The Bias Against the Poor and Uneducated in the Criminal Justice System? How Mental Health Can Be Better Treated Instead of Jail? The Changes Author Bryan Stevenson Had Made to the Criminal Justice System. . . . And much MUCH more! Get started right away! *Note: this an unofficial companion book to Bryan Stevenson's popular book Just Mercy - it is meant to enhance your reading experience and is not the original book.

Bryan Stevenson, a young lawyer who founded the Equal Justice Initiative, has the purpose of defending those who desperately need help from the poor, the wrongly condemned, and women and children trapped far beyond the reach of the criminal justice system. His first case, Walter McMillian, a young man sentenced to death for a notorious murder he didn't commit. This case brought Stevenson into a winding conspiracy, political machination, and legal brinkmanship which transformed his understanding of mercy and justice forever. Just Mercy is an unforgettable and personal account of a visionary lawyer's coming of age—moving as a window of hope for the lives of those he has defended and an inspiring argument for compassion in the pursuit of true justice.

Alabama joins Mississippi as fertile Deep South soil for the Noir Series. "A beautifully engineered anthology of 16 crime and mystery stories that are heavy on setting, atmosphere, and human emotion." --Mystery Scene "Each story springs from a particular place, actual streets, honkytonks or stomping grounds any Alabamian may have walked." --Tuscaloosa News One of the Southern Review of Book's Best Southern Books of April 2020 One of Alabama.com's 10 recent books with Alabama ties you'll want to read "Alabama Noir is known for its fertile deep-south perspective and encounters troubles and foibles galore as well as darkness in many forms." --Birmingham Times "Short fiction is alive and well in Alabama...There is not a single story unworthy of this collection infused with Alabama settings, and all readers will find tasty literary morsels to their liking." --Alabama Writers' Forum "If the darkness suits you, there's a new anthology to suit your shadowy heart...[Alabama Noir] holds 16 tales packed with sinister ambition, iniquity, revenge and the prices we pay for our schemes." --Lagniappe Weekly "Alabama Noir presents a group of stories diverse in their approach, their subject matter, their sub-genre, their influences, and their political perspective, and it can be fascinating to see how those varied influences intersect." --Another Chicago Magazine "Banish any boredom with a descent into Alabama Noir." --Southern Review of Books "The 16 tales in this entertaining Akashic noir anthology cover the entire state of Alabama...The flaws are few and far between,

and as is so often the case for the series, each contributor consistently embraces the setting." --Publishers Weekly "Especially and unreservedly recommended." --Midwest Book Review Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Brand-new stories by: Ace Atkins, Tom Franklin, Anita Miller Garner, Suzanne Hudson, Kirk Curnutt, Wendy Reed, Carolyn Haines, Anthony Grooms, Michelle Richmond, Winston Groom, Ravi Howard, Thom Gossom Jr., Brad Watson, Daniel Wallace, D. Winston Brown, and Marlin Barton. From the introduction by Don Noble: Some locales seem to come with their own soundtrack. Don Ho and his tiny bubbles provide the background music for Hawaii, Edith Piaf for Paris. The reggae of Bob Marley evokes Jamaica. The soundtrack for Alabama is without question provided by our troubled troubadour Hank Williams. The 2016 biography Hank by Mark Ribowsky paints a dark picture of the musician's short, alcoholic, drug-filled life: a life of loneliness and pain. He goes so far as to call Hank's life story "noir-ish"... In Alabama Noir we encounter "troubles and foibles" galore, darkness in many forms. The stories range from the deadly grim to some that are actually mildly humorous. We see desperate behavior on the banks of the Tennessee River, in the neighborhoods of Birmingham, in the affluent suburbs of Mobile, in a cemetery in Montgomery, and even on the deceptively pleasant beaches of the Gulf of Mexico. Fans of noir should all find something to enjoy.

Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the Chronicle of Higher Education—with a new preface by the author "It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system." —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had

and the state of the criminal justice reform movement today.

"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship - and transformed his understanding of mercy and justice forever."--Back cover.

