

Last Hit Reloaded Hitman 25

Jessica Clare

These Royals will ruin you. Easton Royal has it all: looks, money, intelligence. His goal in life is to have as much fun as possible. He never thinks about the consequences because he doesn't have to. Until Hartley Wright appears, shaking up his easy life. She's the one girl who's said no, despite being attracted to him. Easton can't figure her out and that makes her all the more irresistible. Hartley doesn't want him. She says he needs to grow up. She might be right. Rivals. Rules. Regrets. For the first time in Easton's life, wearing a Royal crown isn't enough. He's about to learn that the higher you start, the harder you fall. Warning: This book has a cliffhanger. The story will be resolved in Cracked Kingdom, due out January 2018.

Sinister Mayhem lead singer Step Vasiliev likes his women wild, his sex rough and his partying hard--but his reckless lifestyle has finally caught up with him. His thirtieth birthday ends with a humiliating face-plant onto the floor of his luxury hotel suite. Hardworking hotel maid Jemima Coates comes to his rescue. Her kindness entralls him, but it's her sweet, innocent beauty that ensnares him. One stolen kiss--and Step knows he'll do anything to protect her. When her younger brother is kidnapped,

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

Step vows to get him back, even if that means knocking on the door of Russian mob boss Nikolai and calling in favors from his cousin Ten, the infamous mob enforcer. Because Step has finally tasted happiness, and he'll fight like hell to keep Jem in his life... keywords: rock star romance, multicultural romance, Russian hero, mafia, mob, organized crime

Myth. Monster. Mine. Spectre I wasn't even a man when I took a life for the first time, although you couldn't say I was a child. If I'd ever had a childhood, it hadn't lasted long. My father, may he rot in hell, had seen to that. I took his life as well and that, too, happened before I was old enough to be considered a grown man. I never regretted it for a second. That path almost led to my own grave, and would have, if I hadn't stumbled across somebody who was as different from my father as day was from night.

Sarge had seen the monster lurking inside, so he took control, gave me guidelines, rules, so I wouldn't be the monster my father had planned. It worked. I restrained the worst of my rage and honed the skills that had been drilled into me-theft, stealth...

assassination. The broken child ceased to exist and I became Spectre, an assassin spoken of in whispers, hired to take out the worst of humanity. Then I was sent to kill her...and my world came to a screeching halt. Time's taken a long time, but I finally had a nice, steady routine. I stopped trying to conform to the

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

neurotypicals of the world and found my own normal. Normal went out the window when I walked into my kitchen and found a strange (hot), dangerous looking (so fricking hot) man drugging my new dog. It probably wasn't the smartest thing to leap at him like a banshee and attack, but that's what I did. When my attempt to wreck the vehicle was averted, my kidnapper didn't hurt or threaten me. In fact, he told me he wanted to protect me. This (hot) guy had to be crazy. But if he was crazy, what did that make me? Because I believed him. More, I found myself seeing something beyond the rigid, blank mask he wore. He kept trying to push me away, but I couldn't seem to keep my distance. He calls himself a monster...but when I look at him, that isn't what I see. I just see him...and I know he's meant to be mine. Warning: This isn't a snuggly, comfy read. The male MC is a hired killer, while the heroine is neuro-atypical. Some dark material is involved-the hero kidnaps the heroine. There's also violence when he goes on a rampage against those who put a contract on her. Also references of abuse (not against the heroine). Also very graphic, erotic scenes with minor bondage play.

From the global authority in record-breaking comes the 11th edition of the world's best-selling videogames annual. Packed with the latest records, coolest stars and the biggest games, the Guinness World Records Gamer's Edition is the go-to bible for

want to know who scored the fastest goal in FIFA or achieved the fastest speed-run of Final Fantasy XV, or just want to see the world's biggest Game Boy, this is the book for you!

Savior. Kidnapper. Hero. Corrupter. I expected the Russian Mafia to have some secrets on their luxury yacht when I stole it. I didn't expect a beautiful, wilted angel, held captive in the walls of a sadistic red room. The men I'm running from were going to ruin her. Instead, I painted the room with their blood. I saved her, but there's something about her that drives me wild and makes me want to possess her. She pushes my buttons, and when her amber eyes burn into mine, I don't resist my urges. This foolish girl doesn't know what she's in for. Or maybe she does, and she just likes playing with fire. It's going to get her burned, if she isn't careful, but the way she calls me Daddy is all the convincing I need. I will not let her go. Trafficked is a standalone dark romance novel from bestselling romance author Alexis Abbott! Safe from cheating.

David Webb must once again assume the identity of assassin Jason Bourne as he matches wits with his mortal enemy, Carlos, a deadly and elusive terrorist known as "the Jackal," in a final confrontation.

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears.

Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

The clone assassin has been played long enough—now it's more than a game. Bred to kill, Agent 47 is The Agency's most valuable assassin. So when a competing murder-for-hire organization decides to destroy The Agency, the first person they target for elimination is Agent 47. Tasking someone to off the best hitman in the business is one thing; getting the job done is another. When the attempt falls short, Agent 47 is ordered to track down and kill the culprit who is feeding vital information about The Agency to its enemies. Agent 47 must follow a bloody trail halfway around the world, fight his way through the streets of Fez, Morocco, and battle

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

From USA Today bestselling author Jen Frederick comes a heart-wrenching yet hopeful romance that shows that the price of belonging is often steeper than expected. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her family--not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat's new wife and new "real" son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love--a forbidden love that will either welcome Hara home...or destroy her chance of finding one.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist

teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

Why are carefully designed, sensible policies too often not adopted or implemented? When they are, why do they often fail to generate development outcomes such as security, growth, and equity? And why do some bad policies endure? World Development Report 2017: Governance and the Law addresses these fundamental questions, which are at the heart of development. Policy making and policy implementation do not occur in a vacuum. Rather, they take place in complex political and social settings, in which individuals and groups with unequal power interact within changing rules as they pursue conflicting interests. The process of these interactions is what this Report calls governance, and the space in which these interactions take place, the policy arena. The capacity of actors to commit and their willingness to cooperate and coordinate to achieve socially desirable goals are what matter for effectiveness. However, who bargains, who is excluded, and what barriers block entry to the policy arena determine the selection and implementation of policies and, consequently, their impact on development outcomes. Exclusion, capture, and clientelism are manifestations of power asymmetries that lead to failures to achieve security, growth, and equity. The distribution of power in society is partly determined by history. Yet, there is room for positive change. This Report reveals that governance can mitigate, even overcome, power asymmetries to bring about more effective policy interventions that achieve sustainable improvements in security, growth, and equity. This happens by shifting the incentives of those with power, reshaping their preferences in favor of good outcomes, and taking into account the interests of previously excluded participants. These changes can come about

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

through bargains among elites and greater citizen engagement, as well as by international actors supporting rules that strengthen coalitions for reform.

The #1 New York Times bestselling classic frontier adventure novel that inspired two award-winning films! Charles Portis has long been acclaimed as one of America's foremost writers. True Grit, his most famous novel, was first published in 1968, and became the basis for two movies, the 1969 classic starring John Wayne and, in 2010, a new version starring Academy Award® winner Jeff Bridges and written and directed by the Coen brothers. True Grit tells the story of Mattie Ross, who is just fourteen when the coward Tom Chaney shoots her father down in Fort Smith, Arkansas, and robs him of his life, his horse, and \$150 in cash. Mattie leaves home to avenge her father's blood. With one-eyed Rooster Cogburn, the meanest available U.S. Marshal, by her side, Mattie pursues the killer into Indian Territory. True Grit is eccentric, cool, straight, and unflinching, like Mattie herself. From a writer of true status, this is an American classic through and through.

From the bestselling authors of Last Hit and Last Breath comes the next dark and sensual tale in the Hitman series that crosses the line between danger and desire...

Naomi: When I was kidnapped I thought only of survival. I don't thrive well in chaos. That's why I gave my captors exactly what they wanted: my skill with computers. Making millions for a crime lord who kept me imprisoned in his basement compound kept my family safe. When he was taken out, I thought my ticket to freedom had arrived. Wrong. I traded one keeper for

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

another. This time I'm in the hands of a scarred, dark, demanding Russian who happens to be the head of the Bratva, a Russian crime organization. He wants my brain and my body. I'd be lying if I said I wasn't intrigued, but I can't be a prisoner forever...no matter how good he makes me feel. Vasily: At a young age, I was taught that a man without power is a puppet for all. I've clawed—and killed—my way to the top so that it is my heel on their necks. But to unify the fractured organization into an undefeatable machine, I need a technological genius to help me steal one particular artifact. That she is breathtaking, determined, and vulnerable is making her more dangerous than all of my enemies combined. But only I can keep her safe from the world that she now inhabits. Soon, I must choose between Naomi and Bratva law. But with every day that passes, this becomes a more impossible choice.

