Classic French food is hotter than ever. But one thing hasn't changed—few of us have the time, the patience, the technique, or the cream and butter allowance to tackle the classics as presented by Julia Child's *Mastering the Art of French Cooking*. The good news is—we don't need to. For the past 40 years Richard Grausman, America's premier culinary teacher, has been training American chefs in a simpler, better way of French cooking, and in *French Classics Made Easy*—a refreshed and updated edition of his original collection, *At Home with the French Classics*—he shares all of his extraordinary innovations and techniques. Golden soufflés in ten minutes. A light and luscious chocolate mousse that can

be made as a cake, a chocolate roll, soufflé, or pudding. Plus Cassoulet, Boeuf Bourguignon, Coq au Vin, Bouillabaisse, Poached Salmon with Beurre Blanc—in all, 250 impeccably clear, step-by-step recipes in range of anyone who knows how to boil water or dice an onion. When a step isn't critical, Grausman eliminates it. If something can be done in advance, he does it. Plus he's cut the amount of butter, cream, egg yolks, salt, and sugar; the result is health-conscious recipes that don't compromise the essential nature of the dish. Techniques are illustrated throughout in line drawings. It's the grandness of French cuisine, made accessible for both entertaining and everyday meals.

Auguste Escoffier (born October 28, 1846, died February 12, 1935). He was a French chef and culinary writer who popularized and updated traditional French cooking methods. He is a legendary figure among chefs and gourmets, and was one of the most important leaders in the development of modern French cuisine. He

codified the recipes for the five mother sauces. Auguste Escoffier published "Le Guide Culinaire," which is still used as a major reference work, both in the form of a cookbook and a textbook on cooking. Escoffier's recipes and techniques remain highly influential today, and have been adopted by chefs and restaurants not only in France, but also throughout the world.

In early August 1889, Cesar Ritz, a Swiss hotelier highly regarded for his exquisite taste, found himself at the Savoy Hotel in London. He had come at the request of Richard D'Oyly Carte, the financier of Gilbert & Sullivan's comic operas, who had modernized theater and was now looking to create the world's best hotel. D'Oyly Carte soon seduced Ritz to move to London with his team, along with Auguste Escoffier, the chef de cuisine known for his elevated, original dishes. The two created a hotel and restaurant like no one had ever experienced, in often mysterious and always extravagant ways, where British high society mingled with American Jews and women. Barr deftly re-creates the thrilling Belle Epoque era just before World War I, when British aristocracy was at its peak, women began dining out unaccompanied by men, and American nouveaux riche and gauche industrialists convened in London to show off their wealth. In their collaboration at the still celebrated Savoy Hotel, the pair welcomed loyal and sometimes salacious clients, such as Oscar Wilde and Sarah Bernhardt;

Escoffier created the modern kitchen brigade and codified French cuisine in his seminal *Le Guide culinaire*, which remains in print today; and Ritz, whose name continues to grace the finest hotels, created the world's first luxury hotel. The pair also ruffled more than a few feathers. Fine dining and luxury travel would never be the same--or more intriguing.

When outdoorsman, avid hunter, and nature writer Steven Rinella stumbles upon Auguste Escoffier's 1903 milestone *Le Guide Culinaire*, he's inspired to assemble an unusual feast: a forty-five-course meal born entirely of Escoffier's esoteric wild game recipes. Over the course of one unforgettable year, he steadily procures his ingredients—fishing for stingrays in Florida, hunting mountain goats in Alaska, flying to Michigan to obtain a fifteen-pound snapping turtle—and encountering one colorful character after another. And as he introduces his vegetarian girlfriend to a huntsman's lifestyle, Rinella must also come to terms with the loss of his lifelong mentor—his father. An absorbing account of one man's relationship with family, friends, food, and the natural world, *The Scavenger's Guide to Haute Cuisine* is a rollicking tale of the American wild and its spoils. Praise for *The Scavenger's Guide to Haute Cuisine* “If Jack Kerouac had hung out with Julia Child instead of Neal Cassady, this book might have been written fifty years ago. . . . Steven Rinella brings bohemian flair and flashes of poetic sensibility to his picaresque tale of a man, a cookbook, and the culinary open road.”—*The Wall Street Journal* “If you rue the ‘depersonalization of food production,’ or you’re tired of chemical ingredients, [Rinella] will make you howl.”—*Los Angeles Times* “A walk on the wild side of hunting and gathering, sure to repel a few professional food sissies but attract many