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the

White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! A New York Times bestseller: "This terrific new book . . . [explores] the 'notion of whiteness,' an idea as dangerous as it is seductive."—Boston Globe Telling perhaps the most important forgotten story in American history, eminent historian Nell Irvin Painter guides us through more than two thousand years of Western civilization, illuminating not only the invention of race but also the frequent praise of "whiteness" for economic, scientific, and political ends. A story filled with towering historical figures, *The History of White People* closes a huge gap in literature that has long focused on the non-white and forcefully reminds us that the concept of "race" is an all-too-human invention whose meaning, importance,

and reality have changed as it has been driven by a long and rich history of events.

Warning This is an independent addition to Just Mercy, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. This review of Just Mercy: A Story of Justice and Redemption, by Bryan Stevenson, provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book. The main theme explored in the book is the injustice of our criminal justice system. The author uses the case of Walter McMillian's wrongful conviction of murder and imprisonment as an overarching example of how the U.S. justice system does not prosecute fairly. The author focuses on how race, socioeconomic status, and even age have an effect on how certain criminals are convicted. Stevenson uses his personal experience as a lawyer for the Equal Justice Initiative and more than 25 years fighting for the rights of people who could not afford legal counsel as a basis for this novel. Through his own experiences, the author makes the case that it is often the people on the fringe of society who need proper justice and mercy, and yet, they are the ones who are least likely to receive it. By sharing his own case work, the author demonstrates how unjust death penalty convictions have been over the past fifty years and how hard it is to truly make change in the system. The central thesis of the work is that we are more than the worst things we have done. Yet, we live in a country that will, on the basis of one poor choice or decision, condemn a person to life in prison, or worse, death. Even further, law enforcement often targets those who have neither the money nor education to fight back, and this has had a direct correlation to the rise in mass incarceration over the past century. The author's purpose is to shine a light on this and bring about the kind of change that uses mercy as its own form of justice. Bryan Stevenson is a lawyer, social justice activist, and the founder of the Equal Justice Initiative. He attended Eastern University and graduated in 1981. After that he attended Harvard Law School where he found his career calling by working for the Southern Center for Human Rights. He has since traveled the country, working for EJI, and speaking about the politics and social injustice of the prison system and death penalty. Available on PC, Mac, iphone, android, tablet or Kindle device. (c) 2016 All Rights Reserved

The I Know This to Be True series is a collection of extraordinary figures from diverse backgrounds answering the same questions, as well as sharing their compelling stories, guiding ideals, and insightful wisdom. Bryan Stevenson has committed his career to fighting wrongful convictions, systemic poverty, and mass incarceration—here, he shares the lessons he's learned throughout his life. ONE good idea applied to your life? In many cases, it may mean expanded paychecks, better vitality, and magical relationships. Here's an Introduction of What You're About to Discover in this Premium Summary of Just Mercy: A Story of Justice and Redemption by Bryan Stevenson: Just Mercy tells the true story of the writer Bryan Stevenson, who was once a young lawyer defending inmates sentenced harshly through false and unjust allegations. The main storyline focuses on the organization he founded called the Equal Justice Initiative or EJI, and Walter McMillan, a black man sentenced to death in the late 1980s due to a false charge of murder. The book displays Stevenson's perspective towards racial and economic inequality as he bravely opposed the criminal justice and prison systems in America. He firmly believes in empathy over condemnation, that it is the change society needs in order to make a difference. The book achieved astounding remarks and multiple awards, leading to its place as a #1 New York Times bestseller. Just Mercy was named one of the most powerful and influential books ever written and it was also turned into a major motion picture starring the well-known artists Michael B. Jordan and Jamie Foxx who also came away with notable awards. Presents the true story of a friendship that has spanned three decades, recounting how the author, a harried sales executive, befriended an eleven-year-old panhandler, changing both of their lives forever.

