Andrea McLean, No. 1 Sunday Times bestselling author and award-winning TV broadcaster, opens up about her journey from trauma, toxic relationships and divorce towards empowerment, happiness and healing. Do you ever feel like you're just existing, not truly living? Do you often dwell on how unfair life can be, and how things haven't worked out the way you planned? We've all been there. But it's time to decide what YOU are going to DO about it. No matter what hand you've been dealt, it's in your power to take control and create a life alight with possibility and joy. After walking away from an abusive relationship, Andrea McLean continued putting on a brave face and pretending that everything was fine - all the while ignoring the psychological fallout of her trauma. Finally, it came time to say 'enough!' It was time to make a change. In This Girl Is On Fire, Andrea shares her journey to healing, along with universal lessons in overcoming past trauma, breakdown, burnout and more. Even more vitally, she lights the path towards finding what gets our blood pumping, our eyes shining, and makes us get up in the morning - what sets us on fire.
An easy-to-understand primer on Virtual Reality and Augmented Reality Virtual Reality (VR) and Augmented Reality (AR) are driving the next technological revolution. If you want to get in on the

action, this book helps you understand what these technologies are, their history, how they're being used, and how they'll affect consumers both personally and professionally in the very near future. With VR and AR poised to become mainstream within the next few years, an accessible book to bring users up to speed on the subject is sorely needed—and that's where this handy reference comes in! Rather than focusing on a specific piece of hardware (HTC Vive, Oculus Rift, iOS ARKit) or software (Unity, Unreal Engine), Virtual & Augmented Reality For Dummies offers a broad look at both VR and AR, giving you a bird's eye view of what you can expect as they continue to take the world by storm. * Keeps you up-to-date on the pulse of this fast-changing technology * Explores the many ways AR/VR are being used in fields such as healthcare, education, and entertainment * Includes interviews with designers, developers, and technologists currently working in the fields of VR and AR Perfect for both potential content creators and content consumers, this book will change the way you approach and contribute to these emerging technologies.

Technology is without a doubt both one of the greatest advantages and one of the most complicated challenges for modern parents. We find ourselves trying to balance healthy screen limits and online safety with being sure our kids are technologically literate. After all, for better or worse, they'll be navigating a world filled with screens, and there's no sense in shutting them off from that reality entirely! Aside from the health and safety issues, the prospect of buying a toddler a tablet is also one fraught with financial peril - kids may or may not be as enchanted with a gadget's screen resolution or turbo-charged processing chip as they are in determining what the tablet tastes like, or what might happen if it were to be launched out the window of a

moving vehicle! With the Kindle Fire HD Kids' Edition tablet, Amazon has finally given us a true kids' tablet instead of a tablet-shaped toy. The Fire HD Kids' Edition is a full Amazon Fire HD tablet - no features or hardware have been stripped out or reduced. However, its user interface, called Fire OS, has been slightly modified, moving Amazon FreeTime to the forefront. In this guide, we'll show you how you and your family can get the most out of the Kindle Fire HD Kids' Edition. In Chapter 1: Meet Kindle Fire HD Kids' Edition, we'll help you unpack your new tablet, give you some background on the Amazon services that make it tick, introduce you to the device's hardware, and help you through setup and basic navigation. In Chapter 2: Managing Kindle Fire HD Kids' Edition, we'll get you off the ground with Kindle profiles and content by helping you fully customize and understand household profiles and how they work. We'll also walk you through purchasing content and sharing it with other members of your family. Then, in Chapter 3: Kindle Fire HD Kids' Edition Parent Profile, we'll let you in on the post-bedtime possibilities available to Kindle Fire owning adults! In Chapter 4: Kindle Fire HD Kids' Edition Kid Profiles, we'll cover everything you need to know about the kid experience on Kindle Fire HD. In Chapter 5: Advanced Features, we'll go beyond the basics to allow you to fully master your Fire with a few extra features and tricks. Finally, in Chapter 6:

Recommended Apps and Games, we'll recommend some fun educational apps and games for the little ones to get them started. Ready to get started with your Kindle Fire HD Kids' Edition?
