At Halloween she's happy to stay at home and cast spells with her mum and her Grandmother rather than go out trick or treating like the other kids. At 12 years old, she thinks she knows it all. But then Lilly becomes unsettled by odd events, like seeing the sinister man in the white shoes staring at her while she walks the dogs, and then local children start to go missing. There are three things I hate: Bratwurst in any form, my neighbors boinking like farm animals at 3 AM, and Chase Jett. Mostly I hate Chase Jett. It's been ten years since he took my virginity-I'd make a bratwurst joke, but the unfortunate truth is that it would have to be a brat-best joke, and yes, it kills me to admit that-and now he's not only a billionaire, he's also my new boss. Turns out our hate is mutual. And this kind of hate is horrifically twisted, filthy, and banging hot. I just might have to hate him forever. Mister McHottie is the hilariously sexy romantic comedy that your mother warned you about, complete with an organic happy-ever-after (or seven), a Bratwurst Wagon, ill-advised office pranks, and no cheating or cliffhangers.

From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG!* Mr. and Mrs. Twit are the smelliest, nastiest, ugliest people in the world. They hate everything—except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want revenge.

Abraham Lincoln was one busy man. He had a country to run. And a war to win. And a family to care for. But when it came time to honor all the soldiers who had died in the great battle of Gettysburg, President Lincoln still took time to say a few words. Two hundred and seventy-one to be exact. Here is a true story about a great man

and his famous speech.

This read will take you on a real-life journey as peace officers are getting shot and desperately fight for their lives. These are not made up stories, but you will live the events as they actually happened. These stories are told by those officers who were shot, in a millisecond by millisecond, and bullet by bullet sequence. You will experience fear, anger, sadness, and happiness in the triumph of the human spirit, as you go through a profound emotional roller coaster ride that is extremely compelling. If you've ever wondered what it is really like to be in a gunfight, this is a must-read book. Many of these storytellers have received the Medal of Valor from their respective departments for their actions. One storyteller received the Congressional Badge of Bravery, an award that is rarely bestowed. All the locations are listed so the reader can access Internet maps, go to the street view and see the actual places where the shootings occurred. This is a one of kind read that will chill you, make you cry, and at the same time give you a new sense of respect for peace officers because of what they go through and the values they embrace.

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk

about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

The critically acclaimed, award-winning, modern classic Speak is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone

Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinkmanship - and transformed his understanding of mercy and justice forever."--Back cover.

Hiroshima is the story of six people--a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest--who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

New York City was being systematically crippled by crimes committed in a very organized fashion. Communities and neighborhoods were paralyzed with fear. Just when all hope seemed lost, the tide turned. Rumors spread about a group of renegade crime fighters with extraordinary powers. They

called themselves, The Unbeatables. Henry Fleming (Strongman) was their leader. They were superhero pioneers. No flashy names. No dazzling uniforms. As a result of their heroic efforts, The Unbeatables introduced Genvars (Genetic Variations) to a skeptical world that up to that point considered the occasional grainy video footage of someone displaying abnormal powers to be nothing more than a hoax. Soon, more Genvars came out of hiding. But their assimilation into society was met with resistance and trepidation. Civil unrest was threatening the very foundation of the country. The government held controversial hearings to deal with the fear and unrest that was crippling the country. Genvars desperately needed a leader to unite and represent them. They wanted Strongman. Through his own chronological narrative, Henry Fleming gives us an unabashed accounting of his extraordinary life. Whether it's the searing pain of a broken heart, the unapologetic dispensing of justice, or his lifelong search for the answer to the same question we each ask ourselves. Why Am I here? Sometimes it's not who we think we are that matters as much as who other people believe we are.
