

Learn As You Play French Horn Tutor Book Learn As You Play Series

The best selling woodwind and brass tutor series. Learn As You Play provides everything you need from the first lesson up to grade three. A well structured course of exercises, studies and pieces ensures a good grounding in technique and musicianship.

Welcome to Brass in Color! French Horn Book One of the Brass in Color Beginner Method Series introduces a color-coded tablature (Color Fingerings) to help students learn the fingerings of the French horn and apply them to notes in the Middle Range. In this beginner method series students will first learn the note's pitch by listening to his or her instructor, and then by using the Color Fingerings students will be able to easily match the note's pitch with the fingerings of the French horn. Standard music notation has also been included with each lesson to help the instructor know which notes to play, and to teach students how to read the notes as they match them with the fingerings of the French horn. Breath marks, articulation, dynamics and tempi are not noted in the lessons and may be added by the instructor as needed. Also, key signatures are not used so that students will focus primarily on listening and learning the fingerings associated with the notes. There are three main sections in Brass in Color. The first section is Lessons that introduces new fingerings, notes and music concepts. The second section is Technique Exercises that consists of two-measure exercises to help students practice and review the material. The third section is Songs that gives students the opportunity to practice playing longer melodies. This beginner method series for French horn also has a companion website (www.brassincolor.com) On the website you will find audio for each lesson as well as different activities, videos and other resources to help students learn to play the French horn.

Do you want to learn French with real French Beginner Stories? It's easy with French and interlinear English. 140+ pages with every word translated so you can keep on reading. This book contains beginner stories originally from Jules Lemaître and translated word-for-word by Bermuda Word. We have added an interlinear translation to the French text. This means that the meaning of every French word is immediately accessible, which in turn will make it much easier for you to expand your French vocabulary fast. This is the first book in the series "Learn French with Interlinear Stories for Beginners and Advanced Readers". Also check out the "Fairy Tales", "Short Stories", "Romantic Stories" and "Masked Love" books. Use the following method to attain new French vocabulary. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal interlinear text this is the fastest method to learn to read French. When finished with this book, find our other Bermuda Word Learn French books with interlinear French to English translation! First to be published in the series was The Art of French Horn Playing by Philip Farkas, now Distinguished Professor Emeritus of Music at Indiana University. In 1956, when Summy-Birchard published Farkas's book, he was a solo horn player for the Chicago Symphony and had held similar positions with other orchestras, including the Boston Symphony, Cleveland Orchestra, and Kansas City Conservatory, DePaul University, Northwestern University, and Roosevelt University in Chicago. The Art of French Horn Playing set the pattern, and other books in the series soon followed, offering help to students in learning to master their instruments and achieve their goals.

