Movie star - comic book icon - John Constantine, the legendary chain-smoking, hard-drinking man of the occult is here! The late 1980s: when yuppie demons roam the Earth, trading the futures of souls; the "greed is good" mentality is twisted into a worldwide plague; ghosts come home from Vietnam; and Heaven and Hell alike try to raise up armies for the apocalypse. Only one man can stop their interference with our lives... if he can be bothered!

By rights, John Constantine should be the happiest magician alive. He's just gotten married to the sexy young alchemist Epiphany Greaves and successfully fended off his demonic archenemies at the reception. He'll have to replace the thumb he cut off during a bout of magic-induced madness, but hey, for Constantine, that's not bad. But the honeymoon is about to end. His niece, Gemma, is out for revenge for an assault she holds her dear Uncle John responsible for-but in

her quest for vengeance, she summons a demon she can't control. Gemma's missteps will take John all the way to Hell in this penultimate volume of Vertigo's longest-running series. John Constantine, Hellblazer Vol. 25: Another Season collects issues #276-291 as well as the previously uncollected story "Exposed" from DC's 9/11 anthology.

Legendary creators Warren Ellis, Darko Macan, John Higgins, Tim Bradstreet, Marcelo Frusin and Gary Erskine tear at the scabs covering humanity's self-inflicted wounds in JOHN CONSTANTINE, HELLBLAZER VOL. 13: HAUNTED. John Constantine may not be the nicest man you'll ever meet, but there's plenty who are worse-and now that he's back in eternal, ever-changing London, he's about to discover some prime examples of the species. After spending a lifetime knee-deep in the necromancy trenches, Constantine has seen every shade of self-aggrandizement that the predators of the world have to offer, making it all too easy for him to track them down and corner them in their squalid little lairs. Because the ugly truth is, no matter how many pseudo-mystical rationalizations the tossers spout, they can't disguise the soul-crushing banality of their evil. To defeat them, all he has to do is peel away their delusions and hold up a mirror. After all, no one knows the torment of true self-knowledge better than John Constantine. Collects #134-145 of the signature Vertigo series together with the controversial "Shoot" one-shot from VERTIGO RESURRECTED and three never-before-reprinted seasonal tales from VERTIGO: WINTER'S EDGE.

It's a story full of strange places and desperate lives that leads Constantine to unearth his own connection to the mysterious disappearance of a boyhood friend...and that's just the beginning of Constantine's troubles in John Constantine, Hellblazer Vol. 26: The Curse of the Constantines. Collecting Hellblazer #292-300; Hellblazer Special: Bad Blood #1-4; Hellblazer Annual #1!

SOMETHING'S ROTTEN IN THE BIG APPLE... Ever since English occultist John Constantine moved to Manhattan, the city has grown more magical by the day—in a BAD way. The Swamp Thing is out of his element when Central Park itself begins eating the city's young lovers alive. A demonic infestation has taken over the city's magical hotspots, forcing the powerful sorcerer Papa Midnite out of his supernatural nightclub and onto the street. And one of hell's most lethal lords, Neron himself, joins forces with Constantine's infernal ex to make New York a deadly offer it cannot refuse. Now Constantine must blaze a path through the most perilous places in this world and beyond, from the alleys of New York City to the bright lights of Los Angeles, from the mystical realm of Faerie to the bloody highways of Hell itself. To save his city's soul—and what's left of his own—he'll need to work alongside enemies and allies, magical mistresses and a certain dead man. But how can John defeat evil when even he can't deny the devil's dark allure? Co-writers Ming Doyle and James Tynion IV and artists Riley Rossmo, Travel Foreman and Eryk Donovan proudly present CONSTANTINE: THE HELLBLAZER VOL. 2: THE ART OF THE DEAL. Collects issues

Graphic Novel. Movie star - comic book icon - John Constantine, the legendary chain-smoking, hard-drinking man of the occult is back! John Constantine has made a terrible mistake, and it's cost him his sister's life and soul. Now he must journey to Hell with his old nemesis, the demon Nergal, to bring her back to the light - but the deals he will need to make en route may cost him more than even he has ever lost before. Plus a bonus story of Constantine's childhood, and an unforgettable after-dinner speech! Mike Carey and Leonardo Manco - with guest artist Frazer Irving - conclude their acclaimed Hellblazer run with a deadly twist!

John Constantine, the dark prince of England's occult underground, knows the sooty streets of London like the back of his cigarette-toting hand. But half a world away there's a new threat rising that not even Constantine can see coming.

