It's a medically proven method of food as medicine to fight obesity, cure chronic illness, and heal a broken metabolism.”—Jacqueline Fields, M.D. Hailed as “the metabolism whisperer,” Haylie Pomroy reminds us that food is not the enemy but medicine needed to rev up your sluggish, broken-down metabolism to turn your body into a fat-burning furnace. On this plan you're going to eat a lot—three full meals and at least two snacks a day—and you're still going to lose weight. What you're not going to do is count a single calorie or fat gram, or go carb-free or ban entire food groups. Instead, you're going to rotate what you eat throughout each week according to a simple and proven plan carefully designed to induce precise physiological changes that will set your metabolism on fire. In four weeks you'll not only see the weight fall off, but don't be surprised to find your cholesterol drop, blood

sugar stabilize, energy increase, sleep improve, and stress melt away as well. Complete with four weeks of meal plans and more than fifty recipes—including vegetarian, organic, and gluten-free options—this is the silver bullet for the chronic dieter who has tried every fad diet and failed, for the first-time dieter attempting to boost their metabolism, and for anyone who wants to naturally and safely eat his or her way to a skinnier, healthier self.

Scripture says that offenses will happen. People will let us down and we will let others down, as well. Forgiveness is left up to us to pray about and then practice. Far from minimizing the hurt of the offense, readers are called to understand that offering forgiveness and letting go of bitterness is the only way to walk in faithfulness. Drawing on biblical teaching of our call to forgive, Nancy shows the reader that forgiveness is a choice- and the only pathway to true freedom.

Dr. Alan Christianson, top naturopathic physician and bestselling author of The Adrenal Reset Diet, introduces a four-week cleanse that heals damage to the liver, helping readers unlock the key to rapid weight loss and lower blood sugar. The path to becoming naturally thin isn't as impossible as it may seem. In The Metabolism Reset Diet, you'll unlock the key to rapid, sustained weight loss and lower blood sugar with a four-week cleanse that heals your liver and gives your metabolism new life. The hidden truth is that your liver is actually the key to a healthy metabolism. When it isn't functioning properly, it loses the ability to burn fuel. An overloaded liver can only store fuel as fat - which slows your metabolism and leads to excess weight gain. Even if you cut out sugar and carbs, you can still struggle with weight loss and high blood sugar. With Dr. Alan Christianson's clinically proven program, you'll be able to reverse damage to your liver in just four weeks. Once your liver regains its ability to manage your metabolism, you'll have fewer food cravings, steady energy levels, better digestion, and a metabolism that works optimally. This proven diet is carefully constructed to provide your liver with the nutrients it needs without over fueling, supplying your body with healthy amounts of protein, fiber, micronutrients, and phytonutrients that support liver function. Unlike so many diets that require people to stick to a difficult and restrictive plan, following a liver-friendly eating plan will ensure that your weight and energy stay steady, even if your diet changes. Complete with comprehensive guidelines, meal plans, recipes, and advice on maintenance, The Metabolism Reset Diet will help readers achieve optimal liver function to lose weight and get healthy fast.

Adelgazar es fenomenal, pero ¿qué pasa cuando tu pérdida de peso se estanca a tan sólo dos o cinco kilos de la tan anhelada meta? La autora de La dieta del metabolismo acelerado, éxito instantáneo de ventas, vuelve con este original título que ataca problemas específicos de pérdida de peso con fundamentos científicos. Quémalo "No es magia, pero lo parece". Pierde 2.5 kilos en 5 días y 5 kilos en 10 días. Derriba los obstáculos que se interponen entre tú y un peso saludable con este programa de entre tres y diez días. No importa cuál sea el problema: Quémalo te ayudará a alcanzar tus metas. Éste es un libro para gente que necesita una intervención urgente para perder peso rápido. O que quizá necesita un salto cuántico hacia ese estilo de vida saludable que tanto anhela. En vez de seleccionar comidas con base en sus micronutrientes o su índice glicémico, como en La dieta del metabolismo acelerado, en Quémalo Haylie Pomroy ha seleccionado comidas, hierbas, tes, especias y combinaciones específicas con base en su índice termogénico o su habilidad para quemar grasa, a pesar de la resistencia que opone el cuerpo. Cuando algo te detiene, aun cuando piensas que has hecho todo lo correcto, Quémalo puede intervenir con una microreparación poderosa para tres disfunciones específicas: 1. Inflamación, que es un problema con la reacción inmediata de tu cuerpo hacia la comida que ingieres. 2. Problemas digestivos, que es un problema con tu forma de procesar la comida. 3. Desequilibrio hormonal, que es un problema con el equilibrio de tu cuerpo entre la producción y la síntesis de las hormonas. Visítanos en megustaleer México www.ladietadelmetabolismoacelerado.com