So much to read, so little time? This brief overview of Just Mercy: A Story of Justice and Redemption tells you what you need to know—before or after you read Bryan Stevenson book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Just Mercy includes: Historical context Chapter-by-chapter overviews Character profiles Detailed timeline of key events Important quotes and analysis Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Just Mercy: A Story of Justice and Redemption by Bryan Stevenson: Just Mercy is a heartbreaking—but not entirely hopeless—look inside the American criminal justice system. The guide on this journey to death row, judges' chambers, and courthouses small and large is Bryan Stevenson, one of the country's foremost criminal justice reformers and the founder of the Equal Justice Initiative, the acclaimed legal aid organization based in Montgomery, Alabama. In Stevenson's chronicle, the only thing standing between death or life imprisonment is an underpaid, overworked lawyer. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

The young adult adaptation of the acclaimed, #1 New York Times bestseller Just Mercy--soon to be a major motion picture starring Michael B. Jordan, Jaime Foxx, and Brie Larson and now the subject of an HBO documentary feature! In this very personal work--adapted from the original #1 bestseller, which the New York Times calls "as compelling as To Kill a Mockingbird, and in some ways more so"--acclaimed lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom. Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society--the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice.

Proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. PLEASE NOTE: This is a summary, analysis and review of the book and not the original book. Bryan Stevenson's controversial and eye-opening book: Just Mercy: A Story of Justice and Redemption is a stunning, personal, and in-depth look at the racial injustices plaguing the American justice system. This FastReads Summary & Analysis offers supplementary material to Just Mercy to help you distill the key takeaways, review the book's content, and further understand the writing style and overall themes from an editorial perspective. Whether you'd like to deepen your understanding, refresh your memory, or simply decide whether or not this book is for you, FastReads Summary & Analysis is here to help. Absorb everything you need to know in under 20 minutes! What Does This FastReads Summary Include? Executive Summary of the original book Brief chapter-by-chapter summaries Key takeaways from each chapter Editorial Review Original Book Summary Overview The mission of Just Mercy is to peel back the curtain on corporal punishment and the culture of mass incarceration in America. An emphasis is placed on the rate at which America imprisons its' citizens, especially the poor and African American populations, and the unforeseen consequences and costs of this mass incarceration. Stevenson shines an unapologetic light on the unfair, irresponsible, and biased prosecution of an impoverished population and the ripple effects this has on families, communities, and the American people. BEFORE YOU BUY: The purpose of this FastReads Summary is to help you decide if it's worth the time, money and effort reading the original book (if you haven't already). FastReads has pulled out the essence-but only to help you ascertain the value of the book for yourself. This analysis is meant as a supplement to, and not a replacement for, Just Mercy.

"Profoundly necessary." —Michelle Alexander, New York Times columnist and author of The New Jim Crow In the eloquent tradition of Bryan Stevenson's Just Mercy, an award-winning leader in the movement to end mass incarceration takes on the vexing problem of violent crime Although over half the people incarcerated in America today have committed violent offenses, the focus of reformers has been almost entirely on nonviolent and drug offenses. Danielle Sered's brilliant and groundbreaking Until We Reckon steers directly and unapologetically into the question of violence, offering approaches that will help end mass incarceration and increase safety. Widely recognized as one of the leading proponents of a restorative approach to violent crime, Sered asks us to reconsider the purposes of incarceration and argues persuasively that the needs of survivors of violent crime are better met by asking people who commit violence to accept responsibility for their actions and make amends in ways that are meaningful to those they have hurt—none of which happens in the context of a criminal trial or a prison sentence. Sered launched and directs Common Justice, one of the few organizations offering alternatives to incarceration for people who commit serious violent crime and which has produced immensely promising results. Critically, Sered argues that the reckoning owed is not only on the part of those who have committed violence, but also by our nation's

overreliance on incarceration to produce safety—at great cost to communities, survivors, racial equity, and the very fabric of our democracy.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

One Woman’s Journey Back to Loving the Bible If the Bible isn’t a science book or an instruction manual, then what is it? What do people mean when they say the Bible is inspired? When Rachel Held Evans found herself asking these questions, she began a quest to better understand what the Bible is and how it is meant to be read. What she discovered changed her—and it will change you too. Drawing on the best in recent scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, soliloquies, and even a short screenplay. Undaunted by the Bible’s most difficult passages, Evans wrestles through the process of doubting, imagining, and debating Scripture’s mysteries. The Bible, she discovers, is not a static work but is a living, breathing, captivating, and confounding book that is able to equip us to join God’s loving and redemptive work in the world.

