A great raconteur and entertainer, Alan Titchmarsh gets together every Christmas with family and friends to celebrate the season and performs much-loved anecdotes, stories, poems and sketches - old and new. Fill My Stocking combines these well-known favourites with his own self-penned festive pieces, each beautifully illustrated with his own watercolour vignettes. Collected together for the first time, this is the perfect stocking filler for his legions of fans. Alan Titchmarsh has presented numerous television programmes including the hugely popular How To Be A Gardener and British Isles: A Natural History. He is also a best-selling writer and novelist.

From 1987 to 1995, Bristol, England's Sarah Records was a modest underground success and, for the most part, a critical laughingstock in its native country-sneeringly dismissed as the sad, final repository for a fringe style of music (variously referred to as "indie-pop," "C86," "cutie" and "twee") whose moment had passed. Yet now, more than 20 years after its founders symbolically "destroyed" it, Sarah is among the most passionately fetishized record labels of all time. Its rare releases command hundreds of dollars, devotees around the world hungrily seek out any information they can find about its poorly documented history, and young musicians-some of them not yet born when Sarah shut down-claim its bands (such as Blueboy, the Field Mice, Heavenly, and the Wake) as major influences. Featuring dozens of exclusive interviews with the music-makers, producers, writers and assorted eyewitnesses who played a part in Sarah's eight-year odyssey, Popkiss: The Life and Afterlife of Sarah Records is the first authorised biography of an unlikely cult legend.

What makes you laugh? What makes you cry? What do you really think? Write down everything! This is what this product is for. Sit back, take it easy. Take a pen, pencil, or anything else in your hand so that you can leave a mark on this notebook. Write about your life, ideas, plans, past, or not. If you lose motivation or hope, take a look at the cover. The cover will never lie to you, it will never let you down and always marks the beginning of your journey :). Perfect for a gift, for someone or for yourself! Size: 6 x 9 inch (ideal) Number of pages: 120 (perfect) Matte, beautiful cover Fill it with love!

You wanted the truth, you got the truth—the hottest book in the world! Fueled by an explosive mix of makeup, costumes, and attitude, KISS burst onto the music scene thirty years ago and has become a rock institution. The band has sold more than eighty million records, has broken every concert attendance record set by Elvis Presley and the Beatles, stands behind the Beatles alone in number of gold records from any group in history, and has spawned more than 2,500 licenses. There would have been no KISS without Gene Simmons, the outrageous star whose superlong tongue, legendary sexual exploits, and demonic makeup have made him a rock icon. KISS and Make-Up is the wild, shocking, unbelievable story, from the man himself, about how an immigrant boy from Israel studied to be a rabbi, was saved by rock and roll, and became one of the most notorious rock stars the world has ever seen. Before Gene Simmons there was Chaim Witz, a boy from Haifa, Israel, who had no inkling of the life that lay ahead of him. In vivid detail Gene recounts his childhood growing up in Haifa under the watchful eye of his beloved, strong-willed mother, a concentration camp survivor; his adolescent years attending a Jewish theological center for rabbinical studies in Brooklyn; his love of all things American, including comic books, superheroes, and cowboys; and his early fascination with girls and sex, which prompted him to start a rock band in school after he saw the Beatles on The Ed Sullivan Show. KISS and Make-Up is not just the classic story of achieving the American dream through the eyes of an immigrant boy making good, but a juicy, rollicking rock and roll read that takes you along for the ride of your life with KISS, from the 1970s, when they were the biggest band in the world, through the '80s, when they took off their world-famous war paint, and into the '90s, when they came back bigger and badder than ever to become the number one touring band in the world. In his own irreverent, unapologetic voice, Gene talks about the girls (4,600 of them and counting); his tight bond with KISS cofounder Paul Stanley; the struggles he and Paul had with Ace Frehley and Peter Criss and their departures from the group; the new band members and Eric Carr's untimely death; the enormous love and affection he has for the people who put him there in the first place—the KISS Army and the ever-loyal KISS fans around the world; his love life, including stories about his relationships with Cher and Diana Ross and with Shannon Tweed, Playmate of the Year, mother of his son and daughter, and his companion of eighteen years; and much more. Full of dozens of photographs, many never-before-seen pictures from Gene's private collection, KISS and Make-Up is a surprising, intimate look at the man behind the mask. For the first

time Gene reveals all the facets of his complex personality—son, rock star, actor, record producer, businessman, ladies' man, devoted father, and now author.

