

Kp The Autobiography

No. 1 bestselling memoir of Roy Keane, former captain of Manchester United and Ireland - co-written with Man Booker Prize-winner Roddy Doyle. Now updated with a new chapter, including Roy leaving Aston Villa and the Republic of Ireland's qualification for Euro 2016. In a stunning collaboration with Booker Prize-winning author Roddy Doyle, Roy Keane gives a brutally honest account of his last days as a player, the highs and lows of his managerial career, and his life as an outspoken ITV pundit. 'Roy Keane's book is a masterpiece . . . It may well be the finest, most incisive deconstruction of football management that the game has ever produced' Mail on Sunday 'A genuine pleasure . . . His thoughts on his players are humane, interesting, candid and never less than believable' The Times 'The best things are the small things: regretting joining Ipswich when he discovered the training kit was blue; refusing to sign Robbie Savage because his answerphone message was rubbish; being appalled that his side had listened to an Abba song before playing football' Evening Standard 'The book is brilliantly constructed, rattling along at breakneck speed . . . full of self-deprecation . . . a ruthless self-examination' Daily Telegraph

Now in paperback, the critically acclaimed autobiography of Zimbabwean cricketer Henry Olonga (famous for his black armband protest against Robert Mugabe, which saw him forced to flee his homeland in fear of this life), which was longlisted for the 2010 William Hill Sports Book of the Year Award. Includes a new chapter in which Olonga talks about what has happened to him since the book was first published, including the reaction from the Zimbabwean government and a new twist in the tale.

THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR SPORTS AUTOBIOGRAPHY OF THE YEAR AT THE 2020 TELEGRAPH SPORTS BOOK AWARDS. BEN STOKES: WINNER OF THE 2019 BBC SPORTS

PERSONALITY OF THE YEAR AWARD 'He is the Special One, and I intend to call him that for the rest of his career' Sir Ian Botham, Daily Telegraph 'There are not enough superlatives to describe Ben Stokes' Nasser Hussain, Daily Mail 'The undisputed hero of English cricket' The Times Early evening on Sunday 14th July 2019. Lord's Cricket Ground in London. Something unprecedented had just happened: England had won the Cricket World Cup for the very first time since the tournament's inception in 1975. At the epicentre of England's historic triumph was Ben Stokes, the talismanic all-rounder with an insatiable appetite for The Big Occasion. He contributed a critical 84 runs off 98 balls when England batted, a seemingly nerveless innings of discipline and maturity. Thrillingly, it was enough to tie the scores at 241 runs each, so the match reverted to a Super Over - just six balls for each side to bat in the ultimate in sporting sudden-death. Stokes and Jos Buttler saw England to 15 runs off their over. When it was finally confirmed that Martin Guptill had been run out off the very last ball of New Zealand's Super Over with the scores level once again, England had astonishingly won on the

boundary count-back, and the nation could finally breathe again. Early evening on Sunday 25th August 2019. A sun-drenched Headingley in Leeds. Having been bowled out for just 67 earlier in the Third Test, England were facing the prospect of failing to regain the Ashes. In their second innings England were still 73 runs short of victory with a solitary wicket remaining. Australia were near certainties to retain the Ashes there and then. Cue one of the most amazing innings ever witnessed as Ben Stokes thrashed the Australian bowlers to all corners of the ground, in the process scoring 135 not out, driving England to a barely-believable one-wicket victory, and keeping the series very much alive. The nation took another breath. On Fire is Ben Stokes' brand new book, and in it he tells the story of England's electrifying first ever Cricket World Cup triumph, as well as this summer's momentous Ashes Test series. It is the ultimate insider's account of the most nerve-shredding but riveting three-and-a-half months in English cricket history.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

From her childhood in China to the moment she won her first National Book Award, literary icon Katherine Paterson shares the personal stories that inspired her children's books. Told with her trademark humor and heart, Paterson's tales reveal details about her life from her childhood with missionary parents, to living as a single woman in Japan, to raising four children in suburban Maryland with her minister husband. Read about the origins of such familiar characters as Leslie Burke and Janice Avery from Bridge to Terabithia, and go behind the scenes to the moments Katherine found out she won her many awards. Filled with personal photos and letters, this funny, heartwarming history from a legendary writer lets fans in on the making of literary classics.