Acclaimed author Mike Carey concludes his groundbreaking run on London's working-class magus with JOHN CONSTANTINE, HELLBLAZER VOL. 18: THE GIFT. To restore his mind and save his life, John Constantine was forced to give a day of his life to a she-demon named Rosacarnis. It was a bad bargain, and one that he knew he'd regret—but he had no idea how quickly everything would go

straight to hell in its aftermath. Over the course of that single day, England's savviest street sorcerer lived several lifetimes—and sired three infernal offspring, whose incandescent hatred of him was carefully nurtured by their mother. Luckily for Constantine, the blood he shares with his sulfurous brood makes it impossible for them to kill him outright. Unluckily, his dwindling roster of friends and loved ones enjoy no such protection. And now that war has been declared on all that John holds dear, the lives and souls of his best friend, his ex-flame, his niece and his sister are all fair game for the non-existent mercies of Rosacarnis and her family. Can Constantine defeat his progeny, their mother and their all-powerful grandfather? Or will the so-called gift of fatherhood finally be the death of him? Collects issues #202-215 of the signature VERTIGO series and featuring the artistic talents of Leonardo Manco, Frazer Irving, Giuseppe Camuncoli and Lorenzo Ruggiero.

John Constantine has been lots of things in the course of his long and lurid life—a life spent uneasily balanced on the fault line between the everyday and the supernatural. Sorcerer. Chain-smoker. Con man. Aging punk. Incorrigible bastard. But a knight of the bloody Round Table? That's a new one. It's not as far-fetched as it might seem, however, considering that all of England is quickly descending into an inferno of mystical chaos. Albion is burning, and someone is breaking the bonds that have held the ancient isle together since the dawn of time.

Dragon, wizard, demon-whatever you call it, the power of Merlin has risen again, and he's determined to take an immortal lifetime's worth of vengeance against God himself. There's only one man who can stop him: the legendary king whose soul is pledged to defend his realm throughout the ages. No points for guessing who the unlucky sod is that has to dig him up. Legendary talents Paul Jenkins, Sean Phillips, Charles Adlard and Warren Pleece drag comics' most notorious rogue kicking and screaming into the mists of Avalon in HELLBLAZER VOL. 11: LAST MAN STANDING, collecting the never-before-reprinted issues #108-120 of the signature VERTIGO series and featuring the character's special 10th anniversary celebration, bursting with special guests and capping off Sean Phillips's historic run on the title.

Plus, a forward written by worldwide musical icon, Sting! When all the chips are down and everything's on the line, what would you do to ensure you come out on top? What would you be willing to sacrifice? For occult detective John Constantine, the only thing more difficult than answering that question almost every single day is living with his decision. Whether it's due to a sense of self-loathing, a resistance to any sort of authority or a deeply hidden desire to do what's right, Constantine is willing to make the hard choices...so that no one else has to. All of these facets of John Constantine's character have made him one of the most popular in graphic literature since 1988. Hellblazer: A Celebration of 30 Years collects some of the antihero's best stories from some of the greatest writers in his history, including Alan Moore, Garth Ennis, Brian Azzarello, Paul Jenkins, Jamie Delano and more. A small-time gang lord has found himself dealing with a big-time outbreak of supernatural weirdness...and, without any allies to call on and nothing left to call his own, John doesn't have much choice about taking a paycheck from one of London's worst, or accepting the help of one of the gang lord's would-be foot soldiers. But what should be an open-and-shut exorcism turns out to be nothing but...and madness is just getting started! The original Constantine is back in this series from Si Spurrier (The Dreaming) and Aaron Campbell (Infidel), with nothing to his name but decades of bad memories and an unearned second chance. After spending a year and a half wandering through the darkest corners of America, John Constantine has returned home! His port of entry is Liverpool, where the decaying landscape and gentle undercurrent of despair match his frame of mind. Of course, no sooner does he set foot upon his native land than he stumbles into a small-time necromancy-and-murder ring centered on his own sister's apartment building. More worrying than this sordid little power trip is the disappearance of his niece, Gemma, who's turning out to be a bit too much like her uncle for anybody's good. In her eagerness to learn the family trade, Gemma has gone to London and fallen in with a bad crowd, and pulling her out means that Constantine will have to join the search for a distinctly nasty magical artifact—one that shouldn't fall into anyone's hands, least of all those of the man determined to find it. It's been a long, hard road that John Constantine has followed across the badlands of America. After walking out of a burning maximum-security prison, into the hollows of Appalachia and through the snows of the Great Plains, England's greatest magician is approaching the final leg of his intracontinental trek—and closing in on the real reason for the suicide of Richard “Lucky” Fermin, the trigger that set everything in motion to frame Constantine for murder. To reach the end of this long and dangerous trail, however, he will have to pass through the bellies of two very different beasts: first, a nest of white supremacists in rural Montana, where Fermin's widow has settled; and then, finally, Los Angeles—capital of an entire empire of decadence and home to the singularly American corruption that has hounded Constantine halfway around the globe. Legendary comics author Brian Azzarello concludes his acclaimed cross-country saga with JOHN CONSTANTINE, HELLBLAZER VOL. 15: HIGHWATER, collecting issues 162-174 of the signature Vertigo series and featuring stunning art from Marcelo Frusin, Guy Davis, Giuseppe Camuncoli and Cameron Stewart.
