all the goodies that make today's bestsellers." – New York Post In the internationally bestselling first book of the iconic Lucky Santangelo series, smart, sexy and savvy Lucky Santangelo finds running her family's criminal empire exhilarating. She will do whatever it takes to ensure her self-made mob boss father, Gino, doesn't return from his self-imposed exile. But of course, Gino has other plans. Lucky tries to enlist the help of Costa Zennocotti, her father's right-hand man but quickly learns his loyalty lies only with Gino. . . at least for now. As Lucky impressively plots to keep control, suspense builds through a series of interwoven stories, past and present, that create a rich tantalizing tapestry of intrigue involving an unforgettable cast of characters. There's Lucky's younger brother, Dario, who's being terrorized by his manipulative male lover. There's Steven Berkely, the charismatic lawyer Lucky gets trapped with in an elevator during the New York City blackout of 1977. And then there's Steven's mother, Carrie, the elegant society wife, who's being blackmailed to keep the shocking events of her past concealed—and by an adversary that may hit too close to home. As secrets old and new are revealed, Jackie Collins's masterful storytelling sweeps readers from the height of the family's power in the 1970s, to the streets of 1920s New York City, where the crime enterprise first originated, from the playgrounds of Europe to the glittering gambling palaces of Las Vegas, in a steamy, sensual, page-turning epic saga that builds to a stunning climax and leaves you yearning for more. Adapted in the 90s into a highly successful NBC mini-series, the Santangelo novels are currently being developed for TV once again by Working Title Productions and the updated series is set to be compulsive, sexy and totally binge-worthy! hr "Chances should be called The Godfather goes to bed." – CNN "Chances starts out with a bang – and never lets up for over 600 sex-packed pages." – Variety hr Read the whole Lucky Santangelo series! 1. With the fast-paced excitement and glamour that have made each of her books a major international bestseller, Jackie Collins now turns from the husbands and wives of Beverly Hills to the glittering world of big-time music-- the world of sex, drugs and rock and roll, in which hopes and dreams are as important as drop-dead ambition, ruthless power, and big money... "Rock Star" begins with an exclusive, expensive fundraiser for Governor Jack Highland on the magnificent estate of the ruthlessly powerful and universally feared record magnate Marcus Citroen, and his icy wife, Nova, bringing together three of the biggest recording stars in the world: The Legend-- Kris Phoenix-- a brash, sexy English singer and legendary guitarist... The Survivor-- Bobby Mondella-- a handsome, black soul superstar, still recovering from a near-fatal accident... The Newcomer-- Raffealla-- an exotically beautiful girl of mixed race and wealthy parentage, who has every reason to sing the blues... The three of them attend the event reluctantly. Marcus Citroen has called in favors, and the time has come to pay. "Rock Star" is the story of their rise to fame and glory, of their triumphs and pains, their loves and their hates, their feuds and fights, interweaving their lives until the fateful night in Malibu, on Marcus Citroen's lush, ocean-front estate, where they finally meet their destiny... For this night of fabulous power and wealth has also attracted the attention of Maxwell Sicily, son of mob boss Carmen Sicily-- and Maxwell, masquerading as a waiter, intends to pull off the crime of his life... ABOUT THE BOOK The inside peek at Hollywood and the lives of the rich and famous provided by Jackie Collins through her books has made her one of the world's best-selling writers. She has more than 400 million books sold in over 40 countries, and every one of her 28 books have appeared on the New York Times bestsellers list. Many debut at #1 the moment they are published. A number of her books have made it to the big screen. One of ABC Network's highest-rated miniseries was based on Jackie Collins' *Hollywood Wives*, starring Anthony Hopkins and Candice Bergen. Undoubtedly one of the main reasons Jackie Collins' books are so popular is that her characters are closely patterned on real personalities, often blurring the lines between reality and fiction. Collins herself claims that she writes about real people in disguise, and with books such as *Hollywood Wives*, *Hollywood Husbands*, *Hollywood Divorces*, and *Hollywood Kids*, her readers are often left wondering which real-life famous person they are actually reading about and just where the truth ends and fiction begins. The other key factor in her popularity, of course, is the liberal addition of plenty of graphic sex. **EXCERPT FROM THE BOOK** Around that time Jackie Collins purportedly had a fling with Marlon Brando, who was then 29 years old to her 15. She was partying at a club in Hollywood with sister, Joan, when a handsome young Marlon Brando sent a messenger over to their table asking to meet her. Brando was hot box office property at the time, riding on the wave of Academy Award nominations for *A Streetcar Named Desire* (1951) and *The Wild One* (1953). Jackie didn't hesitate, and they had what she later called "a very brief but fabulous affair." In 1960, Jackie Collins married her first husband, Wallace Austin, who was 12 years her senior. They had a daughter, Tracy, in 1961, and were divorced in 1964 after four and a half years of marriage. Jackie later revealed that Wallace was a compulsive gambler, substance abuser and mentally unstable. Wallace eventually killed himself of a

drug overdose. As she seemed to do with every experience in her life, Jackie viewed this time as a period of learning and research that helped her become knowledgeable about drugs and drug use, knowledge she used to inform future novels... Buy a copy to keep reading!

As she arrives in Las Vegas, Lucky's focused on getting her father Gino to sign off on some new developments underway in Atlantic City. But when opportunity strikes, Lucky's always ready—and now she has the chance to take on heading a casino complex right in Vegas. Lucky's past always seems to catch up with her though, and she's surprised to discover that aging billionaire Dimitri Stanisloupoulos is also in Vegas, with his daughter, Olympia, Lucky's long lost friend. Kindred spirits who were both painfully out of place in the stodgy boarding school they were forced to attend, Lucky and Olympia had run off together, landing at a French villa where they stayed with Olympia's much older Hollywood producer lover—until their dads found out. They never spoke again, for decades, until now, although Lucky may learn some friendships are best left behind. Maybe the most unexpected surprise for Lucky, though, is finding love with rising comedian Lennie Golden. But will she be too much for him. . . and will he be enough for her? Packed with colorful characters and coursing with passion, suspense, and round-the-world adventure, from California, to Paris, from New York to a private Greek island, this decadent story is a gripping thrill ride of dangerous passion and power at any cost—at once a richly satisfying saga and a perfect poolside read as only Jackie Collins could write it!
