The lingua franca of the Indo-Pakistani people is one language, claims Khan, called Hindi when written in Nagari and Urdu when written in Arabic. He says it is not descended from Sanskrit, as conventionally believed, but is 10-12,000 years old and was influenced early by the Austric-Munda and Dravidian language families. Leaving aside any religious Bullhe Shah's work is among the glories of Panjabi literature, and the iconic eighteenth-century poet is widely regarded as a master of mystical Sufi poetry. His verses, famous for their vivid style and outspoken denunciation of artificial religious divisions, have long been beloved and continue to win audiences around the world. This striking new translation is the most authoritative and engaging introduction to an enduring South Asian classic. A sensitive, humorous novel on Hindu-Muslim relations, set in post-Independence India, by an eminent Hindi writer.

We can each radiate unconditional love. We don't even need to create it – we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to

other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging – It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love – but just by being love.

Between these two covers you will find the answer to those questions which touch the very depths of your soul. Why am I here? Where am I heading? How does one achieve happiness? Can one really find inner-peace? How can the "God" issue be resolved? Is blind faith and the curbing of logic the only road to spiritual nourishment? The answers given are plain and simple. All that is required to benefit is truthfulness with oneself, and unbiased approach, and a sincere quest for guidance. With that, immediately you will see why so many are naturally compelled to accept this message. We invite you to contemplate the matter for yourself...

No Marketing Blurb

Bollywood movies and their signature song-and-dance spectacles are an aesthetic familiar to people around the world, and Bollywood music now provides the rhythm for ads marketing goods such as computers and a beat for remixes and underground bands. These musical numbers have inspired scenes in Western films such as *Vanity Fair* and *Moulin Rouge*. Global Bollywood shows how this currency in popular culture and among diasporic communities marks only the latest phase of the genre's world travels. This interdisciplinary collection describes the many roots and routes of the Bollywood song-and-dance spectacle. Examining the reception of Bollywood music in places as diverse as Indonesia and Israel, the essays offer a stimulating redefinition of globalization, highlighting the cultural influence of Hindi film music from its origins early in the twentieth century to today.

We are all members of a one-earth society, and caring for the earth and soul is interrelated. This is the message of Satish Kumar, the internationally-respected peace and environment activist who has been gently setting the agenda for change for over 50 years. In *Soil, Soul & Society*, Satish presents the new trinity for our age of sustainability. One that shares the knowledge that we ourselves are very much part of nature; that what we do to nature we in fact do to ourselves; and that the earth is soulful. In this book, he inspires readers with the knowledge we are all leaders and can create change. He urges readers to create a new consciousness that reveres nature and explores how, as a global society, we need to embrace diversity and become pilgrims on this earth not tourists. To bring about change in the world we must be the change we wish to see.

Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

I love entertaining and having parties, like most of you. And when I talk to fellow-hosts, I find that they are almost always worried about what snacks to serve the main course and desserts are easier to finalise! It so happens that after much thought they usually settle for common, tried-and-tested dishes such as Paneer Tikkas. Hmmm,

there will be a time when your guests would have had enough of it! Keeping this in mind, I present Kebabs and Tikkis A compilation of 61 delicious and innovative kebab, tikka and tikki recipes. For those of you who are willing to look beyond Indian snacks, I have also included a section of my all-time favourite international finger foods. Some of the kebabs have been deep-fried or cooked in ghee. You could shallow-fry these or use oil instead of ghee, so that you can rest assured on the health front too. And well, there is something for everybody, from the live-for-the-day eater to the more discerning health-conscious ones. In this book, you will discover yummy tikkis such as Mutter aur Phudine ki Tikki, Dahi Saunfiyani Tikki and Chick Pea and Soya Tikki, an array of mouth-watering kebabs such as Badam aur Arbi ke Kebab, Vegetable Shikampuri Kebab and Corn Seekh Kebab and a delectable variety of soft and creamy tikkas such as Pahadi Paneer Tikka, Makhmali Paneer Tikka and Tilwale Aloo ka Tikka. For those who wish for a taste of the world, there are international favourites such as Aloo Cheese Croquettes, Sweet Corn Balls and Paneer, Mushroom and Capsicum Satay. Accompaniments such as Phudina Chutney, Peanut Sauce and Chunky Vegetable Dip duly complement the snacks, enhancing their appeal. Go ahead and put together one of the suggested platters or come up with an original platter full of your favourite recipes, Indian and beyond! That said, variety alone does not ensure that the starters/snacks served during your party become a huge hit with the guests. A major part of the planning involves combining these snacks appropriately into what

is today popular-known as a “platter”. Platters are a dominant phenomenon today they ensure guests a well-chosen selection of snacks replete with rotis, a salad or two and suitable chutneys and sauces. A well-planned platter is wholesome and nutritious and capable of serving as a meal in itself for the snack-lover (while serving as a starter for the rest). This book comes replete with 8 platter suggestions that guide you on how to serve your tikkis, tikkas and kebabs, and the accompaniments that we feel they would ideally combine with. These platters are based on specific themes. The next time you plan a party or are attacked by a sudden hunger pang, fret not, and just pull out this book. Prepare some of these easy-to-follow recipes and watch the platters empty while the diners' faces light up! Each recipe in this book has a beautiful image and each ingredient is linked to a glossary so that you never get lost. Happy entertaining,

Sahir Ludhianvi (1921–1980), a remarkable film lyricist,

was also an iconic literary poet. Surinder Deol paints a sensitive portrait that reveals an artist who was aware of the depth of his poetic message as well as of his ability to present it in words that captured the reader's imagination. Sahir looked outward at the world to find beauty in nature for inspiration while at the same time raising his voice against poverty, deprivation, and the denial of social justice. The book contains free verse translation of over ninety of Sahir's literary creations, including poems, ghazals, bhajans, and a long peace poem called Parchhaaiyaan (The Shadows). The author strives to bring together four distinct elements of Sahir's work that make him one of the most loved poets of our generation: his deep-rooted love of nature, his snug romanticism, his sensitivity to human suffering, and his unceasing optimism for a better tomorrow.

Starting with the premise that Hindustani cine-song and cine-music has been the main narrative, rather than a pleasant diversion, for the movie-loving public, the author has undertaken a journey into the enchanting world of singers, musicians, lyricists and assessed their contribution as powerful creators of popular culture, as interpreters of the subcontinental ethos, people's aspirations and desires, and as bold painters on the canvas of time. They capture the very processes of history and struggles within cultures that have shaped our lives in last one century.

Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. the book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate

theme, in which the phenomena seeming incompatible turn out to be good neighbors.

Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s.

"Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.