Throughout Maya Angelou’s life, from her childhood in Stamps, Arkansas, to her

world travels as a bestselling writer, good food has played a central role. Preparing and enjoying homemade meals provides a sense of purpose and calm, accomplishment and connection. Now in *Hallelujah! The Welcome Table*, Angelou shares memories pithy and poignant—and the recipes that helped to make them both indelible and irreplaceable. Angelou tells us about the time she was expelled from school for being afraid to speak—and her mother baked a delicious maple cake to brighten her spirits. She gives us her recipe for short ribs along with a story about a job she had as a cook at a Creole restaurant (never mind that she didn't know how to cook and had no idea what Creole food might entail). There was the time in London when she attended a wretched dinner party full of wretched people; but all wasn't lost—she did experience her initial taste of a savory onion tart. She recounts her very first night in her new home in Sonoma, California, when she invited M. F. K. Fisher over for cassoulet, and the evening Deca Mitford roasted a chicken when she was beyond tipsy—and created *Chicken Drunkard Style*. And then there was the hearty brunch Angelou made for a homesick Southerner, a meal that earned her both a job offer and a prophetic compliment: “If you can write half as good as you can cook, you are going to be famous.” Maya Angelou is renowned in her wide and generous circle of friends as a marvelous chef. Her kitchen is a social center. From fried meat pies, chicken livers, and beef Wellington to caramel cake, bread pudding, and chocolate éclairs, the one hundred-plus recipes included here are all tried and true, and come from Angelou's heart and her home. *Hallelujah! The Welcome Table* is a stunning collaboration between the two things Angelou loves best: writing and cooking.

"The ... story of a fourteen-year-old sentenced to life in prison, of the extraordinary relationship that developed between him and the woman he shot, and of his release after twenty-six years of imprisonment through the efforts of ... legal activist Bryan Stevenson"--

Inside this Instaread Summary of *Just Mercy**Overview of the book*Important People*Key Takeaways*Analysis of Key Takeaways

Bryan Stevenson's *Just Mercy* was named as one of the Best Books of the Year by The Washington Post, The New York Times, The Seattle Times, Esquire, Time and The Boston Globe. Author Bryan Stevenson was then a young lawyer when he first founded the Equal Justice Initiative. This is a legal practice dedicated to defending those who are most desperate and are in need: the wrongly condemned, the poor, and women and children who are trapped in the farthest reaches of America's criminal justice system. One of the first cases he handled was that of Walter McMillian. McMillian was a young man who was wrongly sentenced to die for a notorious murder that he insisted he did not commit. This case drew Stevenson into a tangle of political machination, legal brinksmanship, and conspiracy. This transformed his understanding of justice and mercy forever. *Just Mercy* is an unforgettable account of the once idealistic and gifted young lawyer's coming of age. It is a moving window into the lives of

the people he has defended, and the inspiring argument for true mercy and compassion in the pursuit of true justice. In this comprehensive look into Just Mercy: A Story of Justice and Redemption by Bryan Stevenson, you'll gain insight with this essential resource as a guide to aid your discussions. Be prepared to lead with the following: More than 60 "done-for-you" discussion prompts available Discussion aid which includes a wealth of information and prompts Overall brief plot synopsis and author biography as refreshers Thought-provoking questions made for deeper examinations Creative exercises to foster alternate "if this was you" discussions And more! Please Note: This is a companion guide based on the work Just Mercy: A Story of Justice and Redemption by Bryan Stevenson not affiliated to the original work or author in any way and does not contain any text of the original work. Please purchase or read the original work first.

"A compelling and important history that this nation desperately needs to hear."

-Bryan Stevenson, New York Times bestselling author of Just Mercy and executive director of the Equal Justice Initiative Winfred Rembert grew up in a family of Georgia field laborers and joined the Civil Rights Movement as a teenager. He was arrested after fleeing a demonstration, survived a near-lynching at the hands of law enforcement, and spent seven years on chain gangs. During that time he met the undaunted Patsy, who would become his wife. Years later, at the age of fifty-one and with Patsy's encouragement, he started drawing and painting scenes from his youth using leather tooling skills he learned in prison. Chasing Me to My Grave presents Rembert's breathtaking body of work alongside his story, as told to Tufts Philosopher Erin I. Kelly. Rembert calls forth vibrant scenes of Black life on Cuthbert, Georgia's Hamilton Avenue, where he first glimpsed the possibility of a life outside the cotton field. As he pays tribute, exuberant and heartfelt, to Cuthbert's Black community and the people, including Patsy, who helped him to find the courage to revisit a traumatic past, Rembert brings to life the promise and the danger of Civil Rights protest, the brutalities of incarceration, his search for his mother's love, and the epic bond he found with Patsy. Vivid, confrontational, revelatory, and complex, Chasing Me to My Grave is a searing memoir in prose and painted leather that celebrates Black life and summons readers to confront painful and urgent realities at the heart of American history and society.