Teenage bodyguard Connor must survive the wilds of the African savanna in a life-or-death mission--perfect for fans of Alex Rider, Tom Clancy's The Division, and James Bond! With two successful missions under his belt, Connor Reeves is quickly rising up the ranks of the covert teen bodyguard organization known as Guardian. So he's the natural choice when a French diplomat seeks Guardian's services to protect his family on a safari in Africa. With no obvious threats at hand, it sounds like the vacation of a lifetime. But deep in the savanna, the safari turns to chaos when their convoy is ambushed by brutal gunmen seeking bloodshed and riches. Fleeing through the bush, Connor and those under his protection become the prey in a deadly hunt

across the African plains. Combining pulse-pounding action, diabolical enemies, and an insider's knowledge of the tricks of the trade, the Bodyguard series is the perfect target for fans of Alex Rider, James Bond, Jack Bauer, and Jason Bourne. Praise for the Bodyguard series: "Breathtaking action . . . as real as it gets."—Eoin Colfer, author of the bestselling Artemis Fowl series "Bradford has combined Jack Bauer, James Bond and Alex Rider to bring us the action-packed thriller"—Goodreads.com "A gripping page-turner that children won't be able to put down"—Red House Solid Snake and his partner Otacon are lost at sea in the wake of a terrorist attack while rookie FOXHOUND operative Raiden is working to rescue the president from terrorist captors.

I was about to make a huge mistake. And when I say huge, I mean, approximately ten inches' worth of mistake. But after the week I'd had, this was just what I needed. A night of big bad mistakes with a big bad biker. Honey Scott Finding out your boyfriend is a cheating loser is a real buzz kill. Finding out you're actually the other woman, is devastating. Call it temporary insanity, but I decide the best way to get over the loser I'd dated for two years is to get under a biker with tattoos, dimples and a hard body he knows how to use. He's going to make everything better with numerous mind-blowing orgasms. But just for one night. Except one faulty condom means my one-night stand isn't so one-night after all. Caleb Calley After a night of insane sex, the beautiful blue-eyed brunette gave me the slip. And even with all the women on offer afterwards, I can't get her off

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

my mind. So when she turns up at the Kings of Mayhem MC compound I'm quick to give her a second night of amazing sex and crazy orgasms. But this time, I'm not ready to let her go. There's just one problem-- she's not interested. But if she thinks she's going to give me the slip again, then she's got another thing coming. I know she is keeping a secret from me but I don't care what it is. I want her and I'm going to make her mine. Biker Baby, book three in the Kings of Mayhem MC series. Please note: you must be 18+ to read and due to the content there may be triggers.

In the Alaska wilderness, four streetwise boys became men—and brothers Now the crazy ex-military survivalist who plucked Gabriel and three other boys from an abusive foster care home has died. But the sarge leaves them a final mission--to revive the dying town of Rescue. Gabe is done with being a hero. Wounded in body and soul, the retired SEAL simply wants to remain holed up in his isolated cabin. He sure doesn't want to be chief of police in some defunct town. But he has his orders. Audrey needs a place to hide After the Chicago librarian discovers a horrendous crime, she wakes to an assassin in her bedroom. Injured and terrified, she flees, covering her trail every inch of the way. New name, new ID. New home. As Audrey learns to survive in Rescue, she begins to fall for the town...and the intimidating chief of police who protects it. Can the shy introvert and the deadly police chief find a life together? Despite the discord in town, Gabe is finding his own peace...with the quiet young woman who seems to have no past. She's adorable and caring and so very lost. But how can he

trust someone who lies to him with every breath she takes? Cherise Sinclair is my go to author when I want a satisfying read. Heat, emotion, suspense. She's got it all. ~ NYT Bestselling author Lexi Blake

Regan: I never really knew what misery was until the day I was kidnapped and sold for being in the wrong place at the wrong time. Two months later, I'm at a brothel in Rio when I meet Daniel Hays. He says he's here to save me, but can I trust him? I know it's wrong to fall in love with him, but I can't seem to help myself. Daniel: For the last eighteen months, one goal has dictated every action I've taken. In every brothel I raid and every human trafficking truck I stop, I hope the next face I find is my sister's. In a hidden brothel in Rio, I find Regan Porter, bruised but not broken, and still sane despite her weeks in captivity. I should leave her behind or send her home, because the last thing either of us needs right now is to get involved.

Updated to include the road to Bond 25 For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family-run business has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been plain sailing. Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond's place in popular

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

culture. But against all odds the filmmakers continue to wring new life from the series, and 2012's *Skyfall* saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Now, with Daniel Craig back for a fifth turn as Ian Fleming's spy in October 2019, Bond's reign shows no signs of diminishing. *Some Kind of Hero* recounts this remarkable story, from its origins in the early fifties right through to the present day, and draws on over a hundred unpublished interviews with the cast and crew of this iconic series.

"When Taka's mother is killed in battle, Taka vows to seek justice. He enlists his friends Cho and Renzo and, armed by the Grandmaster, the three set out to confront Akemi's killer. But they all know this could be a one-way mission"--Back cover.

