

John Deere 46 Inch Snow Blade Manual Fangddore

The #1 New York Times bestseller! Big trucks may brag and roar, but small and steadfast wins the day in this cheerful story with timeless appeal. On the Mighty Mountain Road Crew, the trucks come in one size: BIG. That is, until the little snowplow joins the crew. None of the other trucks think that the little snowplow can handle the big storms, but he knows that he can do it—and just to be sure, he trains hard, pushing loads of gravel, pulling blocks of concrete, and doing plow lifts to get ready. But when a blizzard arrives, will the little snowplow's training be enough to clear the streets and handle unexpected trouble? Taking its place beside classics such as *The Little Engine That Could* and *Mike Mulligan and His Steam Shovel*, this tale of a plucky little plow will find a clear path to readers' hearts.

Another must-have title from the authors of the bestselling *Bowhunting Pressured Whitetails* (0-8117-2819-6). Lays out a hunting program for the entire year, including preparation and training during the off-season. Especially useful for hunting high-pressure areas and it explains how to best take advantage of the rut.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

In the 1960s and 1970s, John Deere's tractors evolved dramatically from small machines into large, powerful tractors with modern advances and muscular engines; it was a period of the greatest changes since the 1920s. Deere christened these tractors the New Generation. This book in the Tractor Legacy series examines these Big Green machines in detail, with archival and current photography of restored tractors, a thorough historical text, and details of model specifications and variations.

This detailed coloring book features 36 hand-created sketches of all the most popular collectible and modern farm tractors. These beautiful pieces of art offer the coloring enthusiast young and old an opportunity to use colored pencils, ink pens, or crayons to relax and get creative with their favorite farm tractors. Includes machines from John Deere, International Harvester, Farmall, Ford, Allis-Chalmers, Case IH, and more. Many of the drawings are based on the well-known photography of Lee Klancher (Red Tractors 1958-2017, Farmall Calendar). The book also includes a few fantastic tractor concept drawings by legendary industrial designer Gregg Montgomery. A lovely blend of tractor enthusiast fodder, beautifully made art, and adult relaxation tools, this book is sure to please adults as well as children.
