A #1 New York Times bestseller from the fantasy author who is legend herself: TAMORA PIERCE. In this second book in the Beka Cooper Trilogy, Beka uses her unique magic and street smarts to solve dangerous mystery! Is Beka ready for her first real mission? Beka Cooper is having trouble settling into the Provost's Guard. In just five months as a full member, she's already gone through four partners. But now she's teamed up with the renowned Dog Goodwin and an even more famous dog--a scent hound named Achoo. Part of a team at last, Beka is sent on a special mission to Port Caynn. Once there, she delves deeper into the dark underworld of Tortall and learns that corruption extends beyond the Rogue's Court of criminals. It would be risky to continue to investigate, but Beka's not one to give up the scent. Even if it means ending her career . . . permanently. The Beka Cooper Trilogy introduces an amazing young woman who is the ancestor to one of Tamora Pierce's most popular characters: George Cooper. Here, Pierce gives fans exactly what they want--a smart, savvy heroine making a name for herself on the mean streets of Tortall's Lower City--while offering plenty to appeal to new readers as well! "Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration. Cracking open one of her marvelous novels always feels like coming home." --SARAH J. MAAS, #1 New York Times bestselling author "Tamora Pierce didn't just blaze a trail. Her heroines cut a swath through the fantasy world with wit, strength, and savvy. Her stories still lead the vanguard today. Pierce is the real lioness, and we're all just running to keep pace." --LEIGH BARDUGO, #1 New York Times bestselling author Eeny, meeny, miny, mo. I've got a secret you don't know. Caiden Cavendish is under my skin. The Four have switched from being my enemies to my closest friends. But not everything has changed. Two truths remain...my life is still in danger, and my mother is hiding something. So many questions, and no answers. What secrets lie buried in Alstone? The lies, the secrets, they'll come undone. I'm the monster you can't outrun. Note - this book is not a standalone, and should be read after The Lies We Tell.

"In 1210 Scotland, when invading knights capture 12-year-old Drest's father, the Mad Wolf of the North, and her beloved brothers who make up his fearsome war-band, she sets off to rescue them from the castle prison, taking along a wounded knight as her captive to trade for her family's freedom"--

Hesse, author of *Girl in the Blue Coat* Germany, 1945. The soldiers who liberated the Gross-Rosen concentration camp said the war was over, but nothing feels over to eighteen-year-old Zofia Lederman. Her body has barely begun to heal, her mind feels broken. And her life is completely shattered: Three years ago, she and her younger brother, Abek, were the only members of their family to be sent to the right, away from the gas chambers of Auschwitz-Birkenau. Everyone else—her parents, her grandmother, radiant Aunt Maja—they went left. Zofia's last words to her brother were a promise: Abek to Zofia, A to Z. When I find you again, we will fill our alphabet. Now her journey to fulfill that vow takes her through Poland and Germany, and into a displaced persons camp where everyone she meets is trying to piece together a future from a painful past: Miriam, desperately searching for the twin she was separated from after they survived medical experimentation. Breine, a former heiress, who now longs only for a simple wedding with her new fiancé. And Josef, who guards his past behind a wall of secrets, and is beautiful and strange and magnetic all at once. But the deeper Zofia digs, the more impossible her search seems. How can she find one boy in a sea of the missing? In the rubble of a broken continent, Zofia must delve into a mystery whose answers could break her—or help her rebuild her world. *All But My Life* is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

"*You Can Be Brave*" is the first book in the "You Can Be Books" series. "You Can Be Brave" is designed to inspire children ages 4-8 to be brave! The rhyming text and colorful illustrations help guide children to recognize how they already demonstrate bravery in their daily lives and encourage further development. Follow along with a little boy as he shows how brave he is, even when things get tough or don't go as he had planned. There are conversation starters at the end of the book for the reader to discuss with the child and expand on their understanding of bravery. "Being brave is up to you! When you believe in yourself, there is so much you can do!"

In a kingdom called the Dells, Fire is the last human-shaped monster, with unimaginable beauty and the ability to control the minds of those around her, but even with these gifts she cannot escape the strife that overcomes her world.

This brisk retelling of *Le Morte D'Arthur* highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

We are all broken. It's a unified human experience. And we all need a hope that doesn't disappoint, a love that anchors us, joy that survives in unthinkable conditions, and a perspective shift that goes beyond our circumstances. Some days we feel the perfection of sunshine and a light breeze. Other days hold wet, gray skies with drowning grief. In the wake, comes promise of new growth. Still other days a cold winter frost catches us by surprise, halting our journey toward fruitful blooms. We step back, reeling at the damage from this frost. We question the system and environment we grow in. We can exist in this garden dictated by the changing weather patterns. Or, we can see a different kind of brave living--that which exists beyond our fragile stems and dainty leaves, living instead deep in our roots. This book is for those sitting in the deep-down dark, traveling with grief as a constant companion, and anyone whose life path has taken an unexpected turn. Bekah shares the heart break of a fatal diagnosis for not just one, but both her children. As she journeyed through dark valleys of death, it was there she experienced Jesus in a whole new way--in deeply broken places. Her journey holding pain in one hand and joy in the other is vulnerably