Called the "Great Pathfinder", Daniel Boone is most famous for opening up the West to settlers through Kentucky. A symbol of America's pioneering spirit Boone was a skilled outdoorsman and an avid reader although he never attended school. Sydelle Kramer skillfully recounts Boone's many adventures such as the day he rescued his own daughter from kidnappers.

Described by the media as 'the David Beckham of cricket', Kevin has become the poster boy for English cricket. But he is also in possession of a prodigious talent - fearless, bold and with unflappable nerves. His unique batting style has produced hundreds of runs and many outstanding innings, culminating in his extraordinary triumph at the 2005 Ashes. Yet with the highs, come the lows, and he gives his version of events during the 2006/07 Ashes when England were defeated by Australia.

Crossing the Boundary recounts Kevin's remarkable journey so far - from growing up in his native South Africa and the opposition he faced from the national cricket board; his

move to England and burgeoning career at Hampshire to winning a place on the England team. It provides a rare insight into the mind of an international cricketer, on and off the pitch. Reflecting his youthful charisma and his bullish confidence, this is a sporting memoir like no other. Full of personal anecdotes and insight from numerous sporting legends such as Shane Warne, Ian Botham, and Nasser Hussain, this is the riveting story of one of the most significant cricketers of our time.

"I have no wish to play the pontificating fool, pretending that I've suddenly come up with the answers to all life's questions. Quite that contrary, I began this book as an exploration, an exercise in self-questing. In other words, I wanted to find out, as I looked back at a long and complicated life, with many twists and turns, how well I've done at measuring up to the values I myself have set." —Sidney Poitier In this luminous memoir, a true American icon looks back on his celebrated life and career. His body of work is arguably the most morally significant in cinematic history, and the power and influence of that work are indicative of the character of the man behind the many storied roles. Sidney Poitier here explores these elements of character and personal values to take his own measure—as a man, as a husband and a father, and as an actor. Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his world. "In the kind of place where I grew up," recalls Poitier, "what's coming at you is the sound of the sea and the smell of the wind and momma's voice and the voice of your dad and the craziness of your brothers and sisters...and that's it." Without television, radio, and material distractions to obscure what matters most, he could enjoy the simple things, endure the long commitments, and find true meaning in his life. Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents. Just a few years after his introduction to indoor plumbing and the automobile, Poitier broke racial barrier after racial barrier to launch a pioneering acting career. Committed to the notion that what one does for a living articulates to who one is, Poitier played only forceful and affecting characters who said something positive, useful, and lasting about the human condition. Here is Poitier's own introspective look at what has informed his performances and his life. Poitier explores the nature of sacrifice and commitment, pride and humility, rage and forgiveness, and paying the price for artistic integrity. What emerges is a picture of a man in the face of limits—his own and the world's. A triumph of the spirit, *The Measure of a Man* captures the essential Poitier.

A biography of the influential inventor who changed the way people live with his invention of the incandescent light bulb.

Describes Shakespeare's life and work, from his relocation from Stratford to London as a young man to his pursuit of a career in the theater.

Treasure in Clay provides a lifetime's worth of wisdom from one of the most beloved and influential figures in twentieth-century Catholicism. Completed shortly before his death in 1979, *Treasure in Clay* is the autobiography of Fulton J. Sheen, the preeminent teacher, preacher, and pastor of American Catholicism. Called "the Great Communicator" by Billy Graham and "a prophet of the times" by Pope Pius XII, Sheen was the voice of American Catholicism for nearly fifty years. In addition to his prolific writings, Sheen dominated the airwaves, first in radio, and later television, with his

signature program "Life is Worth Living," drawing an average of 30 million viewers a week in the 1950s. Sheen had the ears of everyone from presidents to the common men, women, and children in the pews, and his uplifting message of faith, hope, and love shaped generations of Catholics. Here in Sheen's own words are reflections from his childhood, his years in seminary, his academic career, his media stardom, his pastoral work, his extensive travels, and much more. Readers already familiar with Sheen and as well as those coming to him for the first time will find a fascinating glimpse into the Catholic world Sheen inhabited, and will find inspiration in Sheen's heartfelt recollections. *Treasure in Clay* is a classic book and a lasting testament to a life that was worth living.

