

Krav Maga Manual

The author of this concise guide to unarmed combat and self-defence is a legend. W. E. Fairbairn (1885-1960) spent over thirty years in the tough environment of the Riot Squads of China's Shanghai Municipal Police. In order to lower levels of Police mortality at the hands of Chinese Tongs, he studied ancient Chinese and Japanese martial arts, including Ju-jitsu, and was the first foreigner to be awarded a black belt in the discipline. He developed his own system which he called 'Defendu'. At the outbreak of the Second World War, he was recruited by Britain's Special Operations Executive as an Instructor in unarmed combat and expounded the deadly mysteries of attack and defence to scores of trainee agents about to be dropped into occupied Europe. His methods were approved and officially adopted throughout the British army. Fairbairn also developed weapons and defence aids such as bullet proof vests. He is best known as the co-inventor of the famous Sykes-Fairbairn knife. In this book he expounds his distilled experience of unarmed combat. Fully illustrated, it shows how to deliver deadly blows with hand, fist, knee and boot; wrist, bear- and strangle holds (and how to break them); how to throw an enemy, and how to break their backs; how to disarm a pistol-wielding attacker; and securing a prisoner. The book also contains a

chapter on the use of the rifle in close combat by Captain P. N. Walbridge.

The Base Line Training Manual is the starting block of preparedness. The book details the basic steps to prepare yourself and your family to survive a Without Rule of Law Situation. The manual covers basic supply needs, preparing emergency kits, communications, fitness, and basic preparedness skills.

How to Defend Yourself against Armed Assault.

Krav Maga is a modern and proven self-defense system. Easy to learn because it is based on natural reflexes, it is extremely efficient to use against one or more attackers. There is only one goal: to survive violent conflicts as unscathed as possible.

Developed by the Israeli army and formerly an insider tip in military training, this close combat system is booming worldwide. Krav Maga is not a traditional or competitive martial art but pure self-defense. It's all about survival. Its techniques are constantly developed and adapted to current threat situations. In his book *Krav Maga: Effective Techniques for Self-Defense*, his second on this self-defense method, Carsten Draheim methodically explains more than 100 Krav Maga techniques for self-defense—including more than 300 detailed photos—by using the principles that make this system so successful. It includes information on both well-founded basics as well as advanced techniques, depending on the distance to the attacker. The effective techniques for self-defense in this book help to demonstrate what Krav Maga is all about, and it also includes exercise tips for more successful and safe execution and provides information to help the reader further develop the learned techniques, making this the official book on Krav Maga training. What can an ancient Israeli self-defense system do for your body? Just ask J-Lo, who thanks Krav Maga for her celebrated derriere. But you don't have

to be a movie star to have bootylicious behind-all you need is this book! As the official defensive tactics system of Israeli police, military, and elite special operations units, krav maga has proven its effectiveness from front lines and back streets to prisoner transport and "take no prisoners" missions. For the first time, "Black Belt Krav Maga" teaches and illustrates the discipline's most lethal fighting and self-defense moves in book format. These no-holds-barred street fighting techniques are designed to do one thing and one thing only: end a fight as quickly as possible by completely disabling an opponent. Extensive counterattacks are illustrated for the most dangerous situations, including neutralizing attackers armed

with guns, knives, and other weapons. The program in Black Belt Krav Maga trains readers to function during the stress and shock of a sudden, violent encounter and react with a perfectly coordinated counterattack--quickly, automatically, and with deadly accuracy.

LEARN THE ULTIMATE DEFENSE AND FIGHTING SYSTEM FOR BEGINNERS As the official fighting system of the Israeli Defense Forces, Krav Maga has been battle-tested and has been proven successful. Its emphasis on instinctive movements and efficient counterattacks makes it an easy-to-learn and highly effective program for anyone—male or female, large or small, young or old. Krav Maga for Beginners presents the system's fundamental techniques, its most useful real-world moves and its comprehensive fitness program. Whether you are looking to improve your fighting skills or gain the confidence to escape from a personal assault unharmed, Krav Maga for Beginners provides everything you'll need to reach your fighting goal. With over 360 step-by-step photos, Krav Maga for Beginners makes it easy to learn the world's most effective self-defense and fighting system: •Escape Danger •Counterattack •Neutralize & Defeat Krav Maga is today's cutting edge self-defense and hand to hand combat system. Initially developed by Grandmaster Imi Sde-Or (Lichtenfeld) for the Israel Defense Forces and other national security services,

Krav Maga has been thoroughly adapted to meet civilian needs. The method was designed so that ordinary citizens, young and old, men and women alike, can successfully use it, regardless of their physical strength. This is the first and only authorized comprehensive manual on the Krav Maga discipline, written by its founder, Imi Sde-Or, and his senior disciple and follower, Eyal Yanilove. This volume especially focuses on the various facets of dealing with an assailant armed with a sharp-edged weapon, a blunt object, or a firearm.

