PRESS RELEASE Mandalas to Color for Kids and Adults Volume 10 Now Available Online "Are you looking for an excellent bonding activity that you and your kids will enjoy? Ironpower Publishing has just released Mandalas to Color Volume 10" Ironpower Publishing, owned by Richard Hargreaves, is excited to announce the release of Mandalas to Color for Kids and Adults Volume 10 on Amazon. Volume 10 is suitable for colorists in the beginner and intermediate levels. Coloring is a simple and fun activity which can have lifelong benefits for children. Children can spend an hour just sitting down busying themselves with crayons and coloring worksheets. But aside from it being a favorite past time of kids, it has advantages that promote a positive personality among them. Coloring books can stimulate and exercise the right hemisphere of our brains which is responsible for creativity, visual imagery, color and emotions. Children who spend more time coloring books have better motor skills because coloring promotes hand and eye coordination, strength and grip. This practice also allows children to be familiar with colors and experiment on various color combinations. Mandala coloring books have so many patterns to choose from to maximize one's creativity and imagination. Coloring books also give children the chance to express their creative side by letting them go in choosing colors, strokes and patterns. Another important value that can be

developed through coloring is patience and focus. Kids learn to patiently finish their artworks and master the art of concentrating by focusing on the patterns and shapes of their worksheets. Mandala coloring books have designs tailored for beginners and experts so children and adults can both enjoy the experience. After focusing on coloring, kids feel a sense of accomplishment with their finished art project, thus boosting their confidence and self-esteem. Mandalas to Color are now released online in the book category of Amazon's website. This current release, Mandalas to Color for Kids and Adults Volume 10, has the same level of difficulty as Volumes 1, 4 and 7 which is fairly easy. This volume can be used both by kids and adults but take note that this volume has more adult level designs compared to the other volumes. Another good thing about the mandala coloring book is that it only has one mandala design per sheet so you could put it in a frame and display the finished artwork. Mandala Coloring Book for Kids is an excellent way for kids to creatively express themselves as well as means to focus, meditate, and beat stress. In addition, to the calming and therapeutic effects of coloring mandalas, we have also included positive affirmations to help build self-confidence and self-esteem. As the child continues to color, the child can also learn to focus on positive affirmations to help develop a strong inner-self. Mindfulness Coloring Mindfulness coloring is means to be present through art. The intricate and repetitive patterns in mandalas help kids to focus on coloring, so much to the point where they lose track of time, since they're having so much fun! Better Than an Affirmation Journal Typical affirmation journals are lined journals and lack the ability to connect with the creative side of the brain. In this mindful mandala coloring book, we took the concept to the next level by also including positive affirmations to help reinforce self- confidence and self-dialogue as the child is in a focused state of mind while they are coloring. This book contains the following Powerful Affirmations I AM STRONG I AM CONFIDENT I AM BEAUTIFUL I AM SMART I AM HAPPY I AM COMPASSIONATE I AM LOVED And much more! About the Author MITCH KIMBALL, B.A. Psychology, PharmD, is the founder of Mindful Fountain, a group dedicated to those who practice mindfulness in all walks of life.