Jonathan Trott was England's rock during one of the most successful periods in the team's history - he scored a century on debut to clinch the Ashes in 2009, and cemented his position as their pivotal batsman up to and beyond the team's ascendancy to the number 1 ranked test team in 2011. Yet shortly after reaching those heights, he started to crumble, and famously left the 2012-13 Ashes tour of Australia suffering from a stress related illness. His story is the story of Team England - it encompasses the life-cycle of a team that started out united by ambition, went on to achieve some of the greatest days in the team's history but then, bodies and minds broken, fell apart amid acrimony. Having seen all of this from the inside, Jonathan's autobiography takes readers to the heart of the England dressing room, and to the heart of what it is to be a professional sportsman. Not only does it provide a unique perspective on a remarkably successful period in English cricket and its subsequent reversal, it also offers a fascinating insight into the rewards and risks faced as a sportsman carrying the hope and expectation of a team and a nation. And it's a salutary tale of the dangers pressure can bring in any walk of life, and the perils of piling unrealistic expectations on yourself.

Born to a family of farmers, Lincoln stood out from an early age—literally! (He was six feet four inches tall.) As sixteenth President of the United States, he guided the nation through the Civil War and saw the abolition of slavery. But Lincoln was tragically shot one night at Ford's Theater—the first President to be assassinated. Over 100 black-and-white illustrations and maps are included.

Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In *No Spin*, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Getting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in *No Spin* Shane offers a compelling insight into how a boy from

Black Rock changed the face of cricket forever.

A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It's candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In *281 and Beyond*, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.

From working the land in Narromine to winning cricket's World Cup three times, Glenn McGrath has always faced life with fierce determination and an unerring will to succeed, despite the odds. Following his retirement from international cricket, McGrath shares the story of his life - in cricket and off the field. Known as 'Pigeon', he won his baggy green cap in Perth in 1993 and went on to forge a brilliant career, retiring as cricket's most successful fast bowler with 563 Test wickets. McGrath entered Ashes folklore in 1997 when he destroyed England by taking 8 for 38 at Lord's, and he even scored a Test half-century with the bat. With leg spinner Shane Warne, he formed the most devastating bowling combination in Test history. Glenn McGrath's most meaningful achievements, however, have been off the field. With his wife Jane, who battled breast and bone cancers, he established the McGrath Foundation, a major fundraiser for and supporter of people with breast cancer. In the book, in their own words, the McGraths discussed their ongoing battles with the disease. *Line and Strength* is the tell-all story of an Australian country boy who took on the world. After battling cancer for 11 years, Jane died on 22 June 2008. Glenn is now the Chairman of the McGrath Foundation and continues to fundraise tirelessly to place breastcare nurses in hospitals.

Ben Mezrich, author of the New York Times bestseller *Bringing Down the House*, returns with an astonishing story of Ivy League hedge-fund cowboys, high stakes, and the Asian underworld. John Malcolm was the ultimate gunslinger in the Wild East, prepared to take on any level of risk in making mind-boggling sums of money. He and his friends were hedge-fund cowboys, living life on the adrenaline-, sex-, and drugs-fueled edge—kids running billion-dollar portfolios, trading information in the back rooms of high-class brothels and at VIP tables in nightclubs across the Far East. Malcolm and his Ivy League-schooled twenty-something colleagues, with their warped sense of morality, created their own economic theory that would culminate in a single deal the likes of which had never been seen before—or since. *Ugly Americans* is a story of extremes, charged with wealth, nerve, excess, and glamour. A real-life mixture of *Liar's Poker* and *Wall Street*, brimming with intense action, romance, underground sex, vivid locales, and exotic characters, *Ugly Americans* is the untold true story that rocked the financial community.

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and

multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

In her amazing diary, Anne Frank revealed the challenges and dreams common for any young girl. But Hitler brought her childhood to an end and forced her and her family into hiding. *Who Was Anne Frank?* looks closely at Anne's life before the secret annex, what life was like in hiding, and the legacy of her diary. Black-and-white illustrations including maps and diagrams provide historical and visual reference in an easy-to-read biography written in a way that is appropriate and accessible for younger readers.

At age two, Helen Keller became deaf and blind. She lived in a world of silence and darkness and she spent the rest of her life struggling to break through it. But with the help of teacher Annie Sullivan, Helen learned to read, write, and do many amazing things. This inspiring illustrated biography is perfect for young middle-grade readers. Black-and-white line drawings throughout, sidebars on related topics such as Louis Braille, a timeline, and a bibliography enhance readers' understanding of the subject. This volume discusses the autobiographical inclination in Canadian literature, exploring works by such writers as Alice Munro, W.O. Mitchell, Michael Ondaatje, John Glassco, and Susanna Moodie. Others works, including the oral memoirs of a Métis, an Inuit's account as being civil servant in Ottawa, and the autobiographical writings of pioneer women and French missionaries are examined to show the depth and breadth of this tradition in Canada. These texts act as starting points for an indepth look at the relationships between autobiography, biography and fiction in Canadian literature.

