Fully revised and updated by Dr. Conrad Fischer—Kaplan's award-winning medical educator, teaching and mentoring tomorrow's leaders in medicine. The physical findings questions that appear on Steps 2 and 3 of the USMLE are complicated and challenging. Flashcards are an ideal format for busy medical students studying between classes and during breaks at their rotations or residency. Kaplan Medical USMLE Physical Findings Flashcards give students a detailed review of what doctors see and hear from patients—a key information exchange that leads to accurate diagnoses. Kaplan Medical USMLE Physical Findings Flashcards feature: 200 color flashcards in laminated 5x7 format Pictures and vignettes with questions on one side, answers on the reverse The physical findings most likely to appear on the exam Online Companion includes audio and video similar to the multimedia encountered on the exam

"The questions serve as a self-assessment tool, allowing students to think through clinical scenarios without answer choices influencing their thought process. Most questions end in "what are the appropriate next steps in managing this patient?" Imagine yourself as the clinician taking care of these patients: What test(s), if any, would you order next?"--Provided by publisher.

Any expert in test taking will tell you that the fastest way to raise your test score is to practice questions. Conrad Fischer's Internal Medicine Question Book" is the result of years of discussion with new trainees as well as those re-certifying for the boards who recently took their exam. The book is a companion to the full length live course, "Conrad Fischer's Internal Medicine Board Review Course." Dr Fischer has spent over 10 years in board preparation first as the Chair of Medicine for Arc Ventures/Compass and then as the Chair of Medicine for Kaplan Medical.