"Haylie Pomroy, celebrated nutritionist, and New York Times bestselling author of The Fast Metabolism Diet shares a prescription for total health based on decades of work using food as metabolic medicine. Our bodies are always talking; we just need to learn how to listen to them. Sometimes they whisper to us--our energy is off, our body shape is morphing in ways we don't like. Sometimes they try to give us straight talk, pushing our cholesterol a little higher or we have IBS or indigestion. At other times they're screaming, we're pre-diabetic or full blown, our moods are a mess, and our immune systems confused and attacking us. Every one of these health signals hides a specific kind of metabolic dysfunction, and for each, food is the answer. In her new book, Haylie teaches us that anyone can achieve the body and health they want from the foods that they choose and use"--

We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground--or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth--and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart. In Culture Shock, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, Culture Shock is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love.

From the acclaimed chefs behind award-winning Los Angeles restaurant Bavel comes a gorgeous cookbook featuring personal stories and more than eighty recipes that celebrate the diversity of Middle Eastern cuisines. "Ori and Genevieve manage to pull off a style of cooking that is both familiar (and therefore comforting) but also new (and therefore fresh and exciting). This is the sort of food I could live on."—Yotam Ottolenghi When chef Ori Menashe and pastry chef Genevieve Gergis opened their first Los Angeles restaurant, Bestia,

the city fell in love. By the time they launched their second restaurant, Bavel, the love affair had expanded to cooks and food lovers nationwide. Bavel, the cookbook, invites home cooks to explore the broad and varied cuisines of the Middle East through fragrant spice blends; sublime zhougs, tahini, labneh, and hummus; rainbows of crisp-pickled vegetables; tender, oven-baked flatbreads; fall-off-the-bone meats and tagines; buttery pastries and tarts; and so much more. Bavel—pronounced bah-VELLE, the Hebrew name for Babel—is a metaphor for the myriad cultural, spiritual, and political differences that divide us. The food of Bavel tells the many stories of the countries defined as “the Middle East.” These recipes are influenced by the flavors and techniques from all corners of the region, and many, such as Tomato with Smoked Harissa, Turmeric Chicken with Toum, and Date-Walnut Tart, are inspired by Menashe’s Israeli upbringing and Gergis’s Egyptian roots. Bavel celebrates the freedom to cook what we love without loyalty to any specific country, and represents a world before the region was divided into separate nations. This is cooking without borders.

The Holy Spirit even lives inside us! And yet, too many Christians are stuck in the mud when it comes to life change. What’s going on? Can things ever get better? Can my life ever turn the corner? Pastor Chip Ingram’s answer is simple: Yes, you really CAN change! With godly wisdom and practical advice drawn straight from Scripture, Chip will help you answer questions such as: Why do so many Christians change so little? Where do we get the power to change? How do you know when you’re really changing? How do you break out of a destructive lifestyle? How do you make it last? In Yes, You Really CAN Change, you’ll learn the difference between living for God’s approval and from God’s approval. It’s time to get off the hamster wheel of Christian expectations. Only when you understand your full acceptance by a loving God can life change begin to happen.