Recounts the struggle of a young African-American lawyer from Alabama to clear the name of a black death-row inmate convicted of murder in a highly flawed trial, in a story that gained national attention in 1993. Reprint.

Presents an epic history that covers the period from the end of World War I through the 1970s, chronicling the decades-long migration of African Americans from the South to the North and West through the stories of three individuals and their families.

An energetic new voice in American politics, United States Senator Cory Booker sounds a stirring call to reorient our civic discourse around the principles of empathy and solidarity. Telling candid, inspiring stories from his life and career,

and imparting lessons learned from people who motivated him to serve, he speaks of rising above discord, tending to our shared resources, and embracing our common destiny.--Summary from hardcover edition.

NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, *Letter to My Daughter* transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was brought up by her indomitable grandmother in segregated Arkansas, taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with her greatest gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty, decrying vulgarity, explaining why becoming a Christian is a “lifelong endeavor,” or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. “I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you.”—from *Letter to My Daughter*

A comprehensive, readable analysis of the key issues of the Black Lives Matter movement, this thought-provoking and compelling anthology features essays by some of the nation’s most influential and respected criminal justice experts and legal scholars. “Somewhere among the anger, mourning and malice that *Policing the Black Man* documents lies the pursuit of justice. This powerful book demands our fierce attention.” —Toni Morrison

Policing the Black Man explores and critiques the many ways the criminal justice system impacts the lives of African American boys and men at every stage of the criminal process, from arrest through sentencing. Essays range from an explication of the historical roots of racism in the criminal justice system to an examination of modern-day police killings of unarmed black men. The contributors discuss and explain racial profiling, the power and discretion of police and prosecutors, the role of implicit bias, the racial impact of police and prosecutorial decisions, the disproportionate imprisonment of black men, the collateral consequences of mass incarceration, and the Supreme Court’s failure to provide meaningful remedies for the injustices in the criminal justice system. *Policing the Black Man* is an enlightening must-read for anyone interested in the critical issues of race and justice in America.

Just Mercy by Bryan Stevenson | Summary & Analysis Preview: Just Mercy: A Story of Justice and Redemption is a legal memoir by Bryan Stevenson. It is set

in the 1980s and early 1990s and follows Stevenson's legal career as an advocate for Alabama prisoners who have been condemned to death, especially prisoners who have been wrongly condemned and unjustly treated by the legal system. Stevenson focuses on the case of Walter McMillian, a black man who was falsely convicted of the murder of Ronda Morrison and placed on death row. Through an investigation and painstaking appeals process, Stevenson ultimately succeeds in exposing the testimony against McMillian as false, wrongly obtained through police coercion and perjury. As a result, McMillian's sentence is overturned and he is cleared of all charges... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. SYNOPSIS: Just Mercy (2014) is a walk through the American criminal justice system of the 1980s. These blind spots exist in how a system that is supposed to protect guard the rights of the nation's best members in unjust trial to martyr and abuse the most vulnerable members of society through mass incarceration and excessive sentencing. ABOUT AUTHOR: Bryan Stevenson is a death row attorney who founded and serves as executive director of the Equal Justice Initiative, an Alabama-based nonprofit organization that represents and advocates for unjustly convicted individuals. In addition to his work at EJI, Stevenson is a professor of law at the New York University Law School. DISCLAIMER: This book is a SUMMARY. Decriminalizing Domestic Violence asks the crucial, yet often overlooked, question of why and how the criminal legal system became the primary response to intimate partner violence in the United States. It introduces readers, both new and well versed in the subject, to the ways in which the criminal legal system harms rather than helps those who are subjected to abuse and violence in their homes and communities, and shares how it drives, rather than deters, intimate partner violence. The book examines how social, legal, and financial resources are diverted into a criminal legal apparatus that is often unable to deliver justice or safety to victims or to prevent intimate partner violence in the first place. Envisioned for both courses and research topics in domestic violence, family violence, gender and law, and sociology of law, the book challenges readers to understand intimate partner violence not solely, or even primarily, as a criminal law concern but as an economic, public health, community, and human rights problem. It also argues that only by viewing intimate partner violence through these lenses can we develop a balanced policy agenda for addressing it. At a moment when we are examining our national addiction to punishment,

Decriminalizing Domestic Violence offers a thoughtful, pragmatic roadmap to real reform.