This book is designed for krav maga trainees, security-conscious civilians, law enforcement officers, security professionals, and military personnel alike who wish to refine their essential krav maga combatives, improve their chances of surviving a hostile attack and prevail without serious injury. This book stresses doing the right things and doing them in the right way. Right technique + Correct execution = Maximum Effect.--Publisher.

David Kahn, U.S. Chief Instructor of the Israeli Krav Maga Association, is back again with *Krav Maga Defense: How to Defend Yourself Against the 12 Most Common Street Attacks*. Created by the Israeli army for self-defense, krav maga is gaining popularity around the world—especially here in the United States. Kahn is a self-defense expert, teacher, and served as a board member of the original Israeli Krav Maga Association. Kahn will teach you how to gain the upper hand in the twelve most common unarmed street attacks the average person is likely to encounter. He'll show you how to outmaneuver takedowns, rear chokes, ambush attacks, sucker punches while texting, knees to the groin, among other street safety skills. Kahn has instructed everyone from

members at the local Y to executives, celebrities, and all major federal U.S. law enforcement agencies, as well as all five branches of the U.S. military. His simple, no-nonsense approach to self-defense is perfect for men and women of all fitness levels. Don't become tomorrow's headline; Krav Maga Defense will teach you to protect yourself today. Boaz Aviram is the Third in Lineage Israel Defense Forces (IDF) Krav Maga Chief Instructors at the Combat Fitness Academy succeeding Immi Lichtenfeld and Eli Avikzar. The original IDF Krav Maga Curriculum entailed twenty-one hour core training curriculum in which ballpark two hundred and fifteen techniques were drilled in specialized sequences to maximize efficiency and tactical navigation of reaching opponent's pressure points first with devastating results. This twenty-One Hour Core Curriculum was rehearsed over three week period to allow instructors' evaluations and sufficient training. In this manual the author is about to make anyone with sufficient one hundred hours of intensive training in the original Core Curriculum a Krav Maga and hand-to-hand Combat Expert. Current Hand-to-hand Combat Training Methods and Martial Arts at large tend to neglect the human reaction limits and therefore add many drills and techniques that are not suitable to Hand-to-hand Combat!

Krav Maga: Real World Solutions to Real World Violence presents a no-nonsense approach to neutralizing attackers in close quarters. Author Gershon Ben Keren explains the philosophy behind the Krav Maga method, which is the basis of the Israel Defense Force's (IDF) devastating close combat system. This book lays out a systematic approach to self-defense and provides illustrated confrontation scenarios paired with tailored practical responses. Accompanied by clear, easy-to-follow photographs, practical combat skills are described in step-by-step detail, along with the movement patterns needed to make them effective in real-life settings. All of the photos in the book were shot in real-time, demonstrating what realistic movements—both from the attacker's and defender's perspective—look like. Where applicable, techniques have been shot in the scenarios in which they occur such as bars, restrooms, ATMs, etc. The situational components of such violent incidents are explained, so the reader can learn to identify, predict, and avoid violence before it occurs. Shotokan Karate is one of the most effective forms of self-defense but it is this area that is most ignored in traditional Shotokan dojos. This modest manual is different from most Shotokan Karate texts because it focuses on the self-defense application of karate. Traditional Shotokan karate concentrates on three primary areas. They are basics or Kihon, Kata or forms, and sparring or kumite. The sparring may consist of five times sparring, three times sparring, one time sparring, semi-free sparring and free sparring. Self-defense training is seldom practiced and this manual hopes to fill that gap for students of Shotokan and other traditional styles of Karate. This manual covers the basic principles of self-defense, use of force factors in self-defense, simple and effective self-defense techniques to counter arm grabs, body grabs, choke attacks, punching and kicking attack counters, club attacks, knife attacks, gun attacks, ground attacks and multiple attacker self-defense techniques.