A mysterious legacy from an old neighbor is a dream come true for the Evans sisters. However, the unexplained phenomenon they encounter soon turns the dream into a nightmare. The search to discover the explanation for these events uncovers secrets that were never meant to be revealed, including murder! Will the search for the truth put all this to rest, or plunge them in deeper?

IN THE 12TH NOVEL OF THE HOUSEWIFE ASSASSIN SERIES: There is only one way for housewife assassin Donna Stone to save her husband and mission leader, Jack Craig, from torture and termination: become a traitor and act as a double agent for the terrorist organization known as the Quorum.

THE ALL-NEW DIARIES Alastair Campbell's diaries have the quality of Pepys ... people will be looking for insights and finding them in 100 years' time. Lord Alex Carlile Launched to a blaze of critical acclaim, Alastair Campbell's explosive diaries became an instant classic. Now, this eagerly anticipated new volume picks up where its predecessor left off, with Campbell standing down as Tony Blair's director of communications in 2003. Leaving Downing Street, however, isn't as easy as it seems, with Campbell persistently drawn back to the epicentre of power - often to the frustration of his partner, Fiona. As Lord Hutton prepares to publish his report, thus sparking a huge crisis for the BBC, any joy in No. 10 is dwarfed by continuing difficulties in Iraq. Meanwhile, the Blair/Brown relationship is fracturing almost beyond repair, and Campbell is tasked with devising a plan that will enable the two men to fight a united election campaign. At home, Campbell writes frankly of his continuing battles with mental health issues as he attempts to adapt to a new life beyond the confines of Westminster. Lifting the lid on the power battles at the heart of the Labour Party that sowed the seeds of today's turmoil, Outside, Inside is a vivid and compelling insight into modern political history, and a candid reflection on the personal impact of life in the corridors of power.

Be the woman you want to be contains 150 inspiring ideas to help today's women be smarter, sexier, more charismatic and endlessly creative. Whether it's getting her way in the boardroom, finding ways to feel healthier and more energetic or pursuing a greener lifestyle for a simpler, more fulfilling, more successful, more exciting life, this book is the ultimate empowering tool.

This comprehensive biography of George Gershwin (1898-1937) unravels the myths surrounding one of America's most celebrated composers and establishes the enduring value of his music. Gershwin created some of the most beloved music of the twentieth century and, along with Jerome Kern, Irving Berlin, and Cole Porter, helped make the golden age of Broadway golden. Howard Pollack draws from a wealth of sketches, manuscripts, letters, interviews, books, articles, recordings, films, and other materials—including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982—to create an expansive chronicle of Gershwin's meteoric rise to fame. He also traces Gershwin's powerful presence that, even today, extends from Broadway, jazz clubs, and film scores to symphony halls and opera houses. Pollack's lively narrative describes Gershwin's family, childhood, and education; his early career as a pianist; his friendships and romantic life; his relation to various musical trends; his writings on music; his working methods; and his tragic death at the age of 38. Unlike Kern, Berlin, and Porter, who mostly worked within the confines of Broadway and Hollywood, Gershwin actively sought to cross the boundaries between high and low, and wrote works that crossed over into a realm where art music, jazz, and Broadway met and merged. The author surveys Gershwin's entire oeuvre, from his first surviving compositions to the melodies that his brother and principal collaborator, Ira Gershwin, lyricized after his death. Pollack concludes with an exploration of the performances and critical reception of Gershwin's music over the years, from his time to ours.

"An unauthorized work of narrative nonfiction."

New town, new college, new people, Edie's feeling overwhelmed. What if nobody wants to be her friend? But then something happens that turns her life upside down: Edie spots Dylan. Messy-haired, pouty, frustratingly elusive Dylan. . . Fast forward to the college trip to Paris and things are really heating up. In between the shopping, the clubbing, the kissing and the making up, something happens between Edie and Dylan that changes both their lives for ever. But do