Presents the life of Queen Elizabeth I, from her birth to Henry VIII and Anne Boleyn in 1533 and her imprisonment by her half-sister, to her reign as queen, which brought peace, stability, and prosperity to sixteenth-century England.

AutobiographySphere

This is the fascinating, untold story of a self-made billionaire. A man who gave up a brilliant career in the Indian Army to take the plunge into big business, without any management background, learning the corporate ropes the hard way, through setbacks and failures, before turning a near-bankrupt company into India's biggest blue-chip brand name in the real estate business. Meet K.P. Singh, who began life as a village lad walking barefoot to school.

Whatever the Odds is the riveting tale of how Singh was able to make the impossible dream come true. Incredible as that story is, even more so are the battles that K.P. Singh fought and won on the personal front, the amazing adventures he has had and the remarkable people who have played a part in his life.

The DLF saga has few rivals in the realty sector. Starting from Delhi, where the company developed the city's major residential colonies, the developer's focus shifted to Gurgaon in the 1970s, transforming a small town into a city of skyscrapers that is now an international business hub and a destination for young professionals to stay and work. Extraordinary as the story is, that of the man behind the revival and enormous success of the company is even more so, covering a journey from a small town in Uttar Pradesh to England where he became a part of high society, to a return to India and an army career en route to taking charge of DLF. From the small detail to the big picture, nothing is missing in this riveting account of conducting business in India in a politically charged atmosphere. As too of his own life with all its challenges and triumph over odds that would have defeated most people.

Voted the greatest English cricketer of the 20th century by the fans, Sir Ian Botham is the English game's one true living legend and his story both on and off the pitch reads like a Boy's Own rollercoaster ride. Born with a natural genius for cricket, Botham began breaking records with bat and ball from a young age and soon became the man English cricket expected most

from. After a troubled period as England's captain, Botham rose once again to become a national hero with his display in the Miracle Ashes of 1981. But, with his confrontational nature and wild streak, he began regularly making the wrong kind of headlines. With accusations of drink and drugs, affairs and ball-tampering, he became hounded by the tabloid pack, never sure whether they wanted him to triumph or implode. Now a Knight and just as famous for his tireless charity work, Beefy gives us the definitive story of his never-dull life and times in his own no-nonsense words.

What happens when you fall? You scrape your knee or elbow right? You don't end up in the past, trapped in some sort of time travel game? Your best friend doesn't fade away infinity war style? You don't find yourself falling for a pirate instead? You don't become best friends with Marie Antoinette? You don't almost get executed by Cleopatra? No? How strange. Maybe the book I picked up was just really, really weird, because I tripped and ended up falling into the book I was reading. Try not to be a klutz like me. Try not to fall into your book. It will bring you so much heartache, you won't even be able to breathe. It will make you feel like a queen and then rip your heart out and set it on fire. Enjoy reading this one though. I doubt you'll fall into it, but you never know...

The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his recent experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, *At the Close of Play* is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

"A biography of the Beatles, the world's most famous rock band"--Provided by publisher.

Over the years, DBT had saved the lives of countless people fighting depression and suicidal thoughts, but Linehan had never revealed that her pioneering work was inspired by her own desperate struggles as a young woman. Only when she received this question did she finally decide to tell her story. In this remarkable and inspiring memoir, Linehan describes how, when she was eighteen years old, she began an abrupt downward spiral from popular teenager to suicidal young woman. After several miserable years in a psychiatric institute, Linehan made a vow that if she could get out of emotional hell, she would try to find a way to help others get out of hell too, and to build a life worth living. She went on to put herself through night school and college, living at a YWCA and often scraping together spare change to buy food. She went on to get her PhD in psychology, specializing in behavior therapy. In the 1980s, she achieved a breakthrough when she developed Dialectical Behavioral Therapy, a therapeutic approach that

combines acceptance of the self and ways to change. Linehan included mindfulness as a key component in therapy treatment, along with original and specific life-skill techniques. She says, "You can't think yourself into new ways of acting; you can only act yourself into new ways of thinking."

