CNN correspondent Tom Foreman's remarkable journey from half-hearted couch potato to ultra-marathon runner, with four half-marathons, three marathons, and 2,000 miles of training in between; a poignant and warm-hearted tale of parenting, overcoming the challenges of age, and quiet triumph. As a journalist whose career spans three decades, CNN correspondent Tom Foreman has reported from the heart of war zones, riots, and natural disasters. He has interviewed serial killers and been in the line of fire. But the most terrifying moment of his life didn't occur on the job—it occurred at home, when his 18-year old daughter asked, "How would you feel about running a marathon with me?" At the time, Foreman was approaching 51 years old, and his last marathon was almost 30 years behind him. The race was just sixteen weeks away, but Foreman reluctantly agreed. Training with his daughter, who had just started college, would be a great bonding experience, albeit a long and painful one. *My Year of Running Dangerously* is Foreman's journey through four half-marathons, three marathons, and one 55-mile race. What started as an innocent request from his daughter quickly turned into a rekindled passion for long-distance running—for the training, the camaraderie, the defeats, and the victories. Told with honesty and humor, Foreman's account captures the universal fears of aging and failure alongside the hard-won moments of triumph, tenacity, and going further than you ever thought possible.

HomeSweetHome Network has just announced this year's lucky winner of a brand-new, fully loaded dream home: Janine Brown of Cedar Falls, Iowa. For Janine "Janey" Brown, hearing her name called on the TV has the hallmarks of one of her aunt Midge's harebrained plans designed to bring Janey into a world outside the one she once shared with her fiancé. Janey, however, is reluctant to give up the safety and sanctity she finds in her tiny kitchen, submerging her anxiety and grief in the pursuit of the perfect pot-au-feu. Meanwhile, across town, Janine "Nean" Brown just knows that this house is her destiny. Good fortune took its sweet time showing up in her life, but better late than never. And now that it's here, the house promises an escape from the latest in her revolving door of crappy jobs and drunk boyfriends. This house will turn her into someone the world sees, instead of the bedraggled girl who others look past without a thought. Both Janine Browns head for Christmas Cove, Maine, to claim the prize they both rightfully think is theirs. When their lives and personalities intersect, however, they discover that more than just a million-dollar dream home awaits them at the water's edge. These three women (oh yes, Aunt Midge comes along for the ride!) arrive at their newfound mansion only to uncover what exactly it means to truly be "home." Filled with wit and charm, *The Good Luck Girls of Shipwreck Lane* is Kelly Harms's enchanting and heartfelt debut--a testament to the many, many ways love finds us, the power of a home-cooked meal, and just what it means to be lucky.

In *The New Rules of Lifting for Women*, authors Lou Schuler, Cassandra Forsythe and Alwyn Cosgrove present a comprehensive strength, conditioning and nutrition plan destined to revolutionize the way women work out. All the latest studies prove that strength training, not aerobics, provides the key to losing fat and building a fit, strong body. This book refutes the misconception that women will "bulk up" if they lift heavy weights. Nonsense! It's tough enough for men to pack on muscle, and they have much more of the hormone necessary to build muscle: natural testosterone. Muscles need to be strengthened to achieve a lean, healthy look. Properly conditioned muscles increase metabolism and promote weight loss -- it's that simple. The program demands that women put down the "Barbie" weights, step away from the treadmill and begin a strength and conditioning regime for the natural athlete in every woman. *The New Rules of Lifting for Women* will change the way women see fitness, nutrition and their own bodies.

We all love the benefits of technology and social media, but even with the incredible upsides, many of us suspect there are unintended negative consequences that are beyond our control. We've lost perspective, even perhaps ourselves. In this relevant and life-changing new book, New York Times bestselling author and pastor of LifeChurch.tv Craig Groeschel encourages readers who are hungry to regain control over their lives and put Christ first again. He walks them through biblical values that all Christ followers know are essential, but are even more important for the maxed out, selfie-centered world we live in. The more you compare, the less satisfied you are. The more we interact online, the more we crave face to face intimacy, but the harder it is to have. The more filtered our lives become, the harder it is to be authentic. The more information about the pain in the world we're exposed to the more difficult it is to care. It's time to refresh and rediscover our understanding for today's world the biblical principles that life with Christ brings: contentment, intimacy, authenticity, compassion, rest and more. Groeschel taps some of the most up to date studies on the effects of social media on our emotions and our friendships, and shows us through real-life illustrations how we struggle and how we can overcome our struggles with Jesus' life-changing gospel message. With helpful appendices like the 10 Commandments of Using Social Media to Strengthen Your Faith, a challenge to go on Technology Fasts, and Creating Safeguards for Your #Struggles, you'll find #Struggles to be just the guide to bring balance and real-life engagement to your everyday living.