“[A] masterpiece . . . an astonishing book that will leave you questioning your own life and political views . . . Kidder opens a window into Farmer’s soul, letting the reader peek in and see what truly makes the good doctor tick.”—Nicholas Thomas, USA Today In medical school, Paul Farmer found his life’s calling: to cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. Tracy Kidder’s magnificent account shows how one person can make a difference in solving global health problems through a clear-eyed understanding of the interaction of politics, wealth, social systems, and disease. Profound and powerful, *Mountains Beyond Mountains* takes us from Harvard to Haiti, Peru, Cuba, and Russia as Farmer changes people’s minds through his dedication to the philosophy that “the only real nation is humanity.” Praise for *Mountains Beyond Mountains* “A true-to-life fairy tale, one that inspires you to believe in happy endings . . . Its stark sense of reality comes as much from the grit between the pages as from the pure gold those pages spin.”—Laura Claridge, Boston Sunday Globe “Stunning . . . *Mountains Beyond Mountains* will move you, restore your faith in the ability of one person to make a difference in these increasingly maddening, dispiriting times.”—John Wilkens, The San Diego Union-Tribune “Easily the most fascinating, most entertaining and, yes, most inspiring work of nonfiction I’ve read this year.”—Charles Matthews, San Jose Mercury News “It’ll fill you equally with wonder and hope.”—Cathy Burke, People “In this excellent work, Pulitzer Prize-winner Kidder immerses himself in and beautifully explores the rich drama that exists in the life of Dr. Paul Farmer. . . . Throughout, Kidder captures the almost saintly effect Farmer has on those whom he treats.”—Publisher’s Weekly (starred review) “[A] skilled and graceful exploration of the soul of an astonishing human being.”—Kirkus Reviews (starred review)

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time.

“[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend

NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time

Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy,

political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, *The New York Review of Books* “Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela.”—Nicholas Kristof, *The New York Times* “You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, *The New York Times Book Review* “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller.”—*The Washington Post* “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—*The Financial Times* “Brilliant.”—*The Philadelphia Inquirer*

A no-holds-barred, red-hot discussion of race in America today from some of the leading names in the field, including the bestselling author of *Just Mercy* This blisteringly candid discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and

a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and oppression, these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as “the commonality of pain,” “when lawyers are heroes,” and the concept of an “equality dividend” that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, Ifill, Lynch, Stevenson, and Thompson also explore topics such as “when did ‘public’ become a dirty word” (hint, it has something to do with serving people of color), “you know what Jeff Sessions is going to say,” and “what it means to be a civil rights lawyer in the age of Trump.” Building on Stevenson’s hugely successful *Just Mercy*, Lynch’s national platform at the Justice Department, Ifill’s role as one of the leading defenders of civil rights in the country, and the occasion of Thompson’s launch of a new center on race, inequality, and the law at the NYU School of Law, *A Perilous Path* will speak loudly and clearly to everyone concerned about America’s perpetual fault line.

"Clinical psychologist Price offers one of the most significant books of the year in this new look at an old problem--the underperforming teenage boy... Price's book brings an important voice to a much needed conversation." --Library Journal (Starred review) On the surface, capable teenage boys may look lazy. But dig a little deeper, writes child psychologist Adam Price in *He's Not Lazy*, and you'll often find conflicted boys who want to do well in middle and high school but are afraid to fail, and so do not try. This book can help you become an ally with your son, as he discovers greater self-confidence and accepts responsibility for his future.

"A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit"--

Ginzburg compiles vivid newspaper accounts from 1886 to 1960 to provide insight and understanding of the history of racial violence.