We are so used to hearing about all the French words that are found in English and about how purist the French are about their language, that we don't realize how many English words have migrated into French. You'll be astonished by how many English words are used in French. French is inundated with them! Swamped with them! Most are native English words, but surprisingly, some were originally French words which moved into English long ago, evolved a different meaning, and then moved back to French with the new meaning as anglicismes. English words aren't always taken into French with the same spelling and usage as they have in our language. For example, you'll encounter le week-end, which has gained a hyphen, and le warning which doesn't mean "the warning" in a general sense, but specifically means the emergency lights or flashers on a car. Some words are specific to certain sports, like l'uppercut or le football, or to other activities, such as playing bridge, while other words which are general in English have only limited meanings in French. An example is le slice, which only refers to golf and tennis, and not to a slice of melon, for instance. Some words are so well integrated into French that the average Frenchman wouldn't be aware that they are words of English origin. At the other extreme are words that that same Frenchman would recognize immediately as English words even though he uses them without reflection (much as we would say ravioli and pizza are Italian words, or taco and tamale are Mexican Spanish words). All these words will be marked as anglicisme or mot anglais in a French dictionary like Le Petit Robert, and the use of some of them would be frowned on in formal speech or writing, but many are very widely used in normal casual speech. You'll find it a fascinating book. READ WHAT PROFESSORS AND INSTRUCTORS OF FRENCH AND OTHERS HAVE WRITTEN ABOUT EARLIER BOOKS IN THIS SERIES: I think your books are wonderful. You have made a fantastic contribution to the French language profession. --- Prof. Judy Baughin, Raymond Walters College You have done a real service to learners of French...This is important work. --- Prof. John Romeiser, U. of Tenn. I have to say your Key Words and Expressions is just the kind of book I would have liked to have had when I was teaching myself French oh-so-many years ago. --- Prof. John Moran, Dir.Language Programs, NYU If you really want to learn spoken French, you need this book (Key Words). You'll need other books as well, you'll need audio materials, and you'll need live language experience. But this book is a necessity. ---- reader reviewer amazon.com I love the Faux Amis, especially the relaxed, conversational presentation. ---- Prof. Norman Shapiro, Wesleyan U. Your little books are great! ---- Prof. AG Fralin, Washington and Lee U. I absolutely *love* Faux Amis. It's so well done. --- Prof. Herta Rodina, Ohio U. I love your books! They are easy to navigate, and they are extremely useful to non-native French speakers. ---- Prof. John Turvaville, U. of Tenn. Perhaps the most amazing thing about this book (Key Words) is that it took until 2007 for anyone to think of writing it! ---- reader reviewer amazon.com The books are excellent.---- Prof. Luke Bouvier, U. of Mass, Amherst I've been perusing Key Words for the past couple of days and it's great fun... What a great idea for a book! --- Prof. Herta Rodina, Ohio U. This (Key Words)is easily one of the best and most important French resources I own (and I've got dozens of them)... It's amazing, absolutely amazing how this book has improved my understanding of spoken French. – reader reviewer, amazon.com I wish Rosenthal had written Rules for the Gender of French Nouns twenty years ago when I was a student. – Stephen Hedge, review in "The French Review" Camila, Madalena e Margarida são três meninas adoráveis que fazem as delícias das suas queridas mães. Brincam muitas vezes com a sua vizinha Sofia, que passa a vida a fazer disparates. Sofia é muito infeliz com a madrasta, a senhora de Fichini. Mas tudo muda quando a madrasta vai viajar e a deixa aos cuidados da senhora de Fleurville. Sofia recupera então a esperança e vai esforçar-se por merecer a confiança e o amor da sua nova família.

Who doesn't love a snow day? Gabi and her siblings Adam and Abigail decide to put on their snow gear and play outside in the snow. There is so much to do on a cold winter's day, from making snow angels to making footprints in the snow, but the siblings finally decide to build a snow-woman. Putting everything together isn't easy for three children, but when they all work together, their mom says that this snow-woman is the most beautiful one she's ever seen! Enjoy a snow day with Gabi, Adam, and Abigail as they build their snow-woman and see how they demonstrate importance of family, creativity, and teamwork, all while learning a new language!

LIAISONS is an innovative beginning-level French program firmly grounded in principles of communicative language teaching and research in second language acquisition. Components of the program are carefully linked together, showing students how they can make connections with their classmates, their instructor, their community, and the French-speaking world. A rich array of communicative activities is designed to stimulate interaction inside and outside the classroom. The underlying pedagogical framework in LIAISONS asks students to first discover new vocabulary and grammar through different mediums, then connect form and meaning through a set of confidence-building activities, and finally, actively create language. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the upmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Italian and English alternating text. Each paragraph is presented with its translation below. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suites you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book A Mind for Numbers A Mind for Numbers and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Role play and foreign language learning helps the learners to develop speaking skills within defined social contexts. Languages are always spoken within certain defined spacio-social context. The learning of French as a foreign language in Kenya takes cognizance that oral skills are important to facilitate competent communication in any given language. The Kenyan reality of learning oral French skills within a learning set-up in Kenyan secondary schools is well presented in this text. The salient challenges are also highlighted since language learning is normally not a smooth sail for the learner and for the teacher who plays a pivotal facilitation role in guiding the learner to imbibe the vital communicative skills in the language that is being taught. On the whole role play is not just a language learning activity; it is an activity that provides impetus which propels human development in ist entire gamut of activities. A conspicuous hint on the importance of role play in our daily lives is also presented in this text with some examples well presented and cited in this write-up. Stephen Kraschen's Montior Model on language acquisition and the Grounded Theory which helps to interpret social research findings have been used to analyze the data which was derived from the inquiry done in the Kenyan secondary schools. The classical importance of role play and simulation in the learning process has been well underscored in this particular text.
