In this unique blend of self-help and moral philosophy, perfect for fans of Gretchen Rubin's *The Happiness Project* or Dan Harris' *10% Happier*, talk-radio host Dennis Prager shows us that happiness isn't just a value—it's a moral obligation. When you ask people about their most cherished values, "happiness" is always at the top of the list. In this enduring happiness manifesto, Prager examines how happiness not only makes us better people, but has an effect on the lives of everyone around us—providing them with a positive environment in which to thrive and be happy themselves. Achieving that happiness won't be easy, though: to Prager, it requires a continuing process of counting your blessings and giving up any expectations that life is supposed to be wonderful. "Can we decide to be satisfied with what we have?" he asks. "A poor man

who can make himself satisfied with his portion will be happier than a wealthy man who does not allow himself to be satisfied." Prager echoes other political commentators in complaining that too many people today see themselves as victims; he submits that the only way to achieve your desires is to take responsibility for your life rather than blaming others. If you're willing to put some thought into achieving a happier outlook, you will find plenty to mull over in *Happiness Is a Serious Problem*.

Until a year ago, my life in Denver was nearly picture perfect; I had my dream job as a nurse in a level one trauma center, my handsome trauma surgeon fiancé and I were blissfully happy, and we had built our home we planned to spend forever in. Just weeks before our wedding, the ideal life I knew took an unexpected turn when my fiancé's mistress came forward with her pregnancy. Being newly single at thirty-one, the last thing I had envisioned for myself was to return to my hometown of Sunnyville. Until now, I have successfully avoided this town for the last eight years, thanks to Tank Easton. Broody, sexy, lying, beautiful, selfish jerk. Who just happens to be my brother's best friend. Knowing there is no way to avoid Tank, I plan to put our one-night stand behind us and start anew. Be cordial. Possibly become friends eventually, for my brother's sake. Life is too short to hold grudges. Forgive and forget, right? Easier said than done.