The thrilling novel based on the bestselling video game *Resistance: Fall of Man* Great Britain. July 1951. Three years ago, Russia went dark. Nothing got in. Nothing got out. The world assumed it was political strife. But it was the Chimera: voracious extraterrestrial invaders. And in December 1949, they burst across the Russian border and poured into Europe. The luckiest humans died. The less fortunate succumbed to an alien virus—and changed. Within a year, most of Europe had fallen. Only Great Britain, after struggling desperately, had kept the conquerors at bay. But as the Chimera were repelled, they were evolving. Building. Planning. America. November 1952. The Chimera have crossed the Atlantic. Their lightning strikes on American borders are devastating. Cities are lost. Small towns overrun.

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

Citizens transformed into monstrosities. Enter Lieutenant Nathan Hale, U.S. Ranger. A veteran of the Chimeran conflict, he is uniquely immune to the alien virus. And when regular troops can't stem the Chimeran onslaught, Hale and his special-operations team meet the menace head-on. But while they battle the relentless Chimera, deadly power games rage in the White House. And when Hale discovers a far-reaching conspiracy, one with deadly consequences for the human race, his allegiance to country and mankind is stretched to the breaking point. Based on a game rated Mature by the ESRB

Drugs, disco, and debauchery: This is the wild true story of the Mutiny, the decadent hotel that embodied Miami's cocaine-fueled heyday--and inspired the legendary film Scarface. In the seventies, coke hit Miami like a hurricane, and no place attracted dealers and dopers like the Mutiny. Rock stars and models flocked to the hotel's club to order bottle after bottle of Dom and to snort lines alongside narcos, hit men, and gunrunners, while upstairs, marathon orgies raged in the elaborate fantasy suites. But as the kilos--and bodies--began to pile up, the Mutiny became target number one for law enforcement. Based on exclusive interviews and never-before-seen documents, Hotel Scarface is an extraordinary work of investigative journalism, a portrait of a city high on excess and greed.

digital and mobile entertainment issues and trends. A fresh, new look at gangs in every part of the world which deliberately avoids the stories that have been done to death - about Capone, Dillinger, Bonnie and Clyde - and focuses on less well-known gangs such as 'Ma' Barker's Boys; the Smaldones of Denver; Scotland Yard's 1960s' Flying Squad, the so-called Firm within a Firm; Dr Death, the Melbourne drug dealer and Andre Stander, the former South African police officer who led a gang of bank robbers before being shot dead in Fort Lauderdale having fled a 17-year sentence.

"Originally published in single magazine form in Wonder Woman 66-73"--Copyright page.

This book describes the paleomagnetism of sediments and sedimentary rocks, how sediments and sedimentary rocks become magnetized, and how the physical and chemical processes involved can affect the accuracy of paleomagnetism. Topics covered include depositional and post-depositional remanence acquisition, the detection and correction of compaction-caused inclination shallowing, reduction diagenesis of magnetic minerals, chemical remagnetization, and rotation of remanence by grain-scale rock strain. The book also has a chapter on environmental paleomagnetism, including examples of the new technique of high-resolution rock magnetic cyclostratigraphy and its application to sedimentary sequences. By emphasizing the accuracy of sedimentary paleomagnetism and the magnitude of post-depositional processes that can affect it, the book will be invaluable in the geologic interpretation of sedimentary paleomagnetic data. Paleomagnetism of Sedimentary Rocks will be welcomed by paleomagnetists, students of paleomagnetism and all Earth scientists who use sedimentary

[Siren Menage Everlasting: Erotic Romance, Contemporary, Small Town, Menage, MFM, HEA] Ethan Sullivan and Brandon Weston always dreamed of sharing a woman, but a past relationship made them rethink their decision. Until Nicole Dixon moves to Desire. Ethan falls for her almost immediately, and when he sees the chemistry between Nikki and Brandon, he knows he's found the woman they've both been looking for. Not believing a menage relationship can work, Nikki fights her attraction to Brandon, but the chemistry between them won't be denied. Her accident raises the stakes, showing them just what she means to them. Nikki hadn't thought it possible to love two men at the same time, but with Brandon and Ethan, it proves inevitable. Worried that it can't last, she doesn't want to admit, even to herself, that she's fallen in love with both of them. But facing death, she can't hold back any longer. Leah Brooke is a Siren-exclusive author.

For Mendoza, being hired out as a mercenary hitman brought him money and built him an empire. His new job: bring down a rival in the Amazon. Then he met her. Ava survived a crash-landing in the jungle. Her rescuer was hot, sexy and dangerous. But now someone wants her dead, and Mendoza seems to be her only chance at survival - but is he truly her saviour, or someone with far deadlier intentions?

In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents' South Dakota ranch, sharing innocent games and stolen kisses with the neighbor girl, Lil Chance. Now, twelve years after they last

Read Book Last Hit Reloaded Hitman 25 Jessica Clare

walked together hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop's touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil's beloved cougar, memories of an unsolved murder have Coop springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....