scribbled out on these pages as she tore open the wounds in her soul to share how Christ created beauty and goodness in it all. It was in this journey, she learned to see wholeness in cracks, courage in the broken-hearted, and bravery in the act of letting go. May you discover the Life-Giver of joy, see your beautiful bloom, and know that hope is always worth holding on to, because redemption is coming--and in fact--is already happening here and now. "Can't Steal My Joy is an honest, real-life account of a life storm that drops down right on top of you with no warning - and the unspeakable beauty that blooms from the wreckage. Bekah's heart beats in every page, every word. To read her story from start to not-yet-finished, it's only natural to wonder how anyone could survive something like this. But the truth is that Bekah and Danny have done much more than survive. They have thrived. And as for the how? Jesus - only Jesus. God's grace weaves seamlessly throughout each moment of confusion, devastation, hope, surrender, and triumph. You cannot read this book without seeing the Creator and longing for all things new." Anne Riley, author of *Voyage to the Star Kingdom* "I had the absolute pleasure of being able to read Bekah Bowman's book, *Can't Steal My Joy*, before it hit the bookshelves. I honestly have not read anything so moving and soul stirring since, *The Shack*. Whether you are in a season of mourning or grief, or in my case, struggling in the heaviness of life to find peace and joy within, this book helps lift the veil of sadness to reveal God's promise that He never leaves you. God makes his presence known everyday in little ways if you only stop to look for the joy outside the pain. Bekah is a gifted writer and I'm so excited to share this book with my friends and family." Life is about more than just surviving... An unforgettable, inventive, and riveting epic saga about a mother, her daughter and their struggle to survive in a post-apocalyptic flooded world, which signals the arrival of an extraordinary new talent. 'An adventure rife with great peril and high emotional stakes, this postapocalyptic novel reads like a fast-paced screenplay: intense, visceral, and relentless.' *Library Journal* It's 2031, and the world has been utterly transformed. After years of rising floodwaters, all that's left is an archipelago of mountaintop colonies surrounded by a deep expanse of open water. Civilization as it once was is gone. Bands of pirates roam the waters, in search of goods and women to breed. Some join together to create a new kind of society, while others sail alone, barely surviving. Myra and her young daughter, Pearl, survive by fishing from their small boat, visiting small hamlets and towns on dry land to trade for supplies and information. The sole purpose of Myra's existence is to protect Pearl, while mourning the loss of her oldest daughter, Row, who was kidnapped during the last terrifying storm surge. For eight years Myra has searched for the girl that she knows, in her bones and her heart, still lives. In a violent confrontation with a stranger, Myra hears that Row was last seen in a far-off encampment of raiders on the coast of what used to be Greenland. Throwing aside her usual caution, she and Pearl embark on a perilous voyage into the icy northern seas to rescue her. A compulsively readable novel of dark despair and soaring hope, *After the Flood* is a magnificent, exhilarating, action-packed, and sometimes frightening odyssey laced with wonder - an affecting and wholly original saga, both redemptive and astonishing. 'The searing, often brutal story of a mother's terrifying quest to find her missing daughter in a post-apocalyptic world. Haunting and shocking.' Liv Constantine, bestselling author of *The Last Mrs. Parrish* '[A] brilliantly imagined novel about love and desperation, set in an astonishing new world ... utterly gripping' Karin Slaughter, international bestselling author of *The Last Widow* 'An intriguing and innovative woman-centered swashbuckling quest narrative' *Publishers Weekly*

A lonely cockroach named Crickwing has a creative idea that saves the day for the leaf-cutter ants when their fierce forest enemies attack them.

In Simon Gikandi's view, Caribbean literature and postcolonial literature more generally negotiate an uneasy relationship with the concepts of modernism and modernity—a relationship in which the Caribbean writer, unable to escape a history encoded by Europe, accepts the challenge of rewriting it. Drawing on contemporary deconstructionist theory, Gikandi looks at how such Caribbean writers as George Lamming, Samuel Selvon, Alejo Carpentier, C. L. R. James, Paule Marshall, Merle Hodge, Zee Edgell, and Michelle Cliff have attempted to confront European modernism.

Subtle yet rich descriptions of culture, society, and family life in Belize adorn Zee Edgell's beautifully narrated story of a short time in the life of 14-year-old Beka Lamb. Through flashbacks, points on politics and independence are animated, since the political struggles for independence in Belize reflect Beka's own developing maturity and need to assert herself. Two main features of this heartwarming story are Beka's penchant for lying and her relationship with her older friend Troycie, whose troubling choices lead her down a self-destructive path. The pride of winning an essay contest at her convent school releases Beka's grief over Troycie and empowers her to embrace the next phase of her life.

What could be better than Christmas? Christmas in London, that's what! Julie, Lucie, and Alia are excited to get a letter from their friend Prune, inviting them to visit her in England. This is going to be the vacation of a lifetime! The only problem is that Prune doesn't exactly have time off in mind; she wants the girls to help her pull off a Christmas musical, which wouldn't be too bad if rival Carla hadn't come along for the occasion, as well. The competition will be stiff, and the girls will have to use all their dance skills to make this a yuletide memory for the ages! BEKA COOPER IS a rookie with the Provost's Guard, and she's been assigned to the Lower City. It's a tough beat, but Beka can hear the voices of the dead on the wings of pigeons, and Beka's birds clue her in to two major murderers on the loose. The rest of the Guard is busy investigating the fire opal killer, so it's up to Beka to nab the Shadow Snake. Tamora Pierce begins a new Tortall trilogy introducing Beka Cooper, a young woman who lived 200 years before Pierce's popular Alanna character. Pierce employs first-person narration, bringing readers even closer to a character that they will love for her unusual talents and tough personality.
