Scripture says that offenses will happen. People will let us down and we will let others down, as well. Forgiveness is left up to us to pray about and then practice. Far from minimizing the hurt of the offense, readers are called to understand that offering forgiveness and letting go of bitterness is the only way to walk in faithfulness. Drawing on biblical teaching of our call to forgive, Nancy shows the reader that forgiveness is a choice- and the only pathway to true freedom.

This practical guide to hearing God's voice shows how an ordinary man who was committed to hearing God and obeying Him became the founder of the largest interdenominational missions organization in the world. Loren Cunningham's dream began with a vision - waves of young people moving out across the continents announcing the Good News of Jesus Christ to the whole earth. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the Gospel to this generation. How did God move Loren's dream from vision to reality? He led Loren and his wife, Darlene, through a series of tough lessons in guidance. The exciting story of Youth With A Mission has much to teach us about the art of listening to God as we seek to be used by Him. *That Really You, God?* is not only a practical guide to hearing God's voice, but also an amazing testimony to how following His direction can impact our lives and our world for the glory of God's kingdom. It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe

and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China. As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

"The spiritual needs of the Muslim world, long neglected by Christian missionaries, came to the world's attention again when Samuel Zwemer dedicated himself to the advancement of the gospel in Arabia. It was a tremendous task, but a pledge the young American kept despite opposition, difficulty, and death."--P. [4] of cover.

God's Samurai is the unusual story of Mitsuo Fuchida, the career aviator who led the attack on Pearl Harbor and participated in most of the fiercest battles of the Pacific war. A valuable record of major events, it is also the personal story of a man swept along by his times. Reared in the vanished culture of early twentieth-century Japan, war hero Fuchida returned home to become a simple farmer. After a scandalous love affair came his remarkable conversion to Christianity and years of touring the world as an evangelist. His tale is an informative, personal look at the war "from the other side."

The true story of the lead pilot of the Pearl Harbor attack and his conversion to Christianity. "As I looked across at my companion, I marveled afresh at the goodness of God—this man was my enemy; now he is my brother! Such is the miracle of the grace of God."—Rev. Elmer Sachs, Director of Sky Pilots International. These words were written of Mitsuo Fuchida, who led the first wave of the air attacks on Pearl Harbor on December 7, 1941 as a Captain in the Imperial

Japanese Navy Air Service. After the war, Fuchida was introduced to the gospel through the testimony of Jacob DeShazer. He began reading the Bible and eleven years after Pearl Harbor, he became a Christian. Fuchida spoke boldly of his conversion in his native Japan, and a few years later, he was recruited by Rev. Elmer Sachs to join Sky Pilots International. He came to the United States where he had the opportunity to share his story across the country. From Pearl Harbor to Calvary is the story of Mitsuo Fuchida's conversion and ministry in his own words. Central to his narrative is the message that God works through even the most improbable of circumstances to further the gospel. Richard Wurmbrand, founder of Voice of the Martyrs, was once a young atheist determined to experience everything the world had to offer. Yet he regretted that God did not exist, wishing that a heart of love beat somewhere in the universe. When the Romanian found that heart of love in Jesus Christ, he had the courage to serve Christ unswervingly even as his homeland sided with the Nazis and then sank into the new horrors of post-war Communism. Stubbornly respecting the worst enemies as fellow human beings and repaying hatred with love, the beloved pastor would spend years as a prisoner of the state, tortured and beaten, for preaching the gospel of peace (1909-2001). This best-selling, missionary biography series - Christian Heroes: Then & Now - chronicles the exciting, challenging, and deeply touching true stories of ordinary men and women whose trust in God accomplished extraordinary exploits for His kingdom and glory. Few Christians realize nearly every problem in life stems from an unwillingness to forgive someone. When we hold grudges, seek retribution, and blame others, we end up hurting our relationships with God and people—and short-circuit our ability to live the Christian live the way it's meant to be lived. Why is forgiveness so difficult at times? Must we forgive when it's the other person's fault? How should we handle repeat offenses? What if we feel we can't forgive because we've been hurt so badly? Pritchard answers these questions and more by pointing to God's example as the Supreme Forgiver. When we learn to forgive in the way He forgives, then we'll know true freedom, peace, and emotional healing.

A biography of the Scottish missionary and runner who won a gold medal in the 1924 Olympics and went on to do missionary work in China. Immediately after Japan's attack on Pearl Harbor, President Franklin D. Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance: a retaliatory bombing raid on Tokyo. On April 18, 1942, eighty brave young men, led by the famous daredevil Jimmy Doolittle, took off from a navy carrier in the mid-Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war. The First Heroes is the story of that mission. Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders, this is a true account that almost defies belief, a tremendous human drama of great personal courage, and a powerful reminder that ordinary people, when faced with extraordinary circumstances, can rise to the challenge of history.