Born in South Africa in 1980 to an Afrikaner father and English mother, he made his first-class debut at the age of 17. In 1999, while playing with KwaZulu Natal, he impressed former England captain Nasser Hussain and the following year signed for Nottinghamshire. He had a stunning debut season. "If he can maintain his first season's form, the name of Pietersen should be pencilled in for future Test squads," was the glowing report in the Wisden Cricketers' Almanack. He moved to Shane Warne's Hampshire in 2004 and went on to make his international debut in the controversial tour of Zimbabwe the same year. He soon became a cornerstone of the England side and played a key role in the thrilling victory in the 2005 Ashes, where he finished the series as the highest scoring player. In August 2008, he was appointed captain and led his adopted country to a victory in the Test against South Africa, and four wins in one day internationals. But his captaincy lasted only five short months and, after continual run-ins with the team's coach Peter Moores, he quit in early January 2009. Cocky, outspoken, and undoubtedly talented, Kevin Pietersen looks sure to be a giant of the sport for many years to come.

Kelly Holmes made history when she brought home double gold in the 2004 Olympics, becoming a national hero. She won Sports Personality of the Year, was given a Damehood, fully backed London's successful 2012 Olympic bid and became a superstar on the red carpet as well as a much acclaimed and consulted professional in the sporting world. Now in her staggeringly honest updated autobiography she reveals the times she fought back tears to battle against injury and win gold, plus the emotional decision she made to retire from athletics. Including details of her unsettled childhood, trials in the army and a struggle with self harm, Kelly's amazing determination carries through to make this inspirational and powerful autobiography a tale of triumph over adversity and a model for readers of all ages and backgrounds.

Nasser Hussain was acclaimed as England's best cricket captain since Mike Brearley. Under his leadership, a side more famous for its batting collapses and ability to seize defeat from the jaws of victory discovered its backbone. With coach Duncan Fletcher he put some steel into the side; they became a difficult team to beat. Hussain wore his heart on his sleeve: railing against complacency, defying critics of his place in the batting line-up and making a principled stand at the last World Cup when the ECB seemed incapable of it. Expect passion, integrity, insight and candour in his eagerly awaited autobiography.

'Love or hate the man, his is one of football's greatest stories and so this is the best football book in ages' Goal Anyone doubting that Diego Maradona was more than just a football player had only to witness the outpourings after his death on November 25th 2020. During his tempestuous life and career, he played for top

clubs in South America and Europe, notably Napoli where he became an adored hero and adopted son, and grew to be a legend in his homeland of Argentina after leading them to victory in the 1986 World Cup. Having gained access to his inner circle, Jimmy Burns traces Maradona's life from the slums of Buenos Aires, where he was born, through his great years of triumph, to the United States from where, in 1994, he was ignobly expelled after undergoing a positive drugs test. He also tells of his failed attempt to bring further glory to Argentina as coach in the 2010 World Cup, and ultimately, his tragic decline and recent death. Widely regarded as the best and most revealing account of the highs, lows, genius and flaws of arguably the greatest footballer of all time, this biography inspired Asif Kapadia's award-winning 2019 film *Diego Maradona*.

In this newly revised 10th anniversary edition, Yvon Chouinard—legendary climber, businessman, environmentalist, and founder of Patagonia, Inc.—shares the persistence and courage that have gone into being head of one of the most respected and environmentally responsible companies on earth. From his youth as the son of a French Canadian handyman to the thrilling, ambitious climbing expeditions that inspired his innovative designs for the sport's equipment, *Let My People Go Surfing* is the story of a man who brought doing good and having grand adventures into the heart of his business life—a book that will deeply affect entrepreneurs and outdoor enthusiasts alike. "This is the story of an attempt to do more than change a single corporation—it is an attempt to challenge the culture of consumption that is at the heart of the global ecological crisis."—From the Foreword by Naomi Klein, bestselling author of *This Changes Everything*

Garry Sobers is a cricketing legend, the greatest all-rounder of all time. In this revealing and honest autobiography, Sobers talks about his upbringing and about the tragic accident that inspired him throughout his career. He explains how he helped the West Indies to become the most feared cricketing nation in the world, setting them on a course of success that would run for another 20 years. He also provides authoritative views on the current state of the game and the future of cricket.