Defense Forces. Krav maga training shares the same principles for civilians, law enforcement, and military personnel alike to deliver them from harm's way. Goals however, are different for law enforcement and military personnel. This book is designed for security-conscious civilians, law enforcement officers, military personnel, and security professionals alike who want to improve their chances of not just surviving an armed attack, but increase the odds of prevailing without serious injury. Krav maga's popularity in professional law enforcement, military, and security circles is attributable to its practicality, simplicity, quick retention, easy learning curve, and brutal effectiveness. This effectiveness is built on a few core tenets and simple building blocks. General principles are applied and customized to suit the needs of a dynamic violent situation. Contents include: Mind-sets, reactions, and tactics in response to violence The highest-level counters against multiple armed attacks and threats Core kick, clinch, and tackle defenses Core ground survival tactics Multiple-opponent strategies and tactics Impact weapon defenses Edged weapon defenses Firearm disarms and retention Includes 954 detailed photographs The most up-to-date tactics presented in this book focus on the most common violent scenarios. These techniques derive from the author's translation of the Israeli Krav Maga Association (IKMA) curriculum. The IKMA is the governing body for krav maga, recognized by the Israeli government and headed by Grandmaster Haim Gidon. Responsible people seek krav maga training as a shield against violence.

Three leading Krav Maga instructors outline a street-tested program for women on how to defend themselves while neutralizing an attacker, explaining how to use the Israeli personal defense system to turn an aggressor's size and strength against him while providing illustrated guidelines for

life-saving strikes, kicks and throws. Original.

THE TOP-SELLING GUIDE TO KRAV MAGA IN AN UPDATED AND EXPANDED EDITION

All the defense moves in Complete Krav Maga—from beginner Yellow Belt to advanced Black Belt—are described in depth and illustrated with step-by-step photos:

- **BEGINNER:** Punches, kicks, knee strikes and defense movements
- **INTERMEDIATE:** Counterattacks against knives, guns and sticks
- **ADVANCED:** Advanced strikes and ground fighting techniques

Based on the principle that it is best to move from defense to attack as quickly as possible, Complete Krav Maga teaches fast-escape maneuvers combined with powerful counterattacks. Whether you are big or small, male or female, young or old, you can use Krav Maga to protect yourself by exploiting an assailant’s vulnerabilities.

An internationally renowned wrestler, boxer and gymnast, Imi Lichtenfeld recruited young men who shared his views, but his tactics were no match for armed adversaries. So he focused on creating a form of fighting that combined all the martial arts with a new way of thinking. Tracy Lee Thomas, a master teacher who has been instructing students in the martial arts for more than thirty years, explores how Krav Maga evolved and how to use it to transform your life. He examines its core principles, including:

- Neutralizing threats:** This is the first and foremost objective.
- Simplicity:** The art consists of holds, strikes, and blocks that are simple and efficient.
- Defense and attack at the same time:** By using both techniques in a single move, you can remove the threat as quickly as possible.
- Constant motion:** The objective is to incapacitate the opponent with a continuous series of movements that are aggressively defensive.

Krav Maga Tactical Survival presents proven solutions to

dangerous, real-life situations. Krav Maga is the official self-defense system of the Israeli Defense Forces and has been battle-tested by police, armed forces, private security personnel and security-minded individuals around the globe for 60 years. Krav Maga teaches you how to quickly size up a dangerous situation and neutralize your attackers before they gain the upper hand. This martial arts book is full of examples of real-world life-threatening situations, and in each case the clear, step-by-step photographs and text illustrate an effective solution—showing you how to disrupt your attacker's strategy, disarm them, damage or destroy their ability to harm you, and quickly disengage so you can move to a more secure location. Krav Maga Tactical Survival covers the following essential techniques: Upper Body Combatives (hammer-fist strikes, hook punches, head-butts, front kicks and more) De-escalation techniques Spooling knife and firearm draws Neutralizing knife and firearm attacks Dealing with unarmed attacks (clothing grabs, chokes and bear hugs) Executing pick-ups and throws

