Oct 26, 2020 · Happiness is an emotional state characterized by feelings of joy, satisfaction, contentment, and fulfillment. While happiness has many different definitions, it is often described as involving positive emotions and life satisfaction. Happiness includes both momentary positive emotions and a deeper sense of meaning and purpose in life. Sometimes these parts are split up into hedonia (pleasure) and eudaimonia (more like thriving or flourishing), but most of the time when people say "happiness", they are talking about the combination of both. In my book, *Outsmart Your Smartphone*, I define happiness as a skill that has to be
