is raised by Mother and Father Wolf and taught the ways of the jungle by Baloo the bear. While this is a faithful introduction to the classic, it doesn't attempt to cover all the action from the original story and its adaptations-the story focuses on the parts children will understand and enjoy. The Jungle Book: Mowgli's Adventures is a magical introduction children will recall when they are older and ready for the original work. A no-mess art activity kids can do again and again at home or on the go! Like magic, scenes of playful unicorns come to colorful life when painted with the included water-filled brush! As the water dries, the color disappears and the sturdy pages can be painted again and again! Ten scenes show smiling unicorns and their dragon friends having fun searching for treasure, splashing in waterfalls, frolicking in a meadow and more!