This book, by the man who taught them, shows how the British Commandos fought in the Second World War in unarmed hand-to-hand combat. It shows how they won their fights - even against enemies who were bigger, stronger, and armed. Brute strength is not required. This book shows you how to put a thug out of action with your bare hands, so fast he won't know what's hit him. Get Tough is filled with clear, graphic line drawings which, with the easy-to-follow directions, demonstrate the Fairbairn System. The author, Major W. E. Fairbairn, was a tough Police officer who spent 30 years with the Shanghai Municipal Police, where he learned ju-jitsu (Judo), Chinese boxing and other martial arts. He was senior instructor to British Special Forces during the war, and was the co-inventor of the legendary Sykes-Fairbairn Commando knife. While in China he became the

first foreigner, living outside Japan, ever admitted to Kodokan Jiu-Jitsu University in Tokyo where he was awarded the black belt, second degree. Combining all the knowledge thus acquired he developed a system that stopped the Shanghai terrorists in their tracks, demoralized the Nazis, and probably proved a decisive factor in the success of Allied Special forces in World War Two. This is a must book for the armed forces, civilian defense groups, police, security guards, and indeed anyone whose life may be threatened. The method of hand-to-hand fighting described in this book is the approved standard instruction for all members of His Majesty's forces. The Commandos, and parachute troops, harrying the invasion coasts of Europe, have been thoroughly trained in its use. Britain's two-million Home Guard are daily being instructed in its simple but terrible effectiveness. The units of the United States Marine Corps who were stationed in China between 1927 and 1940 learned these methods at my own hands when I was Assistant Commissioner of the Shanghai Municipal Police. There will be some who will be shocked by the methods advocated here. To them I say "In war you cannot afford the luxury of squeamishness. Either you kill or capture, or you will be captured or killed. We've got to be tough to win, and we've got to be ruthless - tougher and more ruthless than our enemies."

Sports Martial arts serving the purpose of gambling entertainment and fitness were bound to extract the lethal techniques from fear of court persecution. In the Israeli Defense Forces (IDF), a superior Hand to Hand Combat Training System was developed and named Krav Maga. Its advantage was providing training methods with optimal self defense capabilities while maintaining strict safety during training. The key to this system is the correct hierarchy of prioritization! However, Krav Maga known to civilians around the world is not the IDF Krav Maga, but rather another form of Martial Arts marketed to civilians. Boaz Aviram, the 3rd in a lineage of IDF Fighting Fitness Academy Krav Maga Chief Instructors, presents in this book the most efficient and effective form of self defense and Hand to Hand Combat training method ever developed. 150 techniques presented: 1,000 film strip formatted photos in with 60,000 words of advice.

Marine Corps Reference Publication (MCRP) 3-02B. Marine Corps Martial Arts Program (MCMAP), is designed for Marines to review and study techniques after receiving initial naming from a certified Marine Corps martial arts instructor or martial arts instructor trainer. It is not designed as a self-study or independent course. The true value of Marine Corps Martial Arts Program is enhancement to unit training. A frilly implemented program can help instill unit esprit de corps and help foster the mental, character, and physical development of the individual Marine in the unit. This

publication guides individual Marines, unit leaders, and martial arts instructors/instructor trainers in the proper tactics, techniques, and procedures for martial arts training. MCRP 3-02B is not intended to replace supervision by appropriate unit leaders and martial arts instruction by qualified instructors. Its role is to ensure standardized execution of tactics, techniques, and procedures throughout the Marine Corps. Although not directive, this publication is intended for use as a reference by all Marines in developing individual and unit martial arts programs. For policy on conducting martial arts training, refer to Marine Corps Order 1500.59, Marine Corps Martial Arts Program (MCMAP).

WARNING Techniques described in this manual can cause serious injury or death. Practical application in the training of these techniques will be conducted in strict adherence with training procedures outlined in this manual as well as by conducting a thorough operational risk assessment for all training.

Treasured for centuries by karate's top masters, the *Bubishi* is a classic Chinese work on philosophy, strategy, medicine, and technique as they relate to the martial arts. Referred to as the "bible of karate" by famous master Chojun Miyagi, for hundreds of years the *Bubishi* was a secret text passed from master to student in China and later in Okinawa. All of karate's legendary masters have studied it, applied its teachings, or copied passages from it. No other classic work has had as dramatic an impact on the shaping and development of karate as the *Bubishi*. Karate historian and authority Patrick McCarthy spent over ten years researching and

studying the Bubishi and the arts associated with it. The first English translation of this remarkable martial arts manual includes numerous explanations and notes. McCarthy's work also includes groundbreaking research on Okinawan and Chinese history, as well as the fighting and healing traditions that developed in those countries, making it a gold mine for researchers and practitioners alike. For the final word on the true origins and spirit of classic Okinawan martial arts, one need look no further. This karate book is one of the best karate training supplements available.
