Today, many believe the gospel is nothing more than the basics of Christianity –

the first of many steps toward a victorious life of joy. The gospel of Christ is believed, accepted, and then laid aside as the believer searches for the abundant life. Do you remember the joy you felt when Jesus first saved you from your sin? Before you knew it, ministry programs, self-help principles, and moral mandates drew you away from the very gospel that first captivated you. Since then you have struggled to recapture that victory for living. Far too many believers experience this loss of vitality in their spiritual lives. In fact, this decline is so common that many say a declining passion is to be expected as a Christian matures! Even worse, because of our inept view of the gospel, many non-believers disregard the Bible's evidences of salvation, joining the millions of unfulfilled believers in a fruitless search for peace. In *Reclaiming Victory: Living The Gospel*, author Jason R. Velotta dispels the idea that salvation is just the doorway on the road toward victorious living. With an informative yet captivating style, *Reclaiming Victory* brings God's Word to the forefront, showing that the gospel itself is the victorious Christian life! Believers will find that the life of fulfillment is waiting at Calvary, exactly where we left it. Disregard the 'recovery' mindset, which has led to helplessness and apathy, for the gospel is not just the door to salvation...It is the source of the victorious Christian life! Your Savior is waiting...your fulfillment has always been in Him...Victory is already yours!

school having had little or no formal education on the basics of money management. Many have large debts from student loans looming over their heads. And many feel confused and powerless when their pricey educations don't translate into high paying jobs. They feel that their \$30,000-\$40,000 salary is too meager to bother with investing, and they constantly fear that there will be "too much month left at the end of their money." Douglas R. Andrew has shown the parents of this generation a different pathway to financial freedom. Now Doug and his sons, Emron and Aaron - both of whom are in their mid-20s - show the under-30 crowd how they can break from traditional 401k investment plans and instead can find a better way by investing in real estate, budgeting effectively, avoiding unnecessary taxes and using life insurance to create tax-free income. With the principles outlined in *Millionaire by Thirty*, recent graduates will be earning enough interest on their savings to meet their basic living expenses by the time they're 30. And by the time they're 35, their investments will be earning more money than they are, guaranteeing them a happy, wealthy future.

Koine Greek Grammar and its accompanying Workbook and Answer Key & Guide have been in the making for decades. It was first a small manual Kairos Greek Grammar; then it grew into a fully integrated and hyperlinked CD that has been published by Logos Bible Software (2005). Now, this current handbook--KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK--has been thoroughly expanded to include my more explicit description of marked, emphatic, prominent, and pragmatic features of Greek, ideas that were nascent in KAIROS, but now grounded in a communication theory informed by Relevance Theory (Dan Sperber and Deirdre Wilson), Prominence Theory with reference to translation (Kathleen Callow), and Discourse Grammar and Pragmatics (Stephen Levinsohn, Stanley Porter, and Steven Runge). Exegetically significant aspects of Greek syntax and the use of the Greek language (i.e., pragmatics) occur strategically throughout KOINE GREEK GRAMMAR and include the following: - conjunctions and their constraints- point/counterpoint sets- polysyndeton, asyndeton, correlative emphasis, and lists- fronted modifiers for emphasis (genitive, demonstrative, quantitative)- vocatives as thematic address- appositional statements- the historic present and the verb tense options in narrative- metacomments as orienting statements- interjections as attention

getting devices- quantitative, qualitative, interrogative, negative, and comparative types of emphasis- special uses of the noun cases- participle uses, including periphrastic and genitive absolutes- special uses of the Moods- left-(dis)locations- discourse pragmatic uses of the article- conditional and exception clauses. Some of these discussions will have extended Intermediate-level treatments that are placed within greyed boxes. Other significant enhancements are the inclusion of CHECK POINTS that give students a chance to practice what is being learned in each chapter along with (SUGGESTED) ANSWERS that immediately follow. Scattered throughout KOINE GREEK GRAMMAR are images of ancient realia, i.e., remnants of Mediterranean material culture including biblical and non-biblical papyri fragments, vase paintings, coins, bas-reliefs, imperial artifacts, inscriptions, funerary stele, statues, gems, temples, maps, and reconstructed scenes of life in the polis. The language and syntax of the Greek NT is contextually located in these worlds. Still present (but improved) are the CASE IN POINTS at the end of each chapter that briefly describe how particular points of Greek grammar just presented helps us when interpreting the Greek NT. In other words, the CASE IN POINT illustrates how Greek grammar is valuable as a tool for the study of the NT. In addition to having a full APPENDIX, VOCABULARY OF WORDS OCCURRING 20 TIMES OR MORE, and INDICES, KOINE GREEK GRAMMAR has a separate extensive WORKBOOK AND ANSWER KEY & GUIDE. that has been carefully crafted with many exercises drawn directly from biblical expressions and actual verses.
